

Patsy Hladilek

Patsy was proudly nominated with humble admiration by her daughter, Jennifer. Patsy has volunteered with the Parent Teacher Association (PTA) for the past 50 years, holding various positions from PTA President, to serving on the state PTA board for 8 years, and is now an active member of the Wisconsin PTA Alumni, promoting student scholarships.

The GFWC (General Federation of Women's Clubs) has benefited from Patsy's dedication of time and talent for the past 19 years. During her tenure as West Allis Woman's Club President, she created and led the "Walking in their Shoes" project, and orchestrated the "Salute to Our Veterans" spaghetti dinner, "a Can, CAN Help", "Pennies for Preemies", and the "Celebrity Luncheon". Patsy has received an impressive number of prestigious awards for her valuable contributions to community. West Allis Mayor, Dan Devine, appointed Patsy to the West Allis City Celebrations Committee and to the new City Strategic Planning Committee. Patsy has also spent the last 15 years volunteering on the "Kohl's Scholarship" selection committee, traveling to Madison for the meetings. For the past 14 years, Patsy volunteered at Aurora Women's Pavilion and Aurora West Allis Medical Center. She has been a member and volunteer of St. Rita's Church for 40 years and counting.

The list of volunteer accomplishments is vast. It's amazing to note that Patsy "squeezed" her volunteer efforts in while working for 16 years at Mitchell Manor and raising a family. "She has been a beautiful example for us on how to be a giving mother, wife, grandmother, friend and volunteer. To all that know her, we have all been blessed with a great role model for the many "hats" we all need to wear in life."
