ADMINISTRATIVE CONTRACT AWARD

(Authorization: County Ordinance 44.14(2), Award of Public Works
Contracts, Amended November 6, 1997)

I. PROJECT DESCRIPTION

Project No.: O224-13631
Project Name: Watertown Plank Road Utility Relocation – Contract 2, Water
Project Location: County Grounds

Description of Project: Relocate water mains to address conflicts with proposed construction along Watertown Plank Road associated with the Zoo Interchange Improvements. Also, complete water distribution system changes to switch several water customers at the County Grounds currently on Milwaukee County’s water system to being on the City of Wauwatosa’s water system.

Base bid covers all water relocations that need to be completed independent of transferring customers to the City of Wauwatosa. Alternative Bid No. 2 completes the water system alterations needed to transfer the customers to the City. Alternative Bid No. 1, which is not being awarded, would have incorporated the alterations necessary to keep the customers supplied by County water.
