BASE BID DESCRIPTION:

Work of the Contract consists of removal and disposal of existing asphalt at several locations, stripping & stockpiling topsoil, grading/excavating for proposed trail, removal of excess excavated material, placement of stone base material, paving asphalt bike trail, restoring turf adjacent to the paved trail and placement of specified signage. Perform Work of Contract under unit price contract with Owner in accordance with Conditions of Contract. Work of Contract is identified in the following sections and on Drawings. The work in this contract is governed by Part 1 of the Wisconsin Standard Specification for Highway and Structure Construction, latest edition and Milwaukee County Work of Contract, August 15, 2012. In the event there is a conflict between the State and County specifications, the State specifications (OR the stricter of the two) are to be followed.

Milwaukee County will furnish the Agreement form for signatures and bonding. Agreement forms may be reviewed in Architecture, Engineering & Environmental Services Section, Milwaukee County City Campus, 2711 W. Wells St., 2nd Floor, Milwaukee WI 53208. Owner will award single Prime Contract as follows: Contract 1: Bike Trail Construction

The DBD Department concurs with the DBE participation for the above recommended Bid. Please refer to the approved Form DBD-014C attached to the bid recommendation.
