SUBJECT: GMIA Fleet Maintenance Bay Expansion

PROJECT NO.: A148-13005

Dear Gary:

Kindly run the following advertisement in the Daily Reporter one (1) time only.

The Milwaukee County Department of Administrative Services AE&ES Section is requesting proposals to provide professional engineering and construction administration services for the design and construction of the GMIA Fleet Maintenance Bay Expansion located at General Mitchell International Airport. Expansion is a 1500 square foot addition to an existing maintenance bay located at Milwaukee County's General Mitchell International Airport.

Design work includes site pavement removal and replacements, site and building demolition, footings and foundations, slab on grade, pre cast concrete insulated wall panels, overhead coiling doors, fully adhered EPDM roofing, metal decking on steel roof joists, plumbing, fire protection, mechanical, and electrical systems.

A pre-proposal conference is scheduled for Monday February 25, 2013 at 10:30 am in the Hardie Conference Room located in the Airport Administration Wing, 2nd level adjacent to the C Concourse General Mitchell International Airport. Request for Proposal documents may be obtained via the Milwaukee County website at <http://county.milwaukee.gov>. Proposals are due no later than 4:00 pm Friday March 8, 2013.

For further information call 278-4826.

We would appreciate your running the advertisement as soon as possible.

Sincerely,

Paul J. Montalto, P.E.
Project Manager
