WALKER CALLS SPECIAL ELECTION IN 8TH SUPERVISORY DISTRICT

MILWAUKEE – County Executive Scott Walker today issued an Executive Order for a special election in the 8th Supervisory District. The seat is vacant as a result of Ryan McCue’s resignation. McCue was elected Mayor of the City of Cudahy in April.

“This election is critical in giving the communities of Cudahy, Oak Creek, St. Francis and South Milwaukee a voice in the substantial policy debates we will have over the next year,” said Walker. “As we begin to plan for the 2008 budget, the residents of the 8th District will have a voice.”

Under the provisions of Walker’s Executive Order, the election would be held August 7, 2007. Candidates can begin circulating nomination papers on May 23. Nomination papers need to be filed by June 12, with a primary election (if more than 2 candidates file nomination papers) on July 10.

Individuals interested in further information about candidacy should contact the County Election Commission at (414) 278- 4060.
