<b><u>BASE BID DESCRIPTION:</u></b>				

Scope of the project consists of the construction of a 1500 square foot expansion of the western most fleet maintenance bay located at the General Mitchell International Airport's South Maintenance Facility 5800 South Howell Avenue. Contract work includes site pavement removal and replacements, site and building demolition, footings, foundations, and slab on grade, pre cast concrete insulated wall panels, overhead coiling doors, fully adhered EPDM roofing, metal decking on steel roof joists, plumbing, fire protection, mechanical, and electrical systems. Perform Work of Contract under stipulated sum contract with Owner in accordance with Conditions of Contract. Work of Contract is identified in the following sections and on Drawings. Milwaukee County will furnish the Agreement form for signatures and bonding. Agreement forms may be reviewed in Architecture, Engineering & Environmental Services Section, Milwaukee County City Campus, 2711 W. Wells St., 2nd Floor, Milwaukee, WI 53208.

The DBD Department concurs with the DBE participation for the above recommended Bid. Please refer to the approved Form DBD-014C attached to the bid recommendation.
