

AODA Residential Child Placement Questionnaire

Questions that need to be addressed when there is a request for a child/children to be placed in the AODA residential treatment with the client:

1. Where are the children currently residing?

2. Have there been previous informal placements of the children?

3. Identify family members (or others) available to take the child/children (all or some of the children) on a temporary basis?

4. Does the child/children have any special needs?

5. Is BMCW involved and if so, has funding been requested of them?
