Project Name: GMIA-Baggage Screening Improvements  
-Phase 2B  
Baggage Handling Addition & OSR Room

Project Location: General Mitchell International Airport

Project Number: A044-09002-02

*Contract Description:*

*The work under this contract includes, but is not limited to, the construction of a 40,923 sf 2 story addition on the east side of the existing terminal ticketing area, the build-out of an On Screen Resolution Room (OSR) on the ground level of the airport administration building, modifications to existing (2) rooms containing the baggage make-up carousels, improvements to the "Tug" alleyway outside the baggage rooms, and renovation to the existing ticketing area. The purpose of the addition and associated work is to allow for a more efficient in-line screening operation for the outbound baggage handling system. The addition will house the baggage handling conveyor system and TSA's baggage screening operation.*

Project Completion: October 2013
