Milwaukee County

JOHN BARRETT • Clerk of Circuit Court/Register in Probate

January 15, 2015

As Clerk of Circuit Court/Director of Court Services for Milwaukee County, I reaffirm my commitment to Equal Employment Opportunity, Affirmative Action and Diversity in the workplace. All employment policies and personnel practices of the Milwaukee County Division of Human Resources shall be non-discriminatory with regard to race, color, religion, national origin, gender, age, sexual orientation, ancestry, creed, marital status, military record, conviction record or disability etc. (except where age, sex, conviction record, or physical requirements constitute a bonafide occupational qualification).

I will strive to implement the principles of Equal Employment Opportunity through an effective Affirmative Action Program. This program is intended to increase the utilization of women, minorities, and disabled persons and all other protected groups at all levels of employment, and in all divisions of the Division of Human Resources where those groups may have been previously underutilized and under-represented.

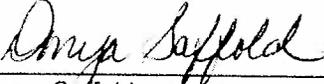

In addition, I pledge the Division of Human Resources will provide the following to employees, applicants, and all others who in any way interact with this office:

1. Equal Employment Opportunity
2. Equal treatment in all matters, including, where possible, equal access to all services and facilities
3. Protection against sexual harassment in compliance with approved guidelines recognized by EEOC and Milwaukee County's Workforce Development Division.
