SUBJECT: **Appointment of Administrative Determination Review Committee**

Sections 110.03 and 110.07(a) of the Milwaukee County General Ordinances (MCGO) provide that any person whose rights, duties or privileges have been directly adversely affected by a determination of a county authority has the ability to appeal such determination to the appropriate county board standing committee. Such an appeal is to be heard by either the standing committee or a review committee with members appointed by the committee chairperson and confirmed by the committee.

The Committee on Finance, Personnel and Audit has received appeals related to the Milwaukee County Department of Transportation Requests for Proposals (RFP) regarding the transit system. Pursuant to MCGO section 110.07(d) and subject to confirmation of the County Board's Committee on Finance, Personnel and Audit, we are pleased to appoint the following to the Administrative Determination Review Committee for the purpose of conducting the review and rendering decisions on these appeals. Supervisor Michael Mayo, Sr., will serve as Chair of the Administrative Determination Review Committee.

- Supervisor Michael Mayo, Sr., Chairman, Committee on Transportation, Public Works & Transit (Chair, Administrative Determination Review Committee)
- Supervisor Theodore Lipscomb, Sr., Chairman, Committee on Judiciary, Safety & General Services
- Supervisor Patricia Jursik, Chairman, Committee on Economic & Community Development
- Supervisor David F. Bowen
- Supervisor Anthony Staskunas, Vice-Chair, Committee on Intergovernmental Relations

We have every confidence that the aforementioned individuals will conduct a fair review process.
