

INSTALLATION CONTRACTOR
VIDEO SURVEILLANCE SYSTEM UPGRADE
REQUEST FOR QUALIFICATIONS

Milwaukee County Department of Administrative Services is requesting qualification statements (RFQ) from contractors for Construction and Integration services for the replacement of the Video Surveillance System at General Mitchell International Airport in Milwaukee Wisconsin. The Project will also include the provision of a new local area network, digital video storage array, electrical upgrades to Telecomm Rooms, inside and outside telecommunications cabling plant and site improvements including underground conduits and handholes.

Submittals are due July 27, 2015 by 4:00pm.
