***Milwaukee County Seeks Courthouse Christmas Tree
Annual Courthouse Tree-Lighting to Take Place December 1***

MILWAUKEE – Milwaukee County is searching for a Christmas tree that will adorn the Milwaukee County Courthouse rotunda this winter and be lit at the annual courthouse tree lighting ceremony on December 1. The preferred donor is a Milwaukee County resident.

The ideal tree is symmetrical and stands between 25 and 30 feet tall. The tree has to be easily accessible to be removed by crane (i.e. not located under electrical lines or in a backyard). The Milwaukee County Parks Department will harvest the selected tree at no cost to the owner in early November.

The donor will be chosen on a first come first served basis as long as the tree meets the requirements. To have your tree considered or if you have any further questions, contact Amy Paul at the Milwaukee County Executive's Office at (414) 278-5150.

The Courthouse tree lighting ceremony will take place at 4:30 p.m. in the Courthouse rotunda, 901 N. 9th Street, Milwaukee, and is open to the public.
