**BASE BID DESCRIPTION:**

The work under this contract shall consist of improvements to Checkpoint 9L, electrical duct bank work, the addition of and/or replacement of Jet Bridges at D30, D46, and D47 (the furnishing and installation of the physical jet bridges will be under a separate contract), renovation of the garage at the International Arrival Building (IAB) to allow for more efficient airside trash collection, mechanical piping in the tug tunnel to serve a future addition, the demolition of the existing Sheriff's Checkpoint, the renovation of the loading dock area, and modifications of the fuel hydrant system at Gate D30 at GMIA.

The DBD Department concurs with the DBE participation for the above recommended Bid. Please refer to the approved Form DBD-014C attached to the bid recommendation.
