SECTION 1:

INTRODUCTION

1. INTRODUCTION

Welcome to the Year 2014 Request for Proposal (RFP) process. The Technical Requirements set forth in these guidelines apply to proposals submitted for funding programs under the Department of Health and Human Services (DHHS) Behavioral Health and Community Access to Recovery Services Divisions. The programs for purchase are described in the *Year 2014 Purchase of Service Guidelines: Program Requirements*.

The DHHS RFP process begins with the emailing of an "Interested Parties" letter to all current contractors and interested parties on the DHHS mailing list maintained by Contract Administration, and the publication of media announcements in the *Milwaukee Journal-Sentinel* newspaper. The Interested parties letter is also posted on the County [Business Opportunity Portal](#).

Proposals will be accepted **only** for the programs described as accepting proposals in the *Year 2014 Purchase of Service Guidelines: Program Requirements* (Section 5). The RFP information is organized into seven (7) separate sections plus appendices. Instructions and forms are included in most sections; forms can also be found on the Contract Administration web page at http://county.milwaukee.gov/DHHS_bids

Updates and revisions to this and other RFP related publications will occur through the proposal deadline, and can be viewed at:

<http://www.county.milwaukee.gov/Corrections22671.htm>

This site should be checked frequently, as it is the responsibility of the Proposer to respond to all requirements as they appear in the posted revisions.

ALL PROPOSALS WILL BE REVIEWED AND SCORED AS DESCRIBED IN THE "OVERVIEW OF PROPOSAL REVIEW PROCESS" FOUND IN PART 4 OF THE TECHNICAL REQUIREMENTS unless evaluation criteria is identified with Program Description in Section 5.

CONTRACT TERM AND FUNDING

The County as represented by DHHS intends to use the results of this Request for Proposal (RFP) to award Purchase of Service Contracts up for competitive proposal as listed in Section 5, Program Requirements, of this RFP. The DHHS reserves the right to award multiple contracts for each program in this RFP. Programs awarded contract allocations under this RFP are to be renewed annually upon review of contract compliance, for up to a three-year period (initial contract and up to two continuation funding cycles). Funds have been earmarked in advance to be allocated among the Programs of this RFP. All proposals within a program area will receive equal consideration in the review of proposals and the award of contracts.

The initial contract cycle is estimated at 6 months (July 1 – December 31, 2014). Start date is contingent on conclusion of contract negotiations. The continuation funding cycles will be 12-month cycles on the County fiscal year (January 1 – December 31).

Continued funding for DHHS programs is contingent upon the availability of funds, a satisfactory continuation funding submission (Partial Submission), acceptable program performance, fulfilling required match, if any, review of the program by the applicable division at the end of each contract period, and the respective division administrator's discretion.

PREPARING AND SUBMITTING PROPOSALS

The evaluation and selection of a contractor will be based on the information submitted in the proposal plus references, if applicable, as called for in the Experience Assessment for New Proposer Agency, Items # 29c and 29d. Proposers should respond clearly and completely to all requirements. Failure to respond to each of the requirements in the RFP may be the basis for rejecting a proposal.

Elaborate proposals (e.g. expensive artwork), beyond that sufficient to present a complete and effective proposal, are not necessary or desired.

All proposals for funding **must be received** by the DHHS **no later than 4:00 p.m. CDT on Friday, April 18, 2014**. Late proposals will be rejected. Proposals for all DHHS divisions must be mailed or delivered to: Milwaukee County DHHS, Contract Administration, 1220 West Vliet Street, Suite 300, Milwaukee WI 53205.

All proposals must be typed using the format and the forms presented in this booklet, or the DHHS website. All pages are to be numbered, with each requested item on a separate page. Proposals do not need to be submitted in binders, however each copy should be secured with a binder clip or other securement (please avoid using rubber bands to secure individual copies).

WITH RARE EXCEPTION, ALL SUBMISSION REQUIREMENTS APPLY TO ALL PROGRAMS. If there is any question about the applicability of a particular submission item, contact the Technical Requirements contact person (p. iii) affiliated with the Division with which you are applying. In the case an item is determined **not** to be applicable, include a separate page in the appropriate place indicating this is the case and with whom you spoke. If a separate page is **not** included with this information and the item is **not** submitted with the proposal, it will be considered an omission. Points

will be deducted during the proposal scoring process for all omissions, and depending upon which items are missing, the entire proposal may be removed from consideration.

Proposers applying for **programs up for competitive, panel review: One original plus four copies** of the complete proposal for each program must be submitted on three-hole punched paper for each for which funding is requested. **A list of programs up for competitive, panel review can be found in the introduction to *Program Requirements* (Section 5).**

MODIFICATION OF PROPOSAL

A Proposal is irrevocable until the Contract is awarded, unless the Proposal is withdrawn. Proposers may withdraw a Proposal in writing at any time up to the Proposal due date and time.

To accomplish this, a written request must be signed by an authorized representative of the Proposer and submitted to the RFP Manager. If a previously submitted Proposal is withdrawn before the Proposal due date and time, the Proposer may submit another at any time up to the due date and time.

INCURRING COSTS

Neither Milwaukee County nor its Authorized Representatives are responsible for expenses incurred by a Proposer to develop and submit its Proposal. The Proposer is entirely responsible for any costs incurred during the RFP process, including site visits for discussions, face to face interviews, presentations or negotiations of the Contract.

RENEWAL/DATES OF PERFORMANCE

Contractor shall begin work immediately, subject to conclusion of successful contract negotiation and terminate upon successful completion of the criteria identified in the successful proposal and approved by DHHS, unless the Contract is otherwise renewed or extended, or it is indicated otherwise in the Program Requirements.

DHHS shall have the option of extending any contract for two additional one-year periods under the same terms and conditions, and upon mutual consent of DHHS and the Contractor, for all proposals up for competitive bid in this RFP.

Obligations of DHHS shall cease immediately and without penalty or further payment being required, if in any fiscal year, DHHS, state, or federal funding sources fail to appropriate or otherwise make available adequate funds for any contract resulting from this RFP.

MISCELLANEOUS

The Contractor shall agree that the Contract and RFP shall be interpreted and enforced under the laws and jurisdiction of the State of Wisconsin and will be under Jurisdictions of Milwaukee Courts.

Living Wage: Milwaukee County has a goal that all Purchase of Service contractors pay a Living Wage of no less than \$8.58 per hour to all full-time skilled and unskilled workers employed in any work performed as part of a Milwaukee County purchase

contract. While not a requirement, payment of a living wage will be one of the criteria upon which Proposers shall be evaluated in the review and scoring of proposals.

RFP Document: Proposals submitted by an agency become the property of Milwaukee County at the point of submission. For agencies awarded a contract, the proposal material is placed in an agency master file that becomes part of the contract with DHHS. It will become public information and will be subject to the open records law only after the procurement process is completed and a contract is fully executed. Prior to the conclusion of contract negotiations and the written Notification of Intent to Award a Contract, the proposal is considered a “draft” and is not subject to the open records law.

For agencies not awarded a contract, proposal material will be retained for a period of time as specified by County document retention policies.

PROPRIETARY INFORMATION:

Any restriction on the use of data contained within a request must be clearly stated in the Proposal itself. Proprietary information submitted in response to a request will be handled in accordance with applicable State of Wisconsin procurement regulations and the Wisconsin public records law. Proprietary restrictions normally are not accepted. However, when accepted, it is the Proposer’s responsibility to defend the determination in the event of an appeal or litigation.

Data contained in a proposal, all documentation provided therein, and innovations developed as a result of the contracted commodities or services cannot be copyrighted or patented. All data, documentation and innovations become the property of the Milwaukee County Department of Health and Human Services.

Any materials submitted by the Proposer in response to this RFP that the Proposer considers confidential and proprietary information and which qualifies as a trade secret, as provided in s. 19.36(5), Wis. Stats, or material which can be kept confidential under the Wisconsin public record law, must be identified on the Designation of Confidential and Proprietary Information form. (*see appendices*) Confidential information must be labeled as such. Costs (pricing) always becomes public information when Proposals are opened, and therefore cannot be kept confidential. Any other requests for confidentiality **MUST** be justified in writing on the form provided and included in the Proposal submitted.

COMMUNITY ACCESS TO RECOVERY SERVICES DIVISION**

**SECTION 3:
PROPOSAL SELECTION AND AWARD PROCESS**

3. PROPOSAL SELECTION AND AWARD PROCESS

3.1 PROPOSAL SCORING AND SELECTION PROCESS

All Proposals will first be reviewed by the RFP Manager and/ or his representative to determine if 1) all “Technical Requirements” have been met; 2) the Proposals contain the required forms properly completed; and 3) submittal requirements are met. In the event that none of the Proposals meet one or more of the specified requirements, the DHHS reserves the right to continue the review and scoring of Proposals and to select the Proposals that most closely meet the requirements specified in this RFP.

Proposals that do not comply with instructions or are unable to comply with specifications contained in this RFP may be rejected by DHHS. DHHS may request reports on a Proposer’s financial stability and if financial stability is not substantiated, Milwaukee DHHS may reject a proposal. DHHS retains the right to accept or reject any or all proposals, or to accept or reject any part of a proposal if it is deemed to be in the best interest of DHHS. DHHS shall be the sole judge as to compliance with the instructions contained in this RFP.

REQUEST FOR PROPOSAL REVIEW AND SCORING:

Accepted Proposals will be reviewed and scored by the respective DHHS Departments. A panel of community experts, consumers and county staff will be composed to verify that the proposals meet all specified requirements. This verification may include requesting reports on the Proposer’s financial stability, conducting demonstrations of Proposer’s proposed products and/or services, and reviewing results of past awards to the Proposer by Milwaukee County or other funders. Accepted Proposals will be reviewed by a Review and Scoring Panel and scored against the stated criteria. **A Proposer may not contact any member of the Review Panel except at the RFP Manager’s direction.** A Proposer’s unauthorized contact of a panel member shall be grounds for immediate disqualification of the Proposer’s Proposal. The panel may review references, request oral presentations and use the results in scoring the Proposals. However, DHHS reserves the right to make a final selection based solely upon review and scoring of the written Proposals should it find it to be in its best interest to do so.

Proposals are evaluated against the review and scoring criteria as indicated in section 3.2. Review Panel scores are presented to division administrator(s), who may, or may not recommend the highest scoring proposal(s), to the Milwaukee County Board of Supervisors, if Board approval is required by state statute,

Any contract with a value of at least \$100,000, but not more than \$300,000, to which the County is a party and which satisfies any other statutory requirements, may take effect only if the County Board’s Finance, Personnel and Audit Committee does not vote to approve or reject the contract within 14 days after the contract is signed or countersigned by the Milwaukee County Executive.

If the Board's Finance Committee votes to reject a contract described above, the contract may take effect only if the contract is approved by a vote of the County Board within 30 days after the Board's Finance Committee votes to reject the contract.

Any single contract, or group of contracts between the same parties which generally relate to the same transaction, with a value or aggregate value of more than \$300,000, to which the County is a party and which satisfies any other statutory requirements, may take effect only if it is approved by a vote of the County Board.

The Milwaukee County Board of Supervisors may reject the department's recommendations and ask for an additional review and scoring of proposal(s), or require a reissuance of the RFP for the program(s) being recommended. The County Executive may veto, in part or in whole, the County Board's action.

The Review Panel will be the sole determiner of the points to be assigned. The determination whether any proposal by a Proposer does or does not conform to the conditions and specifications of this RFP is the responsibility of the RFP Manager.

The Review Panel has the right to rely on any narrative, supporting materials or clarifications provided by the Proposer. The Review Panel can ask for oral clarification to supplement written proposal, if it will assist review and scoring procedure.

In addition, the division administrator may convene a second panel to hear oral presentations from the highest-scoring Proposers, based on the initial review and ranking of the proposals by the Review Panel based on the criteria outlined in the RFP.

The Proposer is responsible for any Proposal inaccuracies, including errors in the budget and any best and final offer (if applicable). The DHHS reserves the right to waive RFP requirements or gain clarification from a Proposer, in the event that it is in the best interest of the DHHS to do so.

The DHHS reserves the right to contact any or all Proposers to request additional information for purposes of clarification of RFP responses.

3.2 REVIEW AND SCORING CRITERIA

Proposals submitted in response to this RFP will be evaluated per the process and criteria detailed in Part 4 of *Technical Requirements* (Section 4).

3.3 RIGHT TO REJECT PROPOSALS

The DHHS reserves the right to reject any and all Proposals. This RFP does not commit the DHHS to award a contract or contracts.

3.4 NOTICE OF INTENT TO AWARD

All Proposers who respond to this RFP will be notified in writing of the DHHS's intent to award a contract as a result of this RFP. **A Notification of Intent to Award a contract does not constitute an actual award of a contract, nor does it confer any contractual rights or rights to enter into a contract with the DHHS.**

After Notification of the Intent to Award is made, copies of all Proposals will be made available for other Proposer's inspection subject to proprietary information exclusion

mentioned in **Section 2**. Any such inspection will be conducted under the supervision of DHHS staff. Copies of proposals will be made available for inspection for five working days from the date of issuance of "Notice of Intent to Award" between 8:30 a.m. to 4:00 p.m. at:

Milwaukee County Department of Health and Human Services
Contract Administration
1220 W Vliet Street, Suite 300
Milwaukee, WI 53205

Proposers should schedule inspection reviews with Cleo Stewart, at 414-289-5980 to ensure that space and time are available for the review.

3.5. NEGOTIATE CONTRACT TERMS

The DHHS reserves the right to negotiate the terms of the contract, including the award amount, evaluation process, authorized budget items, and specific programmatic goals, with the selected Proposer(s) prior to entering into a contract. If contract negotiations cannot be concluded successfully with the selected Proposer, the agency may negotiate a contract with another Proposer at the respective division administrator's discretion.

3.6 PROTEST AND APPEALS PROCESS

Only unsuccessful Proposer(s) are allowed to file an appeal. Applicants can only protest or appeal a violation of the procedures outlined in these RFP instructions or in the selection process. Subjective interpretations by the reviewers are not subject to protest or appeal. All appeals must be made in writing and must fully identify the procedural issue being contested. On demand by such appellant(s), DHHS may provide the summary score(s) of review and scoring panel, but in no case will the names of panel members be revealed.

A written appeal, fully documenting the basis for the appeal, must be made in writing. The appeal must be as specific as possible and should identify deviations from published criteria in the selection process or the procedures outlined in these RFP instructions that are alleged to have been violated.

The written appeal should be filed with Héctor Colón, Director, Department of Health and Human Services, 1220 W. Vliet St., Suite 301, Milwaukee, WI 53205, and received in his office no later than five (5) working days after the notice of intent to contract or non-funding is post-marked. Late filing of the appeal will invalidate the protest.

The decision of the DHHS Director will be binding. A Proposer may challenge the decision of the Director, per the process in Section 110 of the Milwaukee County Code of General Ordinances. DHHS may proceed to contract with the Proposer(s) selected even if an appeal is still pending if it is in the best interest of DHHS to do so.

**BEHAVIORAL HEALTH DIVISION
COMMUNITY ACCESS TO RECOVERY SERVICES DIVISION**

**SECTION 4:
TECHNICAL REQUIREMENTS**

4. TECHNICAL REQUIREMENTS

These requirements are for submitting a proposal to DHHS. The DHHS reserves the right to add terms and conditions to the RFP as necessary.

This section contains mandatory requirements that Proposer(s) are required to provide or agree to at NO cost to DHHS. Proposers who cannot, or will not, meet all of these requirements may be disqualified on the grounds of noncompliance.

CERTIFICATION OF INDEPENDENT PRICE DETERMINATION

By signing and submitting a proposal, the Proposer certifies, and in the case of a joint Proposal, each party thereto certifies as to its own organization, that in connection with this RFP:

The prices in this Proposal have been arrived at independently, without consultation, communication, or agreement, for the purpose of restricting competition, as to any matter relating to such prices with any other Proposer or with any competitor;

Unless otherwise required by law, the prices which have been quoted in this Proposal have not been knowingly disclosed by the Proposer and will not knowingly be disclosed by the Proposer prior to opening in the case of an advertised RFP or prior to award in the case of a negotiated procurement, directly or indirectly to any other Proposer or to any competitor; and

No attempt has been made or will be made by the Proposer to induce any other person or firm to submit or not to submit a Proposal for the purpose of restricting competition.

DEVIATIONS AND EXCEPTIONS

Submission of a proposal shall be deemed as certification of compliance with all terms and conditions outlined in the RFP unless clearly stated otherwise in the attached "Statement of Deviations and Exceptions" (*see Appendices*). The DHHS reserves the right to reject or waive disclosed deviations and exceptions.

Deviations and exceptions from original text, terms, conditions, or specifications shall be described fully, on the attached "Statement of Deviations and Exceptions" (*see Appendices*) and attached to the Cover Letter (*item 2*). In the absence of such statement, the Proposal shall be accepted as in strict compliance with all terms, conditions, and specifications and the Proposers shall be held liable.

RESOLUTION REQUIRING BACKGROUND CHECKS ON DEPARTMENT OF HEALTH AND HUMAN SERVICES CONTRACT AGENCY EMPLOYEES PROVIDING DIRECT CARE AND SERVICES TO CHILDREN AND YOUTH

Provisions of the Resolution requiring criminal background checks for current or prospective employees of DHHS contract agencies and agencies/organizations with which the DHHS has reimbursable agreements providing direct care and services to Milwaukee County children and youth were initially passed by the County Board in September, 1999.

In May, 2000, the County Board adopted a modification of the resolution that separates individuals who have committed crimes under the Uniform Controlled Substances Act under Chapter 961 Wisconsin Statutes from the felony crimes referenced in the original Resolution and those referenced under Chapter 948 of the Statutes.

The Resolution shall apply only to those employees who provide direct care and services to Milwaukee County children and youth in the ordinary course of their employment, and is not intended to apply to other agency employees such as clerical, maintenance or custodial staff whose duties do not include direct care and services to children and youth.

1. DHHS contract agencies and agencies/organizations with which the DHHS has reimbursable agreements shall certify, by written statement to the DHHS, that they have a written screening process in place to ensure background checks, extending at least three (3) years back, for criminal and gang activity, for current and prospective employees providing direct care and services to children and youth. The background checks shall be made prior to hiring a prospective employee on all candidates for employment regardless of the person's place of residence.
2. DHHS contract agencies and agencies/organizations with which the DHHS has reimbursable agreements shall certify, by written statement to the DHHS, that they are in compliance with the provisions of the Resolution; that the statement shall be subject to random verification by the DHHS or its designee; and, that the DHHS or its designee shall be submitted, on request, at all reasonable times, copies of any or all background checks performed on its employees pursuant to this Resolution.
3. DHHS contract agencies and agencies/organizations with which the DHHS has reimbursable agreements which do not submit to the DHHS or its designee, copies of any or all background checks, on request, at all reasonable times, pursuant to this Resolution, shall be issued a letter of intent within 10 working days by the DHHS or its designee to file an official 30-day notice of termination of the contract, if appropriate action is not taken by the contract agency towards the production of said documents.
4. DHHS contract agencies and agencies/organizations with which the DHHS has reimbursable agreements shall perform criminal background checks on current employees who provide direct care and services to children and youth by January 31, 2001 and, after 48 months of employment have elapsed, criminal background checks shall be performed every four (4) years within the year thereafter.
5. DHHS contract agencies and agencies/organizations with which the DHHS has reimbursable agreements shall hire prospective employees after January 31, 2001 conditioned on the provisions

stated above for criminal background checks and, after four (4) years within the year thereafter, and for new employees hired after January 31, 2001.

6. DHHS contract agencies and agencies/organizations with which the DHHS has reimbursable agreements which determine that a current or prospective employee was convicted of one or more of the following offenses shall notify the DHHS or its designee immediately. Offenses include: homicide (all degrees); felony murder; mayhem; aggravated and substantial battery; 1st and 2nd degree sexual assault; armed robbery; administering dangerous or stupefying drugs; and, all crimes against children as identified in Chapter 948 of Wisconsin Statutes.
7. DHHS contract agencies and agencies/organizations with which the DHHS has reimbursable agreements which determine that a current or prospective employee was convicted of any other offense not listed in Number 6 shall notify the DHHS or its designee immediately. Offenses include but are not limited to: criminal gang member solicitations; simple possession; endangering public safety; robbery; theft; or, two (2) or more misdemeanors involving separate incidences within the last three (3) years.
8. DHHS contract agency employees and employees of agencies/organizations with which the DHHS has reimbursable agreements who provide direct care and services to children and youth, charged with any of the offenses referenced in Number 6 and Number 7, shall notify the DHHS or its designee within two (2) business days of the actual arrest.
9. Upon notification from a contract agency or from agencies with other reimbursable agreements that their screening process has identified a current or prospective employee with a conviction as stated in Number 6, or a conviction that occurred less than three (3) years from the date of employment as stated in Number 7, the DHHS or its designee shall issue a letter of intent within 10 working days to file an official 30-day notice of termination of the contract if appropriate action is not taken towards the exclusion of said individual from having any contact with children or youth in the direct provision of care and services to children and youth.
10. The DHHS or its designee, upon receipt of notification of potentially disqualifying past criminal misconduct or pending criminal charges as stated in Number 6 and Number 7 of this Resolution, shall terminate the contract or other agreement if, after 10 days' notice to the contract agency, the DHHS or its designee has not received written assurance from the agency that the agency has taken appropriate action towards the convicted current or prospective employee consistent with the policy expressed in this Resolution.
11. DHHS contract agencies and agencies/organizations with which the DHHS has reimbursable agreements which determine that a current or prospective employee was convicted of any crime under the Uniform Controlled Substances Act under Chapter 961 of Wisconsin Statutes, excluding simple possession, and the conviction occurred within the last five (5) years from the date of employment or time of proposal, shall notify the DHHS or its designee immediately.
12. Upon notification from a contract agency or from agencies with other reimbursable agreements that their screening process has identified a current or prospective employee with a conviction under the Uniform Controlled Substances Act under Chapter 961 of Wisconsin Statutes, excluding simple possession, the DHHS or its designee shall issue a letter of intent, within 10 working days, to file an official 30-day notice of termination of the contract if appropriate action is not taken towards the exclusion of said individual from having any contact with children or youth in the direct provision of care and services to children and youth. **Current or prospective employees of DHHS contract agencies or other reimbursable agreements who have not had a conviction within the last five (5) years under the Uniform Controlled Substances Act under Chapter 961 of Wisconsin Statutes, excluding simple possession, shall not be subject to the provisions of this Resolution.**

Item 23 partially comprises the points scored under Cultural Diversity and Cultural Competence

CULTURAL COMPETENCE

ITEM # 23

Cultural Competence - A set of congruent behaviors, attitudes, practices and policies formed within a system, within an agency, and among professionals to enable the system, agency and professionals to work respectfully, effectively and responsibly in diverse situations. Essential elements of cultural competence include valuing diversity, understanding the dynamics of difference, institutionalizing cultural knowledge, and adapting to and encouraging organizational diversity.

Cultural Humility - Cultural Humility recognizes variation within members of a group which may otherwise be similar in terms of race, gender, ethnicity, or other characteristic. The emphasis in Cultural Humility is not on specific knowledge of any given cultural orientation, but rather on an approach which demonstrates a respectful attitude toward diverse points of view, recognizing that groups of individuals cannot be reduced to a set of discrete traits. This approach specifically avoids making broad assumptions about groups based on defined traits or behaviors; instead, it focuses on recognizing and integrating the unique perspective each client brings to the service delivery experience.

Describe your proposed strategy for developing and maintaining Cultural Competence. Apart from having a culturally diverse board and or staff, please provide specific examples of existing and/or proposed policies, procedures, and other practices promoting Cultural Competence. A defining characteristic of Cultural Humility is client centered care. Proposers should describe their client centered approach specifically in terms of how it incorporates Cultural Humility.

EMERGENCY MANAGEMENT PLAN**

ITEM # 24

In order for Agencies under contract with DHHS to be prepared for a natural or man-made disaster, or any other internal or external hazard that threatens clients, staff, and/or visitor life and safety, and in order to comply with federal and state requirements, Agencies shall have a written Emergency Management Plan (EMP). All employees shall be oriented to the plan and trained to perform assigned tasks. **Submit a summary of your Emergency Management Plan (no more than 6 pages) that identifies the steps Proposer has taken or will be taking to prepare for an emergency and address, at a minimum, the following areas and issues:**

1. Agency's order of succession and emergency communications plan, including who at the facility/organization will be in authority to make the decision to execute the plan to evacuate or shelter in place and what will be the chain of command;
2. Develop a continuity of operations business plan using an all-hazards approach (e.g., floods, tornadoes, blizzards, fire, electrical blackout, bioterrorism, pandemic influenza or other natural or man-made disasters) that could potentially affect current operations or site directly and indirectly within a particular area or location;
3. Identify services deemed "essential", and any other services that will remain operational during an emergency (**Note, Agencies who offer case management, residential, or personal care for individuals with medical, cognitive, emotional or mental health needs, or to individuals with physical or developmental disabilities are deemed to be providers of essential services**);
4. Identify and communicate procedures for orderly evacuation or other response approved by local emergency management agency during a fire emergency;
5. Plan a response to serious illness, including pandemic, or accidents;
6. Prepare for and respond to severe weather including tornado and flooding;
7. Plan a route to dry land when a facility or site is located in a flood plain;
8. For residential facilities, identify the location of an Alternate Care Site for Residents/Clients (Note, this should include a minimum of two alternate facilities, with the second being at least 50 miles from the current facility);
9. Identify a means, other than public transportation, of transporting residents to the Alternate Care location (Note, for Alternate Care Sites and transportation, a surge capability assessment and Memorandum of Understanding (MOU) with Alternate Care Site and alternative transportation provider should be included in the development of the emergency plan);
10. Identify the role(s) of staff during an emergency, including critical personnel, key functions and staffing schedules (**Note, in the case of Personal Care Workers, staff should be prepared to accompany the Client to the Alternate Care Site, or local emergency management identified Emergency Shelter**). Provide a description of your agency's proposed strategy for handling fluctuations in staffing needs. Examples may include, but are not limited to: referral networks, flexible staffing, on-call staff, or "pool" workers, and other strategies to expand or reduce physical or staff capacity due to crisis, variations in client volume, or other staffing emergencies;
11. Identify how meals will be provided to Residents/Clients at an Alternate Care Site. In addition, a surge capacity assessment should include whether the Agency, as part of its emergency planning, anticipates the need to make housing and sustenance provisions for the staff and/or the family of staff;

12. Identify how Agencies who offer case management, residential care, or personal care for individuals with substantial cognitive, medical, or physical needs shall assist Clients to individually prepare for an emergency and obtain essential services during an emergency, including developing a Care Plan that includes an emergency plan on an individual level.
13. Ensure that current assessment and treatment plan for each Resident/Client with specific information about the characteristics and needs of the individuals for whom care is provided is available in an emergency and accompanies the Resident/Client to the Alternate Care Site. This should include: Resident identification, diagnosis, acuity level, current drugs/prescriptions, special medical equipment, diet regimens and name and contact of next of Kin/responsible person/POA.
14. Identify staff responsible for ensuring availability of prescriptions/medical equipment and Client information at Alternate Care Site;
15. Communicate and Collaborate with local emergency management agencies to ensure the development of an effective emergency plan (typically the fire chief, or his/her designee); and
16. Collaborate with Suppliers and Personal Services Providers.

Describe, in detail, formal and informal agreements (such as Memoranda of Agreement) which support elements of your plan, as well as any specific examples of tests, drills, or actual implementation of any parts of your plan. Agencies shall have agreements or MOUs with other agencies or operators of Alternate Care Sites and assess the availability of volunteer staff for such emergencies.

Proposers can find resources for EMPs including sample plans, Mutual Aid Agreement and templates at the following websites:

PART 4: OVERVIEW OF PROPOSAL REVIEW PROCESS

PROPOSAL REVIEW AND SCORING CRITERIA

MILWAUKEE COUNTY DEPARTMENT OF HEALTH AND HUMAN SERVICES
REQUEST FOR PROPOSAL REVIEW PROCESS

I. Proposal Review Panel Selection and Representation

A. Proposal Review Panel Selection

Proposals to provide services under a purchase contract for the Department of Health and Human Services shall be evaluated by panel members with familiarity and/or experience in the field of social/human services. Panel members and their immediate families (Spouse, Parent, Child, Sibling or Significant Other) may not have any familial, official, board member, employment, fiduciary or contractual relationships with organizations currently funded by Milwaukee County in the program area for which the Proposer has applied, or hold any ownership, contractual or employment interests in the Proposer or its subsidiaries under consideration. At the discretion of DHHS division administrators, respective program, quality assurance and contract administration staff will serve on Review Panels. Staff will not comprise the majority of panel members. Outside panel members will be selected from various sources including the following:

- community volunteers and representatives;
- representatives of professional and educational organizations;
- representatives of community councils and advocacy organizations.

Recommendations of persons to serve on proposal Review Panels are welcome from appropriate governmental entities, i.e., Community Business Development Partners, etc.

B. Proposal Review Panel Representation

Panel representation to review proposals submitted for contract recommendations shall include:

- minority and culturally diverse representation;
- consumer / service recipient representation or their guardians, if applicable.

The primary role of Department of Health and Human Services program division staff shall be to serve in a consulting capacity to panel members. Respective division or DHHS Contract Administration staff shall convene the panel at a specific time and place to discuss the review process in a group setting, and, following the review, to finalize the proposal ratings prior to averaging the scores. Milwaukee County DHHS staff, as consultants, may provide responses to program and procedural information including:

- past performance of a Proposer;
- Proposer's problem solving and responsiveness to issues;
- program knowledge;
- program needs; and,
- program outcomes and performance reviews.

Using the established review criteria, representatives participating on a Review Panel will score each proposal independently on a preliminary basis, with the final proposal analysis reporting an average score of the proposal.

1. Panel representation for **more than one proposal** submitted to provide the same program or service for the DHHS will include a **minimum of three members**. The panel shall be comprised of as broad a base of community, minority and culturally diverse, consumer/service recipient representation as possible. Based on the discretion of division administrative staff, or on program factors, number of proposals submitted, and minority and culturally diverse representation, etc., panels may be comprised of more than three members including division program or quality assurance staff, and/or DHHS Contract Administration staff. Milwaukee County DHHS staff will not comprise the majority of panel members.
2. Panel representation when **only one proposal is submitted** to provide a particular program or service will be **no more than two members**. If only one proposal is received, and the Proposer is not an incumbent agency, the panel will be comprised of no more than two members, and at least one member must be a community representative.
3. Alternately, if only one proposal is received and the Proposer is an incumbent agency that is the current provider of the program services for which proposals are being requested, DHHS may not convene a panel to score the proposal; however, DHHS staff may review the proposal to verify that the proposal meets all specified requirements. This verification may include requesting reports on the Proposer's financial stability, and reviewing results of past awards to the Proposer by Milwaukee County DHHS and/ or other funders. Continued funding for DHHS programs is contingent upon the availability of funds, a satisfactory continuation funding submission (Partial Submission), acceptable program performance, fulfilling required match, if any, review of the program by the applicable division at the end of each contract period, and the respective division administrator's discretion.
4. Though there is not a competitive review process for programs and services purchased by the DHHS on a multi-year funding cycle or designated provider agencies, the agencies submitting proposals for all divisions are required to submit proposal items identified in the Purchase of Service Guidelines: Technical Requirements. Program, quality assurance and/or Contract Administration staff will perform a screening of items submitted by agencies in this category.

II. General Guidelines

- A. The role of the Review Panel is to rate proposals against the published scoring criteria. These ratings are forwarded to Division Administrators who may accept or dispute them. If a Division Administrator disputes a review and scoring panel's scoring, the panel shall be apprised of the item in dispute, the related

criterion and the basis for the dispute. The panel shall then be reconvened to discuss and evaluate the basis for the dispute and make a determination to uphold or modify their original rating based on any new information presented. Any alteration to the panel's scoring of a proposal shall be noted in the report to the Milwaukee County Board of Supervisors when a contract recommendation is made by the Division Administrator.

- B. The primary measure of the quality of the Proposer's proposal will be specific examples of successful previous experience which relates to the various items in the proposal. Successful previous experience will be measured and scored based on the current and recent County contract performance of Proposers, or, for new Proposers, current and recent non-County contract performance, or, for new organizations, the current and recent experience of senior staff at Proposer's agency.
- C. The review process may include verification of assertions made by the Proposer in the proposal, including but not limited to site visits, record review and interviews and reference checking. The County reserves the right to contact any or all Proposers to request additional information for purposes of clarification of RFP responses.
- D. Reviewers will score proposals against the published criteria, and will not consider non-published criteria.
- E. Criteria to be considered in evaluating proposals include the Proposer's ability to provide the proposed program, the Proposer's proposed program relative to that proposed by other Proposers, and the Proposer's proposed cost to provide the program or service compared to the cost proposed by other qualified Proposers.
- F. For omissions of requested items, Proposers will have scores reduced to 0 for any corresponding review line item, or for requested items which do not have an associated review line item, will receive a reduced score under the "Administrative Ability" section. However, omission of certain requested items may result in proposals not receiving any further consideration.
- G. Division Administrators may consider factors other than scoring in making contract recommendations.

III. Proposal Review and Scoring Criteria for ALL contract divisions

- A. **Administrative Ability – 12 percent.** The Proposer demonstrates evidence of administrative capacity to meet federal, state, county and creditor requirements, including timeliness of required submissions and payment of obligations. Proposer demonstrates an ability to provide timely and accurate monthly client and financial reports. Proposer demonstrates an ability to be responsive to crisis situations, including, but not limited to, variations in client referral volume and serving exceptional cases.

In scoring proposals, for agencies currently under contract with DHHS, reviewers will consider the on time and accuracy rate of Proposer in prior year's required submissions. For new Proposers, reviewers will consider the on time and accuracy rate of Proposer as described by the person providing the required Experience Assessment report (item 29c or 29d). Existing proposers will be rated on the most current evaluation report (item 29e). Additionally, in scoring proposals for Administrative Ability, reviewers will consider the accuracy and completeness of the proposal. Inaccurate or incomplete proposals will receive reduced scores.

In scoring Administrative Ability, reviewers will consider the size, structure, experience, and independence of the board of directors and officers.

The Proposer demonstrates comprehensive emergency preparedness. For full points, Proposer has an existing emergency management plan which includes all required elements, has been tested, and includes specific examples of memoranda of agreement or other formal arrangements for continuity of operations, client care, etc.

Administrative Ability will also be scored based on reviewers' prior experience, if applicable, with Proposer relating to these criteria.

- B. Budget Justification – 13 percent.** The Proposer provides a budget that is accurate, clear, and in sufficient detail. The budget effectively and efficiently supports the level of service, staffing, and the proposed program. The Proposer's proposed cost to deliver the service, compared to other Proposers, reflects the quality and quantity of service to be provided. The reviewer's analysis will include: unit cost comparisons and/or budget overview, total number of units of service to be provided, any limitations on the total number of clients to be served during the contract period.

Budget Justification will also be scored based on reviewers' prior experience, if applicable, with Proposer relating to these criteria.

- C. Cultural Diversity and Cultural Competence – 9 percent.** The program takes actions that show its commitment to the goals of cultural diversity and cultural competence in the workplace, including diversity in staffing practices and Board/committee composition as well as serving a culturally diverse population in a culturally competent manner.

In evaluating Cultural Diversity in proposals, reviewers will consider the representation of racial and cultural minorities in board and staff relative to the representation of racial and cultural minorities in the projected target population, as measured by data on forms Board of Directors, Owners, Stockholders Demographic Summary (Item 5), Client Characteristic Chart (Item 35) and Employee Demographics Summary (Form 2B, Item 27). For full points, Proposer must demonstrate a ratio of board and staff which is greater than or equal to the ratio of racial and cultural minorities in the projected target population. If Proposer receives less than full points for this item, one point will be added to the score if the Proposer can demonstrate proof of specific action(s)

taken within the previous year geared toward increasing board or staff diversity. The action(s) taken must be supported with documentation.

In evaluating Cultural Competence in proposals, reviewers will consider the Proposer's proposed methods for developing and maintaining Cultural Competence as well as the Proposer's history of performance in this area. (Item 23) Proposer must provide specific examples of existing and/or proposed policies, procedures, and other practices, if any, which promote Cultural Competence. For full points, Proposer will have a history of promoting Cultural Competence. Examples of acceptable policies, procedures, and practices can include, but are not limited to: providing in service or other training, or involvement of consumers in policy-making, planning, service delivery, and/or evaluation.

Cultural Diversity and Cultural Competence will also be scored based on reviewers' prior experience, if applicable, with Proposer relating to these criteria.

- D. **Previous Experience – 13 Percent.** The Proposer's experience demonstrates the ability to provide the proposed service to the target group. For Proposers without prior Milwaukee County experience, information will be gathered from Performance Assessments provided by the Proposer following a prescribed format. Documented non-performance or noncompliance under previous contracts will be taken into consideration.

In evaluating experience in proposals, reviewers will consider:

Past Service Experience with similar contracts. Similarity to be measured by looking at specific, detailed examples of **successful** current or recent contracts in terms of: 1) program volume, 2) target population, 3) dollar amount of contract, and 4) service mix. For full points, Proposer currently successfully operates a program which meets or exceeds these four criteria. In evaluating "success" reviewers will consider the content of evaluation and other program reports, as well as Quality Assurance findings and corrective action plans, as applicable.

Previous Experience will also be scored based on reviewers' prior experience, if applicable, with Proposer relating to these criteria.

- E. **Outcomes and Quality Assurance – 13 Percent.** For Proposers with a current or recent County contract, scoring will be based on compliance with submission deadline, required content and overall findings of program evaluation reports for most current contract period (item 29e). For new Proposers or Proposers without a current DHHS contract within the last two years, scores will be derived from item 29c or 29d as applicable.

Outcomes and Quality Assurance will also be scored based on reviewers' prior experience with Proposer, if applicable relating to these criteria.

F. Service Plan and Delivery – 28 Percent.

Review and scoring and scoring of the Service Delivery Plan will consider its:

- Consistency with program objectives as defined by DHHS in the Year 2014 Purchase of Service Guidelines Program Requirements and the contract agency.
- Rationale and theories supporting the program activities. Proposers should use research or other evidence-based support for their program model.

There is a performance improvement plan, which includes measurement of outcomes, and demonstrated use of performance information to improve services and program management. For full points, Proposer must describe service delivery in terms of inputs, processes, outputs, and outcomes, and indicators as described in Items 29a and b.

The agency mission statement (item 8) is shown to be consistent with the Division's or program's mission, values or goals.

Agency either owns service site or has a current lease which expires no earlier than the ending date of the current contract period.

Service Delivery Plan will also be scored based on reviewers' prior experience, if applicable, with Proposer relating to these criteria.

G. Staffing Plan – 12 Percent. The Proposer demonstrates an ability to provide effective staffing and agency oversight, including board review and direct service staff supervision. Staffing levels are adequate, and staff is adequately compensated. Staff are licensed and certified as appropriate, or meet other required qualifications. Direct service staff is appropriately experienced. Proposer's turnover rate of direct service staff and training for direct service staff will be compared and ranked against the other Proposers' proposals. Compensation of lowest paid staff will be compared and ranked against the other Proposers' proposals.

Proposer must include average years of experience and turnover rate for direct service staff. For new agencies without a prior contracting history of any kind, Proposer must indicate the required years of experience for direct service staff proposed for the program. Proposer must indicate what type of training is available to staff, including in-service training, tuition reimbursement (if applicable) benefits and utilization, and other training activities such as conference attendance, etc. For full points, Proposer must indicate the specific type and quantity of training available and utilized by direct service staff during the previous year, and the type and quantity is appropriate.

Staffing Plan will also be scored based on reviewers' prior experience, if applicable, with Proposer relating to these criteria.

* Effective in 2014, the Community Access to Recovery Services Division is established as a separate Division of the Department of Health and Human Services, comprised of the community-based mental health and substance use services previously administered by the Community Services Branch within the Behavioral Health Division. BHD and CARSD are two distinct Divisions within DHHS. Due to the recent change and until further notice, both Divisions remain under the BHD mission and vision statement and program submission requirements on the subsequent pages.

Behavioral Health Division

Vision for the Milwaukee County Behavioral Health Division

The Milwaukee County Behavioral Health Division will be a Center of Excellence for person-centered, quality best practice in collaboration with community partners.

Mission of the Milwaukee County Behavioral Health Division

The Milwaukee County Behavioral Health Division is a public sector system for the integrated treatment and recovery of persons with serious behavioral health disorders.

The Milwaukee County Behavioral Health Division (BHD), part of the Department of Health and Human Services (DHHS), is a public sector system for the integrated treatment and recovery of persons with serious behavioral health disorders. BHD strives to provide patient centered care, adhere to best practice standards and outcomes, promote accountability at all levels, offer recovery support in the least restrictive environment, and coordinate integrated service delivery.

Services that are purchased by BHD are intended to efficiently manage the available resources so that we may best match the priorities of our service area. BHD utilizes its funding to provide a broad continuum of services. BHD will continue to develop and support service models that are evidence-based, culturally competent, and culturally diverse. BHD currently provides mental health services in the following areas:

- Inpatient Services: Nursing Facility Services
- Inpatient Services: Acute Adult/Child Services
- Crisis Services

The BHD has been undergoing a system redesign with the help of numerous community stakeholders. There have already been a number of accomplishments of the redesign process, including the reconfiguration of the acute inpatient hospital units, an added Crisis Stabilization home, and the addition of a post-hospitalization peer follow-along program known as CLASP, and the development of the Access Clinic to provide same-day assessments to all walk-in clients. There are additional recommendations that are still to be implemented, many of which are well underway. At the core of the recommendations is a deliberate and consistent shift toward the community-based, recovery-oriented services.

Furthermore, the Community Access to Recovery Services Division (formerly Community Services Branch of BHD) is in the process of undergoing an internal reorganization. Between 65% to 80% of all clients served in the CARS Division present with both a mental health and substance use disorder. In an effort to deliver services using an integrated care model, the CARS Division will ensure that programs and services are delivered under the systems framework established in Milwaukee Co-occurring Competency Cadre (MC3) to

create a co-occurring-capable system. Emphasis will be placed on assessing an individual for both a mental health and substance use disorder upon intake. The standards of service practice will be rooted in a recovery-oriented philosophy that focuses on a person-centered approach, continuous quality improvement, the use of peers as providers, and a genuine integrated care model.

FOLLOWING PROGRAMS ARE OPEN FOR COMPETITIVE PROPOSAL

Peer-Run Drop-In Center

Program Purpose

The Milwaukee County Community Access to Recovery Services (CARS) Division is soliciting proposals to develop a Peer-Run Drop-In Center (PRDIC) to operate on evenings and weekends. Psychosocial drop-in centers provide a low-pressure environment for education, recreation, socialization, pre-vocational activities, and occupational therapy opportunities for individuals experiencing severe and persistent mental illness and/or co-occurring disorders. They are based on a concept of membership and utilize peer support as a central tenet of the model. Psychosocial drop-in centers are intended to provide individuals with a mechanism of social connectedness so that they may further their own recovery.

A key element of the peer-run concept will be the active engagement of members in the planning, direction, and evaluation of PRDIC activities. Membership in a drop-in center is voluntary, and members decide upon their own level of participation, but there will be a strong and consistent emphasis on members taking initiative and exercising leadership in the management and day-to-day operations of the PRDIC.

PRDIC activities may include: exercise groups, computer and pre-vocational skills, support groups, mental health and substance abuse educational groups, stress management, activities of daily living, arts and crafts, and community-based recreational opportunities. Regular community meetings should be convened to allow members share their ideas and opinions about PRDIC activities, contributing to the improvement of their leadership and decision-making skills.

The PRDIC is expected to provide:

- A safe place and welcoming social setting for individuals with mental health issues and/or co-occurring disorders such as substance use;
- A venue for open conversation and understanding among people with common experiences; and
- Access to basic necessities for members, such as phones, bathrooms, information, and food.

Required Program Inputs, Processes and Program Activities

Applicants must demonstrate at least one year of experience providing social and recreational opportunities to individuals with mental health and/or co-occurring disorders.

Applicants must describe how the PRDIC services will be informed and delivered by persons with lived experience of mental illness and/or co-occurring disorders. Proposals will be

strengthened by a clear presentation of how consumers of PRDIC services (i.e., members) will be integrated into organizational leadership.

The PRDIC must include a Peer Specialist component.

The successful applicant must demonstrate a commitment to participating in the Milwaukee Co-Occurring Competency Cadre (MC3) initiative.

The PRDIC must be operational on evenings and weekends. The PRDIC hours of operation should be consistent, reliable, and well publicized to ensure convenience and maximize utilization.

The successful proposal will demonstrate capacity to provide nutritional snacks to PRDIC members on a regular basis.

Proposals will be strengthened by a clear presentation of capacity to provide recreational and social opportunities for PRDIC members, including on-site programming as well as outings to participate in naturally occurring activities in the community.

The PRDIC must demonstrate the ability to commence a timely orientation process for individuals who express a desire to become members. Consideration should also be given to how eligibility for participation is determined and what policies and procedures should be in place to ensure the integrity and appropriate utilization of the PRDIC.

Applicants should demonstrate accessibility by public transit, and preference may be given to proposals that describe a capacity for pick-up and drop-off services as needed.

The vendor will be reimbursed for expenses up to 1/12 (one-twelfth) of the annualized contract per month. The reimbursement will be for the actual expenses of the 1/12 (one-twelfth) or the contract amount; whichever is lower, based upon a review of the vendor's monthly billing statement. The format of the billing statement will be determined by the CARS Division and may include program staff, occupancy costs, equipment costs and other expenses found to be appropriate. The billing statement shall be submitted on a monthly basis.

Required Documentation

Semi-annual evaluation report must be submitted to include the format and content specified in the *Purchase of Service Guidelines, Technical Requirements*.

Monthly expense reporting is required.

The annual CPA audit is to be shared with DHHS Contract Administration upon completion.

Expected Outcomes

PRDIC members will decrease their incidence of hospitalization.

PRDIC members will increase their socialization opportunities.

PRDIC members will increase their independence via pre-vocational, vocational and activities of daily living opportunities.

PRDIC members will improve their leadership and decision-making skills.

Indicators

The number and percent of members who self-report a decrease in hospitalization, as compared to what was experienced prior to psychosocial drop-in membership.

The number and percent of unduplicated clients who actively participate in planned social activities sponsored by the psychosocial drop-in center.

The number and percent of unduplicated clients who are actively engaged in pre-vocational, vocational and/or activities of daily living opportunities.

The number and percent of members who self-report an improvement in leadership and decision-making skills.

Expected Levels of Outcome Achievement

50% of members who attend the PRDIC during the reporting year will self-report a decrease in their incidence of hospitalization, as compared to what was experienced prior to psychosocial drop-in center membership.

50% of members who attend the PRDIC during the reporting year will be actively engaged in pre-vocational, vocational and/or activities of daily living opportunities.

50% of members who attend the PRDIC during the reporting year will be actively engaged in one or more PRDIC-sponsored social activities annually.

50% of members will self-report an improvement in leadership and decision-making skills.

Access Clinic – South

Program Purpose

The Milwaukee County Behavioral Health Division (BHD) is soliciting proposals to develop a walk-in behavioral health clinic on the south side of Milwaukee (“Access Clinic – South”) to provide same-day crisis interventions, mental health assessments, and service referrals. The Access Clinic – South (ACS) is intended to operate as complement to or extension of the services currently provided by the Access Clinic at the Milwaukee County Mental Health Complex on Watertown Plank Road. The ACS contract is anticipated to begin in July 2014.

The primary goals of the Access Clinic – South are to:

- Provide timely clinical assessments and crisis interventions for individuals experiencing mental illness and co-occurring conditions, including substance use disorders.
- Employ and adequately train qualified clinicians to ensure appropriate determinations of levels of care, i.e., therapy, medication evaluation, or both.
- Make referrals and schedule appointments for consumers to access appropriate health services in the community based on assessed needs and consumer choices.

The essential components of the Access Clinic – South include:

- Establishment of fiscal eligibility for services (i.e., lack of health insurance)
- No denial of access to services due to an inability to pay
- Same-day assessments by a nurse or social worker
- Crisis assessment and strengths-based stabilization planning, utilizing natural supports and available community resources
- Capacity for emergent medication assessment and evaluation when clinically necessary (i.e., timely access to a prescriber)
- On-site AODA screening or referral to a Wisser Choice Central Intake Unit for screening
- Bilingual services in English and Spanish

Required Program Inputs, Processes, and Program Activities

Applicants must hold DHS 35 (Outpatient Mental Health Clinics) certification. Applicants holding DHS 75 (Community Substance Abuse Service Standards) certification may be given preferred consideration.

The ACS shall provide recovery-oriented, trauma-informed, culturally intelligent services that are responsive to the characteristics and needs of the population it serves.

Applicants must provide information about their current participation and ongoing commitment in the Milwaukee Co-Occurring Competency Cadre (MC3).

Proposals will be strengthened by a demonstrable ability to leverage inter-organizational and cross-disciplinary partnerships to address the holistic needs of individuals presenting for mental health assessments. Such partnerships may enable the primary contractor to connect

clients with other resources in the community, possibly including (but not limited to) primary health care, benefits counseling, community centers, and other social and spiritual supports.

The successful proposal will demonstrate capacity to establish a welcoming entry point to the behavioral health system for persons with complex conditions, particularly co-occurring mental health and substance use disorders.

Preference will be given to proposals that describe a capacity to provide direct services to the consumer until his or her referral appointment at the assigned provider.

Knowledge of the Milwaukee County Mental Health Outpatient Program (MHOP) services and referral processes is essential.

The contractor will determine the most appropriate hours of operation to meet the needs of its consumers.

Services will be delivered for as long as is clinically indicated or until care is successfully transferred to another provider for ongoing treatment.

Hours of operation should accommodate the periods of highest volume and should be well advertised in various media, including the internet, 2-1-1, and printed brochures or flyers.

It is anticipated that the ACS will be open to clients approximately 16-24 hours per week.

The ACS must be located on the south side of Milwaukee County. Preference may be given to proposals within the City of Milwaukee based on higher concentrations of service recipients.

Units of service are defined and billed in 0.25-hour increments.

Funds provided under this contract may only be used to provide services to persons without health insurance.

Required Documentation

Documentation in client service records shall be done in accordance with DHS 35.23.

The ACS must maintain the confidentiality of client service records in accordance with 45 CFR Parts 160, 162, and 164 (HIPAA), Wis. Stat. 51.30, and Chapter DHS 92.

A semi-annual evaluation report must be submitted to include the format and content specified in the *Purchase of Service Guidelines, Technical Requirements*.

Total number of individuals receiving assessments on a walk-in basis (between ACS and the existing Access Clinic) will increase.

More Spanish-speaking individuals will receive clinical assessments and will access behavioral health services.

More individuals will develop crisis plans.

Indicators

80% of ACS consumers will report satisfaction with convenience and accessibility.

Combined ACS and Access Clinic (BHD) utilization will increase by 10% over baseline Access Clinic utilization.

The ACS and Access Clinic (BHD) will serve 25% more Spanish-speaking clients.

The ACS and Access Clinic will increase the number of crisis plans on file by 10%.

Please note that failure to provide the specified program expected outputs or achieve the specified program outcomes will not result in punitive action, provided there is adequate explanation of the problems involved in attaining these expected outcomes, as well as a step-by-step plan of correction to attempt to redress the shortcomings. The vendor is expected to work with the Behavioral Health Division of Milwaukee County to develop and achieve this corrective action plan.

Consumer Satisfaction

The contractor shall have a process for confidentially collecting and recording indications of satisfaction with the services provided by the program. This process may include any of the following:

- Short in person interviews with persons who have received services.
- Evaluation forms to be completed and returned by individuals after receiving services.
- Follow up phone conversations.

Crisis Mobile Team Expansion

Program Purpose

The Milwaukee County Behavioral Health Division is seeking proposals for a contracted agency to operate a mobile team to provide crisis response and intervention services for adults in the community on an outreach basis, augmenting services provided by the County-operated Crisis Mobile Team. The contracted Crisis Mobile Team Expansion (CMTE) will supplement County-operated services by providing overnight (12:00 to 7:00 a.m.) coverage.

Required Program Inputs, Processes and Program Activities

The contracted agency will furnish a team to provide daily coverage from 12:00 a.m. to 7:00 a.m. to respond to dispatches from the BHD Crisis Line. The team on duty is to be comprised of at least two (2) Master's-level clinicians – LCSW, LPC, or LMFT – with a minimum of three years of experience in mental health assessment, with a preference for crisis experience.

The successful applicant will describe how to ensure compliance with all aspects of Chapter DHS 34 related to staff qualifications, training, supervision, and documentation of services.

The CMTE will be supervised and administered by the contracted agency selected through this RFP process, with the ongoing support and general direction of BHD Crisis Services.

The CMTE will be dispatched via the BHD Crisis Line to provide on-site, in-person interventions in situations of potential or actual mental health crises that are not immediately life-threatening, or in response to a request by law enforcement for consultation and assessment in potential Emergency Detention (Chapter 51) situations.

The CMTE assesses the safety of the situation and gathers pertinent information from the individual in crisis, the person(s) who placed the call for intervention, and any other significant others on-site or otherwise engaged in the situation, such as law enforcement. In an unsafe situation, the CMTE should contact the police directly.

During initial contact with an individual who may be experiencing a mental health crisis, the CMTE gathers and documents sufficient information to assess the individual's status and needs and to prepare and implement a response plan.

The successful applicant will describe how the CMTE can help an individual manage his or her crisis in the community and minimize disruption to his or her usual functioning. Applicants should also describe their capacity to provide or arrange for client transportation to a hospital in situations in which an on-site response is insufficient to resolve a crisis.

While on-site at a crisis intervention, the CMTE may maintain contact with BHD Crisis Services (via the Crisis Line) and consult with a staff psychiatrist in Psychiatric Crisis Service.

If the CMTE responds to a crisis situation involving an individual already receiving mental health services in the community, the team is expected to notify the individual's current mental health provider and document that communication. In a non-crisis situation, the CMTE will request permission from the consumer to contact his or her service provider. Applicants

should present strategies for making community linkages if an individual is not connected to community-based services at the time of the crisis.

The CMTE is responsible for apprising BHD Crisis Services of special accommodation needs on-site (if not addressed at the time of the dispatch), such as interpretive services for hard-of-hearing or non-English-speaking consumers.

The successful applicant will demonstrate how a person-centered, recovery-oriented, trauma-informed, and culturally intelligent philosophy would be applied in crisis response services.

Applicants should demonstrate familiarity with diverse community resources, both formal and informal, that could be accessed and delivered for persons experiencing mental health crises.

Required Documentation

The contracted agency must maintain certification under DHS 34.03, and all staff provided by the contractor must conform to the requirements of DHS 34.21 with regards to qualifications, training, and supervision of staff providing crisis services.

The CMTE must prepare and maintain records, including contact information, incident logs, progress notes, and individual crisis/safety plans, and will be expected to provide statistics and other data as required by BHD Crisis Services.

The contracted agency will maintain familiarity and compliance with BHD policies regarding patient confidentiality, in accordance with state and federal laws, including (but not limited to) 45 CFR Parts 160, 162, and 164 (HIPAA), Wis. Stat. 51.30, and Chapter DHS 92.

Applicants should demonstrate willingness and capacity to document the contracted services electronically and to interface with the electronic health records system at the Behavioral Health Division, pending full implementation.

Expected Outcomes

- Resolution of mental health crisis
- Reduction in PCS visits among clients served
- Connecting individuals with various mental health resources to respond to crisis situations and minimize the risk of further crisis
- Increased utilization of mobile crisis services by law enforcement

Indicators

- Number of crisis service contacts following initial mobile contact
- Number of PCS visits among clients served
- Documentation showing engagement with natural or professional supports
- Number of requests by law enforcement for consultation and assessment

Expected Levels of Outcome Achievement

- 20% reduction in the average number crisis events (following initial contact), including mobile crisis responses and psychiatric emergency department visits

- 20% reduction in PCS visits
- At least two (2) new or reemphasized connections per person (on average) with natural or professional supports to prevent further crisis situations
- 20% increase in requests by law enforcement for consultation and assessment

Section 6.2: Annual Audit Requirements

General Requirements

Milwaukee County DHHS requirements

Audit Waiver

SECTION 6.2: ANNUAL AUDIT REQUIREMENTS

6.2.1. General Requirements

Annual audits of contract agencies receiving \$25,000 or more from Milwaukee County Department of Health and Human Services are required per Wisconsin Statutes, Section 46.036(4)(c). Those audits are to be performed in accordance with the requirements of the Wisconsin *Provider Agency Audit Guide (PAAG), 1999 revision issued by WI Department of Corrections and Workforce Development or Department of Health Service Audit guide DHSAG) latest revision* issued by Wisconsin Departments of Health Services.

The PAAG/DHSAG includes the following audit reports and schedules:

- Auditor's Opinion on Financial Statements and Supplementary Schedule of Expenditures of Federal and State Awards.
- Financial Statements of the Overall Agency.
- Schedule of Expenditures of Federal and State Awards.
- Incorporated Group Home/Child Caring Institution Supplemental Schedule.
- Reserve Supplemental Schedule.
- Report on Compliance and on Internal Control over Financial Reporting Based on an Audit of Financial Statements in Accordance with Governmental Auditing Standards and the Provider Agency Audit Guide.
- Schedule of Prior Year Findings.
- Schedule of Current Year Findings.
- Corrective Action Plan.
- Schedule of Findings and Questioned Costs.

6.2.2. Milwaukee County Department of Health and Human Services Requirements

The allowability of costs is determined by the Federal Allowable Cost Principles found in *O.M.B. Circular A-122* for non-profit agencies and the Code of Federal Regulations *48 CFR part 31* for for-profit entities, and State Allowable Cost Principles found in the *Allowable Cost Policy Manual* issued by the Wisconsin Department of Health and Family Services and *Allowable Cost Policy Manual* Issued by Department of Children and Families. Purchase of Service Contracts effective January 1, 2006 and later also limit the allowability of costs based on variance from the approved budget(s).

The annual audit report shall contain a budget variance and reimbursable cost calculation for each program contracted, as identified as a separate line item in Attachment I of the Purchase of Service Contract. Such report shall follow the prescribed format, and determine the budget variance for each line item within the approved budget. Costs allowable under State and Federal Allowable Cost guidelines that exceed the approved budget by the greater of (1) 10% of the specific budget line item or (2) 3% of the total budget amount are deemed unallowable and not reimbursable under this contract. In no event shall the reimbursable amount exceed the contract amount.

An annual audit report in which the Schedule of Program Revenues and Expenses omits information or presents line-item information utilizing classifications not in strict adherence to those found in Budget Form 3 will place the Contractor out of compliance with the contract.

In past years, many auditors have prepared audited financial statements and supplementary schedules with total disregard to the requirements in the contract. This has placed many Contractors in technical non-compliance. Effective with 2006 Purchase of Service Contracts, such deviations from the contract requirements may cause budget variances, resulting in fiscal recoveries owed DHHS that would not be owed if the auditor had complied with the requirements of the contract. **IT IS IMPORTANT THAT YOUR AUDITOR READ THE CONTRACT, THIS SUPPLEMENT, AND AGREE TO ABIDE BY THESE REQUIREMENTS.**

In order to implement these limitations on the allowability of costs, additional schedules are required in your annual audit. These schedules must conform specifically as laid out, and cannot combine individual line items. The line items **must** conform precisely to the line items found in the *Anticipated Program Expenses*, Budget Form 3 for each individual program. A separate schedule must be prepared for each program award. **MULTIPLE PROGRAMS MAY NOT BE COMBINED INTO A SINGLE SUPPLEMENTAL SCHEDULE.**

Audited financial statements and supplementary schedules are the representation of management, not the auditor. Although auditors often prepare the financial statements and schedules on behalf of management, the accuracy and compliance of the financial statements are still the responsibility of management. If auditor prepared supplementary schedules deviate from the required content and level of detail, it is quite possible the Contractor Agency will have unallowable costs and owe money back to Milwaukee County DHHS, simply because of the deficient reports. Please be sure your auditor is aware of the required schedules, their required content and the required level of detail. These schedules are your representation and responsibility; **you are the party responsible for their content and preparation, not your auditor.**

6.2.3. Examples of properly and improperly reported schedules.

Following are examples of properly and improperly prepared Supplementary Schedules of Program Revenue and Expense. These are all examples of reports based on the same underlying costs. The Contractor Agency in this example spent the contract amount; within allowable budget variance levels, on allowable expenditures, and when the Schedule of Program Revenue and Expense is properly prepared, owes no money back. All of the fiscal recoveries are the result of improperly prepared audit reports.

6.2.4. Audit Waiver

Wisconsin Statute 46.036 requires an audit from providers that receive more than \$25,000 from the Department of Health and Human Services or from a county. The statute allows the department to waive audits on a case-by-case basis. The waiver of the audit may be appropriate in certain circumstances, some of which are given below. The audit waiver criteria don't apply to Group Homes and Child Caring Institutions that provide out of home residential care for children. In addition, audits required under the Single Audit Act Amendment of 1996 cannot be waived (this refers to Single Audits under OMB Circular A-133 for agencies expending more than \$500,000 of federal funding).

If the provider does not need to have a federal audit, the audit may be waived when:

- Provider is identified as a low risk, (Sole Proprietor/ Single member LLC, or with funding around \$100,000, paid on a unit rate, alternative forms of financial reports are submitted, prior experiences, certain CBRF, AFH etc.)
- Provider agency agrees to increased or alternate form of reporting/monitoring efforts,
- Provider is funded solely with federal funds below the \$500,000 threshold,
- Department's funding is a very small part of provider's overall business,
- The audit will create a financial hardship on the provider, (e.g. audit fee more than 5% of funding).
- Audited information is not needed, due to alternate source(s) being available,
- The agency does not operate a Group Home or Child Caring Institution.

As stated earlier, the waiver will be allowed on case-by-case basis. A request for waiver may be submitted to Contract Administration, Department of Health and Human Services on the attached Audit Waiver Request form before the due date of the audit. The form is also available on the web at <http://county.milwaukee.gov/ContractMgt15483.htm>. The Audit Waiver Request form may be completed electronically and submitted as an email attachment to sumanish.kalia@milwcnty.com, or faxed to DHHS Contract Administration at (414) 289-8574.

SECTION 6.3: REQUIRED ANNUAL AUDIT SCHEDULES

6.3.1 Schedule of Program Revenue and Expense

Prepare a separate Program Revenue and Expense Schedule for each program contracted. Each program contracted is represented by a separate line item on Exhibit I of the Purchase of Service Contract, and had has a separate Budget Form 3 in the proposal submission. **DO NOT COMBINE MULTIPLE PROGRAMS INTO A SINGLE PROGRAM REVENUE AND EXPENSE SCHEDULE.**

Specific Instructions

Actual. In the column labeled “Actual”, report the actual costs incurred for the program during 2011 or the fiscal period ending in 2011. Do not include costs unallowable under the allowable costs principles contained in the *Allowable Cost Policy Manual, 1999 revision, O.M.B. Circular A-122 or Code of Federal Regulations 48 CFR part 31.*

Approved Budget. In the column labeled “Approved Budget”, report the latest approved budget for the program, as calculated on Budget Forms 3 and 4. If you need to combine information from more than one Form 3 and Form 4 in order to encompass the entire budget for this program, **STOP.** Two or more programs have been combined in the report. The total actual expenses reported in this schedule will be compared to one and only one program budget. **MONEY WILL BE OWED BACK TO MILWAUKEE COUNTY.** Prepare a separate Program Revenue and Expense Schedule for each individual program.

Variance from Budget. In the column labeled “Variance From Budget” report the difference between the actual expenses incurred and the approved budget. Actual expenses in excess of the approved budget will be reported as positive amounts; actual expenses less than the approved budget amount will be reported as negatives.

Revenues. Report program revenues for all services performed in 2012 identified by the line items indicated. **DO NO COMBINE LINE ITEMS.** These line items correspond to the budget forms submitted with the original proposal, were part of the basis used in determining the contract amount and/or rate, and are incorporated into your contract by reference.

Expenses. Report program expenditures for all services performed in 2012 identified by the line items indicated. **DO NO COMBINE LINE ITEMS.** These line items correspond to the budget forms submitted with the original proposal, were part of the basis used in determining the contract amount and/or rate, and are incorporated into your contract by reference. As indicated in the examples previously presented, combination of line items may result in un-allowability of otherwise allowable costs.

DESIGNATION OF CONFIDENTIAL AND PROPRIETARY INFORMATION

The attached material submitted in response to the 2014 RFP includes proprietary and confidential information, which qualifies as a trade secret, as provided in s. 19.36(5), Wis. Stats. or is otherwise material that can be kept confidential under the Wisconsin Open Records Law. As such, we ask that certain pages, as indicated below, of this proposal response be treated as confidential material and not be released without our written approval.

Prices always become public information when proposals are open, and therefore cannot be kept confidential.

Other information cannot be kept confidential unless it is a trade secret. Trade secret is defined in s. 134.90(1)(c). Wis. Stats. As follows: "Trade secret" means information, including a formula, pattern, compilation, program, device, method, technique or process to which all of the following apply:

1. The information derives independent economic value, actual or potential, from not being generally known to, and not being readily ascertainable by proper means by, other persons who can obtain economic value from its disclosure or use.
2. The information is the subject of efforts to maintain its secrecy that are reasonable under the circumstances.

We request that the following pages not be released:

Section	Page #	Topic
---------	--------	-------

IN THE EVENT THE DESIGNATION OF CONFIDENTIALITY OF THIS INFORMATION IS CHALLENGED, THE UNDERSIGNED HERBY AGREES TO PROVIDE LEGAL COUNSEL OR OTHER NECESSARY ASSISTANCE TO DEFEND THE DESIGNATION OF CONFIDENTIALITY AND AGREES TO HOLD MILWAUKEE COUNTY HARMLESS FOR ANY COSTS OR DAMAGES ARISING OUT OF MILWAUKEE COUNTY'S AGREEMENT TO WITHHOLD THE MATERIALS.

Failure to include this form in the RFP may mean that all information provided as part of the proposal response will be open to examination and copying. Milwaukee County considers other markings of confidential in the proposal document to be insufficient. The undersigned agrees to hold Milwaukee County harmless for any damages arising out of the release of any materials unless they are specifically identified above.
