COMMITMENT TO CONTRACT WITH DBE

ADDITIONAL INFORMATION/REQUIREMENTS:

1. This form is to be completed by the bidder/proposer (Bidder/Proposer Commitment section) and the intended DBE contractor (DBE Affirmation section) for inclusion in the bid/proposal submission.
2. The Directory of Certified DBE firms eligible for credit toward the satisfaction of this project's DBE goal will be found at the following link, and can be searched by Name and/or NAICS code.
<https://app.mylcm.com/wisdot/Reports/WisDotUCPDirectory.aspx>
3. **ALLOWANCES:** During the course of this project you will be using portions of the allowance, which was initially deducted from your contract when you figured out your DBE requirement. As the allowance is used on the project, it is to be added back into the total contract price. An exception would be if the allowance being used is such that the DBE(s) cannot handle any portion of the work, the total contract amount should remain the same. In this case, it is necessary for the prime contractor/consultant to contact CBDP immediately by phone and provide the dollar amount involved and the reasoning for DBEs not being utilized. In addition, a follow-up letter documenting the information is required.
4. **CHANGE ORDERS:** Any prime contractor/consultant receiving additional work on the contract, e.g., change orders, addendums, etc., is required to increase the amount of DBE participation proportionally. Any time you receive additional work of any type, the prime contractor/consultant is required to contact CBDP.
5. **WRITTEN CONTRACTS WITH DBEs:** CBDP requires that prime contractors/consultants enter into contract, directly or through subcontractors, with the DBE(s) specifying the work to be completed and the dollar amount as indicated in this form. Agreements must be submitted to CBDP within 7 days of receipt of the Notice To Proceed. ***By executing the above affidavit, your company is certifying, under oath, that you have had contact with the named DBE firm(s), that the DBE firm(s) will be hired, and that the DBE firm(s) will participate to the extent indicated in performance of the contract. VIOLATION OF THE TERMS OF THIS AFFIDAVIT IS GROUNDS FOR TERMINATION OF YOUR CONTRACT.***
6. **SUBSTITUTIONS, DBEs FURTHER SUBCONTRACTING WORK, TRUCKING FIRMS:** The prime contractor/consultant must submit written notification of desire for substitution to the DBE affected, and forward a copy to CBDP, specifying the reason for the request. Any DBE so notified has five (5) business days to provide written objection/acceptance to the prime making the notification. The "right to correct" must be afforded any DBE objecting to substitution/termination for less than good cause as determined by CBDP (Refer to 49 CFR §26.53). **Approval must be obtained from CBDP prior to making any substitutions.** DBE contractors are also required to notify and obtain approval from CBDP when further subcontracting out work on this project. In the case of DBE trucking firms, credit will be given for trucks leased from other DBE firms; however, if the DBE leases trucks from non-DBE firms, only the commission or fee will be counted for DBE crediting.
7. **REQUESTS FOR PAYMENT:** Contractor/Consultant must indicate on the Continuation Sheet the work being performed by DBEs by either a) placing the word "DBE" behind the work item or b) breaking out the work done by DBEs at the end of the report. Prime contractor/consultant shall notify DBEs of the date on which they must submit their invoices for payment.
8. **DBE UTILIZATION REPORTS:** A DBE Utilization Report (DBE-16) must be submitted with each request for payment for the period's activity, even if no activity takes place during the period being reported. **Payments will be withheld from all prime contractors/consultants not in compliance.**
