This Addendum to the Request for Proposal (FRP) is issued to modify, explain or correct the original Documents, Dated October 24, 2012, and is hereby made part of the Request for Proposal. Acknowledge receipt of this addendum in the Letter of Transmittal, as part of your proposal submission.

1). GENERAL PROJECT DESCRIPTION

Add the third paragraph as follows:

Currently on the west façade of the Criminal Justice Facility, at the base of the building, damaged limestone panels are being replaced by Belfor Construction. From the top of the existing foundation wall the first two limestone panels are being replaced the entire length of the west façade. This current cut stonework is done separate and shall not be considered as part of the Consultants Scope of Services. Attached are photos (for informational use only) of the limestone panel replacement at the base of the west façade.

Add the fourth paragraph as follows:

To protect the new limestone panels that are currently being installed (as stated above) along the base of the west façade, the Consultants Scope of Services shall include designing and detailing of a protective curb that runs the entire length of the west façade. This protective shall be anchored to the existing concrete sidewalk.
