5 A RESOLUTION FILE NO. 04-492

6 To create the Community and Economic Development (CED) Fund and adopt the Park East
7 Redevelopment Compact (PERC) in order to provide additional sustainable community
8 benefits for the development of the County Park East land.

9
10
11 WHEREAS, Milwaukee County will seek the sale of significant real estate assets,
12 including approximately 16 acres of land in the Park East freeway corridor and these
13 lands represent tremendous assets held in trust by Milwaukee County for the benefit of
14 the citizens of this County. This revenue has been used in various ways, but often it has
15 been used to offset basic operating expense or tax levy; and

16 WHEREAS, while offsetting tax levy to fund operating expense is a tool that is
17 sometimes necessary, such major sales should provide a longer-term and sustainable
18 benefit to the community. True stewardship of these major public resources requires that
19 their sale provide a benefit for the citizens; and

20 WHEREAS, the redevelopment of the Park East land, by itself, using private
21 development, will not take advantage of unique opportunities to provide sustainable
22 community benefits especially to those in most need of jobs; and

23
24 WHEREAS, adoption of the Park East Redevelopment Compact (PERC), as
25 provided in this resolution, will provide the best opportunity to provide increased jobs
26 and tax base not only on this land, but also for the entire community; and

27 WHEREAS, this resolution also provides for the creation of a Community and
28 Economic Development (CED) Fund. The CED (pronounced 'seed') Fund would be
29 comprised of a series of programs designed to address 'gap' needs in the marketplace and
30 it is not intended to reproduce resources that are available either in the commercial
31 marketplace or through other public resources; and

32 WHEREAS, the CED Fund recognizes that there are areas where the market does
33 not make available the resources required for sustainable development and by providing
34 those resources, the Fund seeks to be a catalyst that will enable businesses to develop
35 and grow, communities to prosper, and the lives of all of our citizens to be enriched; and

36 WHEREAS, this Fund would be endowed with all net revenue generated by the
37 sale of land in the Park East Corridor and be used to carry out this resolution for the Park
38 East Redevelopment Compact (PERC); and

APPROVED AS TO FORM

39 WHEREAS, in the future, with the exception of revenue allocated to other
40 purposes by statute, ordinance, resolution, or budget action, revenue produced by the
41 sale of real estate assets (except park land sales) may be allocated to the CED Fund by the
42 County Board at the time of each sale; and

43 The following are some possible uses of the CED Fund:

- 44
- 45 • Minority Business Working Capital
- 46 • Small & Minority Business Contract Financing
- 47 • Housing Development
- 48 • Neighborhood Business Development
- 49 • Economic Development
- 50 • Environmental Mitigation/Brownfields
- 51 • Carry out Park East Redevelopment Compact (PERC); now therefore,
- 52

53 BE IT RESOLVED that this resolution adopts the principle and creation of the
54 Community Economic Development (CED) Fund and adopts the Park East
55 Redevelopment Compact (PERC) with the specifics of the policies and procedures to
56 implement this resolution to be adopted separately by the County Board; and

57 BE IT FURTHER RESOLVED, that the following Park East Redevelopment Compact
58 (PERC) establishes the policies for the sale of the County's Park East land to achieve the
59 goal of providing additional sustainable community benefits for the development of this
60 land:

61 1. Competitive Development Agreements

62 Each parcel of Park East land will be sold through a competitive Request for Proposals
63 (RFP) which shall be reviewed and approved by the County Board. Milwaukee
64 County should not just sell the land for the highest price offered but rather should
65 seek development proposals which will provide the greatest future benefit in jobs, tax
66 base and image for the community, as well as, a fair price. The policies to carry out
67 the PERC will be contained in the RFP and the final legal requirements will be
68 included in each development contract. These contracts will be for 27 years or until
69 the Tax Incremental District (TID) is terminated. (A parcel may be all or part of one or
70 more blocks as contained in the each RFP.)

71

72 2. Cooperation with Existing Organizations

73 Milwaukee County will cooperate with and use existing governmental and private
74 organizations, programs and funding sources whenever possible to carry out these
75 PERC policies.

76

77 3. Community and Economic Development Fund (CED)

78 The County CED fund may be used to carry out these PERC policies whenever other
79 funding is not available. The CED fund is described in other parts of this resolution.

80

- 81
- 82 4. Disadvantaged Business Enterprise (DBE)
- 83 Milwaukee County will include their current DBE policies, as they apply to county
- 84 construction contracts, in all RFP's and development contracts. The Office of
- 85 Community Business Development Partners shall assist in administering this
- 86 provision.
- 87
- 88 5. Enhanced Apprenticeship and Training
- 89 All RFP's and development contracts shall contain additional apprenticeship and
- 90 training requirements, using existing agencies whenever possible. Participation in
- 91 County sponsored training shall meet county established income and residency
- 92 requirements.
- 93
- 94 6. Local Employment and Coordination
- 95 Milwaukee County will hire one or more non-profit community economic
- 96 development agencies to assist in coordinating the DBE, training and local
- 97 employment requirements. All employment vacancies for developers, contractors,
- 98 trainees, owners and tenants, who will work on the County Park East land, will be
- 99 required to be provided to the County and the County's designated coordinating
- 100 agencies, so that they may assist local applicants to apply for these vacancies. This
- 101 requirement will end with the TID.
- 102
- 103 Milwaukee County and many in the community have as a goal that the workforce on
- 104 the Park East property reflect the racial diversity of Milwaukee County. The
- 105 Milwaukee County Board and the community asks and expects businesses and
- 106 contractors to make a good faith effort to employ racial minorities consistent with
- 107 their numbers in the County's workforce. (The 2000 county census population (over
- 108 age 18) was 68.7% White, 20.4% Black, 7.2% Hispanic and 3.7% other). Reports
- 109 will be required to determine whether this goal is being achieved.
- 110
- 111 7. Prevailing Wages and Employment Data
- 112 All RFP's and development agreements will require the payment of prevailing wages
- 113 for construction employees as is now required for most public works projects.
- 114 Developers, owners and tenants will be required to provide an annual report to
- 115 Milwaukee County with the number of non-construction full and part time employees
- 116 working on the Park East project. Milwaukee County will develop the required report
- 117 which will include the wage ranges and whether employees have health or retirement
- 118 benefits. This report will be designed to help measure the job impact of the PERC.
- 119 This requirement will end with the TID.
- 120
- 121 8. Affordable Housing
- 122 Milwaukee County will sponsor the construction of new affordable housing of not less
- 123 than 20% of the total housing units built on the County's Park East lands but they may
- 124 be built on other infill sites in the city of Milwaukee. The County, in each RFP for any

125 given parcel, may require a different percentage of affordable housing or have no
126 requirement at all. The County may use funds from existing housing programs along
127 with County funds to meet this requirement.

128

129 9. Green Space and Green Design

130 Milwaukee County will require that green space and green design be specifically
131 included in all proposals submitted in response to an RFP. The County will consider
132 this information when evaluating and selecting a final developer for each parcel.

133

134 10. Community Advisory Committee and Administration

135 A Community Advisory Committee will be appointed by the Chairman of the County
136 Board, after the adoption of the PERC, which shall advise the County Board on
137 implementing the PERC policies. This committee shall continue until the Tax
138 Incremental District is completed for the PERC area. The Director of Economic and
139 Community Development shall assist this committee in preparing an annual report to
140 the County Board on the effects of the PERC policies. The Director of Economic and
141 Community Development shall administer the PERC agreements with the primary
142 goal to achieve the desired community benefits.

143

144 BE IT FURTHER RESOLVED, that Milwaukee County should seek the input of
145 business and community leaders to assist in carrying out the PERC and CED Fund policies.

DESCRIPTION OF FISCAL EFFECT

In the space below, you must provide the following information. Attach additional pages if necessary.

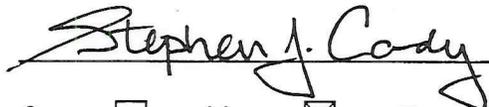

- A. Briefly describe the nature of the action that is being requested or proposed, and the new or changed conditions that would occur if the request or proposal were adopted.
- B. State the direct costs, savings or anticipated revenues associated with the requested or proposed action in the current budget year and how those were calculated.¹ If annualized or subsequent year fiscal impacts are substantially different from current year impacts, then those shall be stated as well. In addition, cite any one-time costs associated with the action, the source of any new or additional revenues (e.g. State, Federal, user fee or private donation), the use of contingent funds, and/or the use of budgeted appropriations due to surpluses or change in purpose required to fund the requested action.
- C. Discuss the budgetary impacts associated with the proposed action in the current year. A statement that sufficient funds are budgeted should be justified with information regarding the amount of budgeted appropriations in the relevant account and whether that amount is sufficient to offset the cost of the requested action. If relevant, discussion of budgetary impacts in subsequent years also shall be discussed. Subsequent year fiscal impacts shall be noted for the entire period in which the requested or proposed action would be implemented when it is reasonable to do so (i.e. a five-year lease agreement shall specify the costs/savings for each of the five years in question). Otherwise, impacts associated with the existing and subsequent budget years should be cited.
- D. Describe any assumptions or interpretations that were utilized to provide the information on this form.

Approval of this resolution will provide for the creation of a Community Economic Development (CED) Fund and the adoption of the Park East Redevelopment Compact (PERC) to help guide the sale and future development of approximately 16 acres of County land in the Park East corridor in the City of Milwaukee.

This resolution does not make any appropriations or obligate any future revenue.
