WISCONSIN HOME ENERGY ASSISTANCE PROGRAM

Application Period Sign-up
October 1 - May 15

About Us

The Energy Assistance program offers a one-time payment during the heating season to help qualified Milwaukee County residents make their energy bills more affordable. The funding pays a portion of energy costs, but the payment is not intended to cover the entire energy cost of a residence.

The amount of the energy assistance payment varies depending on a variety of factors, including the household's size, income and energy costs. In most cases the energy assistance benefit is paid directly to the household's energy supplier.
