

Lynne Reeves

Lynne is a person you can depend upon 100%. She takes her service in her church seriously at Our Lady of Good Hope. In addition to singing in the church choir, she serves communion during mass, works at the yearly auction, assists in baking 380 fruit cakes each Christmas season and works very hard at the annual picnic and church festival. She is also a member of the Bereavement group serving refreshments after funerals and has assisted in the distribution of the parish newsletters for the last 12 years. She is a faithful worker in the “Trash for Cash” program during the events at the St. Patrick’s Day picnic.

Lynne is a member of the Elks Club where she is treasurer of the Women’s Club, assisted with blood drives for 18 years and donated her time working at bingo games at the Eisenhower Center for employees that have Multiple Sclerosis.

She is a dedicated worker at St. Paul’s meal site, serving and cleaning and does not stop there throughout the year. She is busy collecting food for at least 3 families in the Easter, Thanksgiving and Christmas seasons as a member of the Brown Deer Seniors Club.

Lynne does not know the meaning of the word NO—and if anyone needs a helping hand, she is that extra hand.
