

Lennie Mosley

“To know Lennie Mosley is to love her!” A statement summarizing descriptions offered by most everyone you talk with about her. Lennie is a devoted wife and mother, but she is also considered a “Community Activist.”

Some of her outstanding qualities and community service have been expressed by community leaders, friends, and associates: “Outstanding leadership in community service and tireless efforts in humanitarian services for the benefit of Wisconsin citizens – especially the elderly.” “She is an eager and valuable member of the Halyard Park Association for 30 years. She is selfless!” A member of Cream City (WI) Chapter The Links, Incorporated for the past twelve years. “Hard in-depth work with a follow-through, follow-up attitude in completing tasks.” “The quality of life of residents in the 6th District and City of Milwaukee is enhanced by her work and deeds.”

Lennie served as a “working” member of numerous boards throughout the city and has received recognition and honors for her outstanding and invaluable service to the community, but especially, the help she gives to an elderly church member, lovingly called “Mother” Shakespeare. As a member of St. Francis of Assisi Church she devoted 500 plus hours of volunteer time throughout the years helping organize successful church fundraising events and many other activities. Lennie Mosley’s level of service to her family, friends and community is phenomenal!
