Q: Prequalification of Bidders - 14b Section 20 (Page 1 of 5) Item 20-02- This section requires submittal of Qualification materials that exceeds what is required by Milwaukee County on their published forms as noted in the Instructions to Bidders, item 13. These materials include Evidence of Competency and Evidence of Financial Responsibility. It is stated to submit this information 10 days before bid to Milwaukee County, but it does not specify a particular department. Please clarify.

A: 14.1 Chapter 43 of Milwaukee County Ordinances requires bidders to file 2 Contractor Qualification Statements with County Clerk, Room 105, Courthouse, 901 North 9th Street, Milwaukee, WI 53233. Qualification Statement forms to be used are available at Department of Transportation and Public Works, Architecture, Engineering and Environmental Services Division, Milwaukee County City Campus, 2711 West Wells Street, 2nd Floor, Milwaukee, WI 53208. A copy of Chapter 43 is also available for review.

14.2 Unless previously qualified under Chapter 43 of County Ordinance, submit Contractor Qualification Statement to County not less than 5 days before time set for receipt of bids to be qualified for this project. Sign Qualification Affidavit contained in Bid Documents.

Q: Is this a union only project? I only ask because there is an “odd” paragraph about Apprentice labor found in the ‘Notice of Reception of Bids’ section in the specs. Please advise.

A: Contractors must pay prevailing wage. The workers do not have to belong to a union.

Q: Minimum Qualifications Requirements - 26-1 of 10 Item 4 - This section requests information requires submittal of Qualification materials that exceeds what is required by Milwaukee County on their published forms as noted in the Instructions to Bidders, item 13. There is no reference of who to submit the information to or when it is to be submitted. Please clarify.

A: Submit qualifications at time of bid.

Q: Please confirm that the qualification documentation is to be provided with the Proposal and will

A: Minimum Qualifications should be submitted with the bid.

Q: Please define the proximity of the planned staging area

A: Staging areas are defined in the project phasing plans.

Q: Please identify if the parking area will require employees to be shuttled to the work location.

A: On-site parking will be provided for contractors.

Q: The durations and dates do not match. A 32 week duration from 10/15/12 extends beyond the 378 calendar days for substantial completion. Additionally, a six month duration to complete the entire BHS installation is unrealistic. Please confirm durations and clarify.

A: The notice to proceed (contract execution) is anticipated to be at 4/1/2012. 378 calendar days is from the time of substantial completion of the matrix room (October 15, 2012).

Q: Please confirm that the spare parts allowance is to be added to the Bid Schedule Form.

A: Yes, the spare parts allowance should be added to the Bid Schedule Form. This number should be part of the total provided for Item Number 4 “CBIS/BHS Manufacturing”.

Q: Please provide a site plan indicating the construction access point and define if there are any hourly restriction preventing deliveries to be accepted during scheduled working hours.

A: Access to the site will be through gate 1J, which is directly adjacent to the building addition. It will be manned during working hours, so material deliveries and site access will not be an issue.

Project Manual Book 2 of 2

Q: Please correct to 700 bph - contradicts L3 rate on page 25, which is in agreement with PGDS (N+1) rates with a single mainline at 2100 bph.

A: The EDS machine delivery line (SS lines) shall be capable of delivering 1200 BPH. The 700 BPH is based on a 28” bag with 12” spacing. So smaller bags will have higher throughput. The system has also been designed to handle an EDS upgrade at some point in the future.

BHS Drawings

Q: Please confirm that all baggage handling during Ticket Counter construction will be provided by others.

A: All baggage handling for operational purposes is “by Others”. BHS Contractor is responsible for all baggage handling that is required for testing of the new CBIS.

Q: Please confirm that the NEDS IDF Room is the TSA Data room.

A: The NEDS IDF Room – CBRA on BE-501 is the TSA data room on A201B.

Q: Please confirm that the Network Equipment Room is the MUX Server Room.

A: The Network Equipment Room on BE-502 is the MUX Server Room on A103B.

Employers performing work on public works and publicly funded private construction projects in Wisconsin are required to have a written substance abuse testing program in place. The provisions of this requirement are contained in Sec. 103.503, Wis. Stats. The Department of Workforce Development is neither responsible for enforcement of this law nor authorized to answer questions concerning its provisions. For legal advice on complying with Sec. 103.503, Wis. Stats., you may wish to consult with a private attorney.

103.503 Substance abuse prevention on public works and publicly funded projects. (1) DEFINITIONS. In this section:

(a) "Accident" means an incident caused, contributed to, or otherwise involving an employee that resulted or could have resulted in death, personal injury, or property damage and that occurred while the employee was performing the work described in s. 66.0903 (4), 66.0904 (3), or 103.49 (2m) on a project.

(b) "Alcohol" has the meaning given in s. 340.01 (1q).

(c) "Contracting agency" means a local governmental unit, as defined in s. 66.0903 (1) (d), a state agency, as defined in s. 103.49 (1) (f), or an owner or developer under s. 66.0904 that has contracted for the performance of work on a project.

(d) "Drug" means any controlled substance, as defined in s. 961.01 (4), or controlled substance analog, as defined in s. 961.01 (4m), for which testing is required by an employer under its substance abuse prevention program under this section.

(e) "Employee" means a laborer, worker, mechanic, or truck driver who performs the work described in s. 66.0903 (4), 66.0904 (3), or 103.49 (2m) on a project.

(f) "Employer" means a contractor, subcontractor, or agent of a contractor or subcontractor that performs work on a project.

(g) "Project" means a project of public works that is subject to s. 66.0903 or 103.49 or a publicly funded private construction project that is subject to s. 66.0904.

(2) **SUBSTANCE ABUSE PROHIBITED.** No employee may use, possess, attempt to possess, distribute, deliver, or be under the influence of a drug, or use or be under the influence of alcohol, while performing the work described in s. 66.0903 (4), 66.0904 (3), or 103.49 (2m) on a project. An employee is considered to be under the influence of alcohol for purposes of this subsection if he or she has an alcohol concentration that is equal to or greater than the amount specified in s. 885.235 (1g) (d).

(3) **SUBSTANCE ABUSE PREVENTION PROGRAMS REQUIRED.** (a) Before an employer may commence work on a project, the employer shall have in place a written program for the prevention of substance abuse among its employees. At a minimum, the program shall include all of the following:

1. A prohibition against the actions or conditions specified in sub. (2).

2. A requirement that employees performing the work described in s. 66.0903 (4), 66.0904 (3), or 103.49 (2m) on a project submit to random, reasonable suspicion, and post-accident drug and alcohol testing and to drug and alcohol testing before commencing work on a project, except that testing of an employee before commencing work on a project is not required if the employee has been participating in a random testing program during the 90 days preceding the date on which the employee commenced work on the project.

3. A procedure for notifying an employee who violates sub. (2), who tests positive for the presence of a drug in his or her system, or who refuses to submit to drug or alcohol testing as required under the program that the employee may not perform work on a project until he or she meets the conditions specified in sub. (4) (b) 1. and 2.

(b) Each employer shall be responsible for the cost of developing, implementing, and enforcing its substance abuse prevention program, including the cost of drug and alcohol testing of its employees under the program. The contracting agency is not responsible for that cost, for the cost of any medical review of a test result, or for any rehabilitation provided to an employee.

(4) **EMPLOYEE ACCESS TO PROJECT.** (a) No employer may permit an employee who violates sub. (2), who tests positive for the presence of a drug in his or her system, or who refuses to submit to drug or alcohol testing as required under the employer's substance abuse prevention program under sub.
