**BASE BID DESCRIPTION:**

*Work of the Contract consists of site improvements for the new Hoyt Pool. Improvements include new directionally drilled water main, cleaning existing storm sewer piping, installing a liner in existing sanitary sewer, new storm sewer and catch basins, new parking lot and path lighting, new concrete curb and gutter, pulverizing existing asphalt, paving new asphalt paths and parking lot, placing new concrete walk, installing new bike racks, installing decorative perimeter pool fence and completing all associated grading, stone base installation, erosion control and site restoration.*

The DBD Department concurs with the DBE participation for the above recommended Bid. Please refer to the approved Form DBD-014C attached to the bid recommendation.
