Project: HVAC System Replacement
MARTIN LUTHER KING JR. – Community Center
1531 West Vliet Street
Milwaukee, Wisconsin 53205

Project Number: P202-13610

Subject: **Request for Proposal**

Milwaukee County Department of Administrative Services is requesting proposals for professional engineering design services to complete design and construction documents for public bidding to execute replacement of the existing HVAC system with a new HVAC system with DDC controls at the Martin Luther King Jr. – community center. A summary of basic engineering design services will include, site verification and documentation of the existing HVAC system, schematic design thru construction documents for the HVAC replacement system, and construction administration (coordination and on-site observation) of Work.

As part of the consultant's basic engineering design services, include investigation of energy saving alternatives to the replacement of the existing HVAC system. Also as part of the basic engineering design services the consultant will on behalf of Milwaukee County apply for any applicable Focus on Energy incentives.

Project location:
Martin Luther King Jr. – community center
1531 West Vliet Street
Milwaukee, Wisconsin 53205

Proposals must be submitted by:
May 13, 2013 (Monday) at 2:00 P.M. to:
