To All Interested Consultants

Project : Lake Park Arch Bridge over Ravine Drive

Project No.: P484-15619

Subject : AMENDMENT 1 TO REQUEST FOR PROPOSAL (R.F.P.)

The Milwaukee County Department of Administrative Services is requesting proposals for professional services to complete the planning and design for a replacement bridge for the Lake Park Arch Bridge over Ravine Drive in Lake Park. The RFP is amended as follows:

1. The DBE participation goal for the design effort is 25%. Replace the Consultant Proposal form with the attached revised form.
2. The 25% goal does not have to be met for each individual Phase of the design effort. Apply the DBE participation goal of 25% to the overall proposal (Phase 1 plus 2).
3. There is no minimum percentage of services that needs to be performed by the prime consultant. However, an unusually low percentage of services being performed by the prime consultant may affect the evaluation of the proposal.
4. The available original bridge plans have been posted on the County website with this addendum.
5. The Pre-proposal meeting attendance sign-in sheets are attached to this addendum.

Please direct any questions regarding Amendment 1 to the RFP to me at the address, FAX number or email included in the original RFP.

Sincerely,

Karl Stave, P.E.
