Major Changes:

The 2016-2018 term of the Milwaukee County Board began at the Organizational Meeting on April 18, 2016, when elected Supervisors were sworn into office and then selected from the body a Chairperson and a First and Second Vice-Chair.

This term is the first where Supervisors will serve two-year terms, rather than four years. This reduction from a four year to a two year term is prescribed by Act 14, which mandated a number of provisions relating to the structure and responsibilities of the County Board.

Act 14 also instituted a tax levy cap of no more than 0.4 percent of the total tax levy with limited exceptions.

Assuming the levy remains flat at the 2016 adopted level of \$286,985,125, the cap on the Board's budget for departmental expenditures is \$1,147,941. Legacy Health, Legacy Pension, and Facilities Crosscharges are exempt from the cap. This year is the first full year that Supervisors' compensation is not exempt from the tax levy cap.

Given the state-imposed budget restrictions, the 2017 budget provides the department funding in a manner that provides staffing flexibility; all staff positions may be filled subject to available appropriations. Expenditures for operations and crosscharges are at the 2016 level and includes an abatement of \$239,011.
