INTRODUCTION

1. INTRODUCTION

Welcome to the Year 2014 DCSD 017 Group Care – Transitional Living, DCSD 018 Evening Reporting Center, and DCSD 019 Community Service and Restitution Coordination request for proposals (RFP) process. The Technical Requirements set forth in these guidelines apply to proposals submitted for funding the three aforementioned programs under the Department of Health and Human Services (DHHS), Delinquency and Court Services Division. These programs are described in the *Year 2014 Purchase of Service Guidelines: Program Requirements* section of this document.

The DHHS RFP process begins with the emailing of an "Interested Parties" letter to all current contractors and interested parties who have enrolled as such in the E-Notify system, and the publication of media announcements in the Milwaukee Journal-Sentinel newspaper. The "Interested Parties" letter is also posted on the County Business Opportunities Portal.

Proposals will be accepted **only** for the programs described as accepting proposals in the *Year 2014 Purchase of Service Guidelines: Program Requirements*, Section 5. The RFP information is organized into SEVEN (7) separate sections plus appendices. Instructions and forms are included in most sections; forms can also be found on the Contract Administration web page at:

http://county.milwaukee.gov/DHHS_bids

Updates and revisions to this and other RFP related publications will occur through the proposal deadline, and can be viewed at:

<http://www.county.milwaukee.gov/Corrections22671.htm>

This site should be checked frequently, as it is the responsibility of the Proposer to respond to all requirements as they appear in the posted revisions.

ALL PROPOSALS WILL BE REVIEWED AND SCORED AS DESCRIBED IN THE "OVERVIEW OF PROPOSAL REVIEW PROCESS" FOUND IN PART 4 OF THE TECHNICAL REQUIREMENTS unless evaluation criteria is identified with Program Description in Section 5.

CONTRACT TERM AND FUNDING

The County as represented by DHHS intends to use the results of this Request for Proposal (RFP) to award Purchase of Service Contracts up for competitive proposal as listed in Section 5, Program Requirements, of this RFP. The DHHS reserves the right to award multiple contracts for each program in this RFP. Programs awarded contract allocations under this RFP are to be renewed annually upon review of contract compliance, for up to a four-year period (initial contract and up to three continuation funding cycles). Funds have been earmarked in advance to be allocated among the Programs of this RFP. All proposals within a program area will receive equal consideration in the review of proposals and the award of contracts.

The initial contract cycle is estimated at 8 months (May 1, 2014 – December 31, 2014). The start date is contingent on successful conclusion of contract negotiations. The continuation funding cycles will be 12-month cycles on the County fiscal year (January 1 – December 31).

Continued funding for DHHS programs is contingent upon the availability of funds, a satisfactory continuation funding submission (Partial Submission), acceptable program performance, fulfilling required match, if any, review of the program by the applicable division at the end of each contract period, and the Delinquency and Court Services Division Administrator's sole discretion.

PREPARING AND SUBMITTING PROPOSALS

The evaluation and selection of contractors will be based on the information submitted in the proposal plus references, if applicable (such as called for in the Experience Assessment for New Proposer Agency, Items # 29c and 29d, or in individual program descriptions). Proposers should respond clearly and completely to all requirements. Failure to respond to each of the requirements in the RFP may be the basis for rejecting a proposal.

Elaborate proposals (e.g. expensive artwork), beyond that sufficient to present a complete and effective proposal, are not necessary or desired.

All proposals for funding **must be received** by the DHHS **no later than 4:00 p.m. CST on Friday, March 7, 2014**. Proposals will be time-stamped upon delivery and late proposals will be rejected. Proposals for all DHHS divisions must be mailed or delivered to: Milwaukee County DHHS, Contract Administration, 1220 West Vliet Street, Suite 300, Milwaukee WI 53205.

All proposals must be typed using the format and the forms presented in this booklet, or the DHHS website. All pages are to be numbered, with each requested item on a separate page. Proposals do not need to be submitted in binders, however each copy should be secured with a binder clip or other securement (please avoid using rubber bands to secure individual copies).

WITH RARE EXCEPTION, ALL SUBMISSION REQUIREMENTS APPLY TO ALL PROGRAMS. If there is any question about the applicability of a particular submission item, contact the Technical Requirements contact person (p. iii) affiliated with the Division with which you are applying. In the case an item is determined **not** to be applicable, include a separate page in the appropriate place indicating this is the case and with whom you spoke. If a separate page is **not** included with this information and the item is **not** submitted with the proposal, it will be considered an omission. Points will be deducted during the proposal scoring process for all omissions, and depending upon which items are missing, the entire proposal may be removed from consideration.

Proposers applying for **programs up for competitive, panel review**: **One original plus four copies** of the complete proposal for each program must be submitted on three-hole punched paper for each program within each division (Delinquency and Court Services Division) for which funding is requested. **A list of programs up for competitive, panel review can be found in the introduction to *Program Requirements (section 5)*.**

MODIFICATION OF PROPOSAL

A Proposal is irrevocable until the Contract is awarded, unless the Proposal is withdrawn. Proposers may withdraw a Proposal in writing at any time up to the Proposal due date and time.

To accomplish this, a written request must be signed by an authorized representative of the Proposer and submitted to the RFP Manager. If a previously submitted Proposal is withdrawn before the Proposal due date and time, the Proposer may submit another at any time up to the due date and time.

INCURRING COSTS

Neither Milwaukee County nor its Authorized Representatives are responsible for expenses incurred by a Proposer to develop and submit its Proposal. The Proposer is entirely responsible for any costs incurred during the RFP process, including site visits for discussions, face-to-face interviews, presentations or negotiations of the Contract.

RENEWAL/DATES OF PERFORMANCE

Contractor shall begin work on May 1, 2014, subject to conclusion of successful contract negotiations and terminate December 31, 2014, unless the Contract is

otherwise renewed or extended, or it is indicated otherwise in the Program Requirements.

DHHS shall have the option of extending the contract for three additional one-year periods under the same terms and conditions, and upon mutual consent of DHHS and the Contractor, for all proposals up for competitive bid in this RFP.

Obligations of DHHS shall cease immediately and without penalty or further payment being required, if in any fiscal year, DHHS, state, or federal funding sources fail to appropriate or otherwise make available adequate funds for any contract resulting from this RFP.

MISCELLANEOUS

The Contractor shall agree that the Contract and RFP shall be interpreted and enforced under the laws and jurisdiction of the State of Wisconsin and will be under Jurisdictions of Milwaukee Courts.

Living Wage: Milwaukee County has a goal that all Purchase of Service contractors pay a Living Wage of no less than \$8.58 per hour to all full-time skilled and unskilled workers employed in any work performed as part of a Milwaukee County purchase contract. While not a requirement, payment of a living wage will be one of the criteria upon which Proposers shall be evaluated in the review and scoring of proposals.

RFP Document: Proposals submitted by an agency become the property of Milwaukee County at the point of submission. For agencies awarded a contract, the proposal material is placed in an agency master file that becomes part of the contract with DHHS. It will become public information, and will be subject to the open records law only after the procurement process is completed and a contract is fully executed. Prior to the conclusion of contract negotiations and the written Notification of Intent to Award a Contract, the proposal is considered a "draft" and is not subject to the open records law.

For agencies not awarded a contract, proposal material will be retained for a period of time as specified by County document retention policies.

PROPRIETARY INFORMATION:

Any restriction on the use of data contained within a request must be clearly stated in the Proposal itself. Proprietary information submitted in response to a request will be handled in accordance with applicable State of Wisconsin procurement regulations and the Wisconsin public records law. Proprietary restrictions normally are not accepted. However, when accepted, it is the proposer's responsibility to defend the determination in the event of an appeal or litigation.

Data contained in a proposal, all documentation provided therein, and innovations developed as a result of the contracted commodities or services cannot be copyrighted or patented. All data, documentation and innovations become the property of the Milwaukee County Department of Health and Human Services.

Any materials submitted by the proposer in response to this RFP that the Proposer considers confidential and proprietary information and which qualifies as a trade secret, as provided in s. 19.36(5), Wis. Stats, or material, which can be kept confidential under the Wisconsin public record law, must be identified on the Designation of Confidential and Proprietary Information form. (*see appendices*) Confidential information must be labeled as such. Costs (pricing) always becomes public information when Proposals are opened, and therefore cannot be kept confidential. Any other requests for confidentiality MUST be justified in writing on the form provided and included in the Proposal submitted.

DELINQUENCY AND COURT SERVICES DIVISION

SECTION 3:

PROPOSAL SELECTION AND AWARD PROCESS

3. PROPOSAL SELECTION AND AWARD PROCESS

3.1 PROPOSAL SCORING AND SELECTION PROCESS

All Proposals will first be reviewed by the RFP Manager and/or his representative to determine if 1) all “Technical Requirements” have been met; 2) the Proposals contain the required forms properly completed; and 3) submittal requirements are met. In the event that none of the Proposals meet one or more of the specified requirements, the DHHS reserves the right to continue the review and scoring of Proposals and to select the Proposals that most closely meet the requirements specified in this RFP.

Proposals that do not comply with instructions or are unable to comply with specifications contained in this RFP may be rejected by DHHS. DHHS may request reports on a Proposer’s financial stability and if financial stability is not substantiated, Milwaukee County DHHS may reject a proposal. DHHS retains the right to accept or reject any or all proposals, or to accept or reject any part of a proposal if it is deemed to be in the best interest of DHHS. DHHS shall be the sole judge as to compliance with the instructions contained in this RFP.

REQUEST FOR PROPOSAL REVIEW AND SCORING:

Accepted Proposals will be reviewed and scored by the respective DHHS Departments. A panel of community experts, consumers and county staff will be composed to verify that the proposals meet all specified requirements. This verification may include requesting reports on the Proposer’s financial stability, conducting demonstrations of Proposer’s proposed products and/or services, and reviewing results of past awards to the Proposer by Milwaukee County or other funders. Accepted Proposals will be reviewed by a Review and Scoring Panel and scored against the stated criteria. **A Proposer may not contact any member of the review panel except at the RFP Manager’s direction.** A Proposer’s unauthorized contact of a panel member shall be grounds for immediate disqualification of the Proposer’s Proposal. The panel may review references, request oral presentations and use the results in scoring the Proposals. However, DHHS reserves the right to make a final selection based solely upon review and scoring of the written Proposals should it find it to be in its best interest to do so.

Proposals are evaluated against the review and scoring criteria as indicated in 3.2. Review Panel scores are presented to division administrator(s), who may, or may not recommend the highest scoring proposal(s), to the Milwaukee County Board of Supervisors, if Board approval is required by state statute,

Any contract with a value of at least \$100,000, but not more than \$300,000, to which the County is a party and which satisfies any other statutory requirements, may take effect only if the County Board’s Finance, Personnel and Audit Committee does not vote to approve or reject the contract within 14 days after the contract is signed or countersigned by the Milwaukee County Executive.

If the Board's Finance Committee votes to reject a contract described above, the contract may take effect only if the contract is approved by a vote of the County Board within 30 days after the Board's Finance Committee votes to reject the contract.

Any single contract, or group of contracts between the same parties which generally relate to the same transaction, with a value or aggregate value of more than \$300,000, to which the County is a party and which satisfies any other statutory requirements, may take effect only if it is approved by a vote of the County Board.

The Milwaukee County Board of Supervisors may reject the department's recommendations and ask for an additional review and scoring of proposal(s), or require a reissuance of the RFP for the program(s) being recommended. The County Executive may veto, in part or in whole, the County Board's action.

The review and scoring panel will be the sole determiner of the points to be assigned. The determination whether any proposal by a Proposer does or does not conform to the conditions and specifications of this RFP is the responsibility of the RFP Manager.

The Review Panel has the right to rely on any narrative, supporting materials or clarifications provided by the Proposer. The Review Panel can ask for oral clarification to supplement written proposal, if it will assist review and scoring procedure.

In addition, the division administrator may convene a second panel to hear oral presentations from the highest-scoring proposers, based on the initial review and ranking of the proposals by the Review Panel based on the criteria outlined in the RFP.

The Proposer is responsible for any Proposal inaccuracies, including errors in the budget and any best and final offer (if applicable). The DHHS reserves the right to waive RFP requirements or gain clarification from a Proposer, in the event that it is in the best interest of the DHHS to do so.

The DHHS reserves the right to contact any or all Proposers to request additional information for purposes of clarification of RFP responses.

3.2 REVIEW AND SCORING CRITERIA

Proposals submitted in response to this RFP will be evaluated per the process and criteria detailed in Part 4 of Technical Requirements (**Section 4**).

3.3 RIGHT TO REJECT PROPOSALS

The DHHS reserves the right to reject any and all Proposals. This RFP does not commit the DHHS to award a contract, or contracts.

3.4 NOTICE OF INTENT TO AWARD

All Proposers who respond to this RFP will be notified in writing of the DHHS's intent to award a contract as a result of this RFP. **A Notification of Intent to Award a contract**

does not constitute an actual award of a contract, nor does it confer any contractual rights or rights to enter into a contract with the DHHS.

After Notification of the Intent to Award is made, copies of all Proposals will be made available for other proposers' inspection subject to proprietary information exclusion mentioned in **Section 2**. Any such inspection will be conducted under the supervision of DHHS staff. Copies of proposals will be made available for inspection for five working days from the date of issuance of "Notice of Intent to Award" between 8:30 a.m. to 4:00 p.m. at:

Milwaukee County Department of Health and Human Services
Contract Administration
1220 W Vliet Street, Suite 300
Milwaukee, WI 53205

Proposers should schedule inspection reviews with Cleo Stewart, at 414-289-5980 to ensure that space and time are available for the review.

3.5. NEGOTIATE CONTRACT TERMS

The DHHS reserves the right to negotiate the terms of the contract, including the award amount, evaluation process, authorized budget items, and specific programmatic goals, with the selected proposer(s) prior to entering into a contract. If contract negotiations cannot be concluded successfully with the selected proposer, the agency may negotiate a contract with another proposer at the respective division administrator's discretion.

3.6 PROTEST AND APPEALS PROCESS

Only unsuccessful proposer(s) are allowed to file an appeal. Applicants can only protest or appeal a violation of the procedures outlined in these RFP instructions or in the selection process. Subjective interpretations by the reviewers are not subject to protest or appeal. All appeals must be made in writing and must fully identify the procedural issue being contested. On demand by such appellant(s), DHHS may provide the summary score(s) of review and scoring panel, but in no case will the names of panel members be revealed.

A written appeal, fully documenting the basis for the appeal,, must be made in writing. The appeal must be as specific as possible and should identify deviations from published criteria in the selection process or the procedures outlined in these RFP instructions that are alleged to have been violated.

The written appeal should be filed with Héctor Colón, Director, Department of Health and Human Services, 1220 W. Vliet St., Suite 301, Milwaukee, WI 53205, and received in his office no later than five (5) working days after the notice of intent to contract or non-funding is post-marked. Late filing of the appeal will invalidate the protest.

The decision of the DHHS Director will be binding. A proposer may challenge the decision of the Director, per the process in Section 110 of the Milwaukee County Code of General Ordinances. DHHS may proceed to contract with the Proposer(s) selected even if an appeal is still pending if it is in the best interest of DHHS to do so.

DELINQUENCY AND COURT SERVICES DIVISION

**SECTION 4:
TECHNICAL REQUIREMENTS**

4. TECHNICAL REQUIREMENTS

These requirements are for submitting a proposal to DHHS. The DHHS reserves the right to add terms and conditions to the RFP as necessary.

This section contains mandatory requirements that Proposer(s) are required to provide or agree to at NO cost to DHHS. Proposers who cannot, or will not, meet all of these requirements may be disqualified on the grounds of noncompliance.

CERTIFICATION OF INDEPENDENT PRICE DETERMINATION

By signing and submitting a proposal, the Proposer certifies, and in the case of a joint Proposal, each party thereto certifies as to its own organization, that in connection with this RFP:

The prices in this Proposal have been arrived at independently, without consultation, communication, or agreement, for the purpose of restricting competition, as to any matter relating to such prices with any other Proposer or with any competitor;

Unless otherwise required by law, the prices which have been quoted in this Proposal have not been knowingly disclosed by the Proposer and will not knowingly be disclosed by the Proposer prior to opening in the case of an advertised RFP or prior to award in the case of a negotiated procurement, directly or indirectly to any other Proposer or to any competitor; and

No attempt has been made or will be made by the Proposer to induce any other person or firm to submit or not to submit a Proposal for the purpose of restricting competition.

DEVIATIONS AND EXCEPTIONS

Submission of a proposal shall be deemed as certification of compliance with all terms and conditions outlined in the RFP unless clearly stated otherwise in the attached "Statement of Deviations and Exceptions" (*see Appendices*). The DHHS reserves the right to reject or waive disclosed deviations and exceptions.

Deviations and exceptions from original text, terms, conditions, or specifications shall be described fully, on the attached "Statement of Deviations and Exceptions" (*see Appendices*) and attached to the Cover Letter (*item 2*). In the absence of such statement, the Proposal shall be accepted as in strict compliance with all terms, conditions, and specifications and the Proposers shall be held liable.

Item 23 partially comprises the points scored under Cultural Diversity and Cultural Competence

CULTURAL COMPETENCE

ITEM #23

Cultural Competence - *A set of congruent behaviors, attitudes, practices and policies formed within a system, within an agency, and among professionals to enable the system, agency and professionals to work respectfully, effectively and responsibly in diverse situations. Essential elements of cultural competence include valuing diversity, understanding the dynamics of difference, institutionalizing cultural knowledge, and adapting to and encouraging organizational diversity.*

Cultural Humility - *Cultural Humility recognizes variation within members of a group which may otherwise be similar in terms of race, gender, ethnicity, or other characteristic. The emphasis in Cultural Humility is not on specific knowledge of any given cultural orientation, but rather on an approach which demonstrates a respectful attitude toward diverse points of view, recognizing that groups of individuals cannot be reduced to a set of discrete traits. This approach specifically avoids making broad assumptions about groups based on defined traits or behaviors; instead, it focuses on recognizing and integrating the unique perspective each client brings to the service delivery experience.*

Describe your proposed strategy for developing and maintaining Cultural Competence. Apart from having a culturally diverse board and or staff, please provide specific examples of existing and/or proposed policies, procedures, and other practices promoting Cultural Competence. A defining characteristic of Cultural Humility is client centered care. Proposers should describe their client-centered approach specifically in terms of how it incorporates Cultural Humility.

EMERGENCY MANAGEMENT PLAN**

ITEM # 24

In order for Agencies under contract with DHHS to be prepared for a natural or man-made disaster, or any other internal or external hazard that threatens clients, staff, and/or visitor life and safety, and in order to comply with federal and state requirements, Agencies shall have a written Emergency Management Plan (EMP). All employees shall be oriented to the plan and trained to perform assigned tasks. **Submit a summary of your Emergency Management Plan (no more than 6 pages) that identifies the steps Proposer has taken or will be taking to prepare for an emergency and address, at a minimum, the following areas and issues:**

1. Agency's order of succession and emergency communications plan, including who at the facility/organization will be in authority to make the decision to execute the plan to evacuate or shelter in place and what will be the chain of command;
2. Develop a continuity of operations business plan using an all-hazards approach (e.g., floods, tornadoes, blizzards, fire, electrical blackout, bioterrorism, pandemic influenza or other natural or man-made disasters) that could potentially affect current operations or site directly and indirectly within a particular area or location;
3. Identify services deemed "essential", and any other services that will remain operational during an emergency (**Note, Agencies who offer case management, residential, or personal care for individuals with medical, cognitive, emotional or mental health needs, or to individuals with physical or developmental disabilities are deemed to be providers of essential services**);
4. Identify and communicate procedures for orderly evacuation or other response approved by local emergency management agency during a fire emergency;
5. Plan a response to serious illness, including pandemic, or accidents;
6. Prepare for and respond to severe weather including tornado and flooding;
7. Plan a route to dry land when a facility or site is located in a flood plain;
8. For residential facilities, identify the location of an Alternate Care Site for Residents/Clients (Note, this should include a minimum of two alternate facilities, with the second being at least 50 miles from the current facility);
9. Identify a means, other than public transportation, of transporting residents to the Alternate Care location (Note, for Alternate Care Sites and transportation, a surge capability assessment and Memorandum of Understanding (MOU) with Alternate Care Site and alternative transportation provider should be included in the development of the emergency plan);
10. Identify the role(s) of staff during an emergency, including critical personnel, key functions and staffing schedules (**Note, in the case of Personal Care Workers, staff should be prepared to accompany the Client to the Alternate Care Site, or local emergency management identified Emergency Shelter**). Provide a description of your agency's proposed strategy for handling fluctuations in staffing needs. Examples may include, but are not limited to: referral networks, flexible staffing, on-call staff, or "pool" workers, and other strategies to expand or reduce physical or staff capacity due to crisis, variations in client volume, or other staffing emergencies;
11. Identify how meals will be provided to Residents/Clients at an Alternate Care Site. In addition, a surge capacity assessment should include whether the Agency, as part of its emergency planning, anticipates the need to make housing and sustenance provisions for the staff and/or the family of staff;

12. Identify how Agencies who offer case management, residential care, or personal care for individuals with substantial cognitive, medical, or physical needs shall assist Clients to individually prepare for an emergency and obtain essential services during an emergency, including developing a Care Plan that includes an emergency plan on an individual level.
13. Ensure that current assessment and treatment plan for each Resident/Client with specific information about the characteristics and needs of the individuals for whom care is provided is available in an emergency and accompanies the Resident/Client to the Alternate Care Site. This should include: Resident identification, diagnosis, acuity level, current drugs/prescriptions, special medical equipment, diet regimens and name and contact of next of Kin/responsible person/POA.
14. Identify staff responsible for ensuring availability of prescriptions/medical equipment and Client information at Alternate Care Site;
15. Communicate and Collaborate with local emergency management agencies to ensure the development of an effective emergency plan (typically the fire chief, or his/her designee); and
16. Collaborate with Suppliers and Personal Services Providers.

Describe, in detail, formal and informal agreements (such as Memoranda of Agreement) which support elements of your plan, as well as any specific examples of tests, drills, or actual implementation of any parts of your plan. Agencies shall have agreements or MOUs with other agencies or operators of Alternate Care Sites and assess the availability of volunteer staff for such emergencies.

Proposers can find resources for EMPs including sample plans, Mutual Aid Agreement and templates at the following websites:

PART 4: OVERVIEW OF PROPOSAL REVIEW PROCESS

PROPOSAL REVIEW AND SCORING CRITERIA

MILWAUKEE COUNTY DEPARTMENT OF HEALTH AND HUMAN SERVICES
REQUEST FOR PROPOSAL REVIEW PROCESS

I. Proposal Review Panel Selection and Representation

A. Proposal Review Panel Selection

Proposals to provide services under a purchase contract for the Department of Health and Human Services shall be evaluated by panel members with familiarity and/or experience in the field of social/human services. Panel members and their immediate families (Spouse, Parent, Child, Sibling or Significant Other) may not have any familial, official, board member, employment, fiduciary or contractual relationships with organizations currently funded by Milwaukee County in the program area for which the Proposer has applied, or hold any ownership, contractual or employment interests in the Proposer or its subsidiaries under consideration. At the discretion of DHHS division administrators, respective program, quality assurance and contract administration staff will serve on review panels. Staff will not comprise the majority of panel members. Outside panel members will be selected from various sources including the following:

- community volunteers and representatives;
- representatives of professional and educational organizations;
- representatives of community councils and advocacy organizations.

Recommendations of persons to serve on proposal review panels are welcome from appropriate governmental entities, i.e., Community Business Development Partners, etc.

B. Proposal Review Panel Representation

Panel representation to review proposals submitted for contract recommendations shall include:

- minority and culturally diverse representation;
- consumer / service recipient representation or their guardians, if applicable.

The primary role of Department of Health and Human Services program division staff shall be to serve in a consulting capacity to panel members. Respective division or DHHS Contract Administration staff shall convene the panel at a specific time and place to discuss the review process in a group setting, and, following the review, to finalize the proposal ratings prior to averaging the scores. Milwaukee County DHHS staff, as consultants, may provide responses to program and procedural information including:

- past performance of a Proposer;
- Proposer's problem solving and responsiveness to issues;
- program knowledge;
- program needs; and,
- program outcomes and performance reviews.

Using the established review criteria, representatives participating on a review panel will score each proposal independently on a preliminary basis, with the final proposal analysis reporting an average score of the proposal.

1. Panel representation for **more than one proposal** submitted to provide the same program or service for the DHHS will include a **minimum of three members**. The panel shall be comprised of as broad a base of community, minority and culturally diverse, consumer/service recipient representation as possible. Based on the discretion of division administrative staff, or on program factors, number of proposals submitted, and minority and culturally diverse representation, etc., panels may be comprised of more than three members including division program or quality assurance staff, and/or DHHS Contract Administration staff. Milwaukee County DHHS staff will not comprise the majority of panel members.
2. Panel representation when **only one proposal is submitted** to provide a particular program or service will be **no more than two members**. If only one proposal is received, and the proposer is not an incumbent agency, the panel will be comprised of no more than two members, and at least one member must be a community representative.
3. Alternately, if only one proposal is received and the proposer is an incumbent agency that is the current provider of the program services for which proposals are being requested, DHHS may not convene a panel to score the proposal; however, DHHS staff may review the proposal to verify that the proposal meets all specified requirements. This verification may include requesting reports on the Proposer's financial stability, and reviewing results of past awards to the Proposer by Milwaukee County DHHS and/ or other funders. Continued funding for DHHS programs is contingent upon the availability of funds, a satisfactory continuation funding submission (Partial Submission), acceptable program performance, fulfilling required match, if any, review of the program by the applicable division at the end of each contract period, and the respective division administrator's discretion.
4. Though there is not a competitive review process for programs and services purchased by the DHHS on a multi-year funding cycle or designated provider agencies, the agencies submitting proposals for all divisions are required to submit proposal items identified in the Purchase of Service Guidelines: Technical Requirements. Program, quality assurance and/or Contract Administration staff will perform a screening of items submitted by agencies in this category.

II. General Guidelines

- A. The role of the review panel is to rate proposals against the published scoring criteria. These ratings are forwarded to Division Administrators who may accept or dispute them. If a Division Administrator disputes a review and scoring panel's scoring, the panel shall be apprised of the item in dispute, the related criterion and the basis for the dispute. The panel shall then be reconvened to

discuss and evaluate the basis for the dispute and make a determination to uphold or modify their original rating based on any new information presented. Any alteration to the panel's scoring of a proposal shall be noted in the report to the Milwaukee County Board of Supervisors when a contract recommendation is made by the Division Administrator.

- B. The primary measure of the quality of the Proposer's proposal will be specific examples of successful previous experience which relates to the various items in the proposal. Successful previous experience will be measured and scored based on the current and recent County contract performance of Proposers, or, for new Proposers, current and recent non-County contract performance, or, for new organizations, the current and recent experience of senior staff at Proposer's agency.
- C. The review process may include verification of assertions made by the Proposer in the proposal, including but not limited to site visits, record review and interviews and reference checking. The County reserves the right to contact any or all Proposers to request additional information for purposes of clarification of RFP responses.
- D. Reviewers will score proposals against the published criteria, and will not consider non-published criteria.
- E. Criteria to be considered in evaluating proposals include the Proposer's ability to provide the proposed program, the Proposer's proposed program relative to that proposed by other Proposers, and the Proposer's proposed cost to provide the program or service compared to the cost proposed by other qualified Proposers.
- F. For omissions of requested items, Proposers will have scores reduced to 0 for any corresponding review line item, or for requested items which do not have an associated review line item, will receive a reduced score under the "Administrative Ability" section. However, omission of certain requested items may result in proposals not receiving any further consideration.
- G. Division Administrators may consider factors other than scoring in making contract recommendations.

III. Proposal Review and Scoring Criteria for ALL contract divisions

- A. **Administrative Ability - 12 percent.** The Proposer demonstrates evidence of administrative capacity to meet federal, state, county and creditor requirements, including timeliness of required submissions and payment of obligations. Proposer demonstrates an ability to provide timely and accurate monthly client and financial reports. Proposer demonstrates an ability to be responsive to crisis situations, including, but not limited to, variations in client referral volume and serving exceptional cases.

In scoring proposals, for agencies currently under contract with DHHS, reviewers will consider the on time and accuracy rate of Proposer in prior year's

required submissions. For new Proposers, reviewers will consider the on time and accuracy rate of Proposer as described by the person providing the required Experience Assessment report (item 29c or 29d). Existing proposers will be rated on the most current evaluation report (item 29e). Additionally, in scoring proposals for Administrative Ability, reviewers will consider the accuracy and completeness of the proposal. Inaccurate or incomplete proposals will receive reduced scores.

In scoring Administrative Ability, reviewers will consider the size, structure, experience, and independence of the board of directors and officers.

The Proposer demonstrates comprehensive emergency preparedness. For full points, Proposer has an existing emergency management plan which includes all required elements, has been tested, and includes specific examples of memoranda of agreement or other formal arrangements for continuity of operations, client care, etc.

Administrative Ability will also be scored based on reviewers' prior experience, if applicable, with Proposer relating to these criteria.

- B. Budget Justification - 13 percent.** The Proposer provides a budget that is accurate, clear, and in sufficient detail. The budget effectively and efficiently supports the level of service, staffing, and the proposed program. The Proposer's proposed cost to deliver the service, compared to other Proposers, reflects the quality and quantity of service to be provided. The reviewer's analysis will include: unit cost comparisons and/or budget overview, total number of units of service to be provided, any limitations on the total number of clients to be served during the contract period.

Budget Justification will also be scored based on reviewers' prior experience, if applicable, with Proposer relating to these criteria.

- C. Cultural Diversity and Cultural Competence - 9 percent.** The program takes actions that show its commitment to the goals of cultural diversity and cultural competence in the workplace, including diversity in staffing practices and Board/committee composition as well as serving a culturally diverse population in a culturally competent manner.

In evaluating Cultural Diversity in proposals, reviewers will consider the representation of racial and cultural minorities in board and staff relative to the representation of racial and cultural minorities in the projected target population, as measured by data on forms Board of Directors, Owners, Stockholders Demographic Summary (Item 5), Client Characteristic Chart (Item 36) and Employee Demographics Summary (Form 2B, Item 27). For full points, Proposer must demonstrate a ratio of board and staff which is greater than or equal to the ratio of racial and cultural minorities in the projected target population. If Proposer receives less than full points for this item, one point will be added to the score if the Proposer can demonstrate proof of specific action(s) taken within the previous year geared toward increasing board or staff diversity. The action(s) taken must be supported with documentation.

In evaluating Cultural Competence in proposals, reviewers will consider the Proposer's proposed methods for developing and maintaining Cultural Competence as well as the Proposer's history of performance in this area. (Item 23) Proposer must provide specific examples of existing and/or proposed policies, procedures, and other practices, if any, which promote Cultural Competence. For full points, Proposer will have a history of promoting Cultural Competence. Examples of acceptable policies, procedures, and practices can include, but are not limited to: providing in service or other training, or involvement of consumers in policy-making, planning, service delivery, and/or evaluation.

Cultural Diversity and Cultural Competence will also be scored based on reviewers' prior experience, if applicable, with Proposer relating to these criteria.

- D. **Previous Experience – 13 Percent.** The Proposer's experience demonstrates the ability to provide the proposed service to the target group. For Proposers without prior Milwaukee County experience, information will be gathered from Performance Assessments provided by the Proposer following a prescribed format. Documented non-performance or noncompliance under previous contracts will be taken into consideration.

In evaluating experience in proposals, reviewers will consider:

Past Service Experience with similar contracts. Similarity to be measured by looking at specific, detailed examples of **successful** current or recent contracts in terms of: 1) program volume, 2) target population, 3) dollar amount of contract, and 4) service mix. For full points, Proposer currently successfully operates a program which meets or exceeds these four criteria. In evaluating "success" reviewers will consider the content of evaluation and other program reports, as well as Quality Assurance findings and corrective action plans, as applicable.

Previous Experience will also be scored based on reviewers' prior experience, if applicable, with Proposer relating to these criteria.

- E. **Outcomes and Quality Assurance – 13 Percent.** For Proposers with a current or recent County contract, scoring will be based on compliance with submission deadline, required content and overall findings of program evaluation reports for most current contract period (item 29e). For new Proposers or Proposers without a current DHHS contract within the last two years, scores will be derived from item 29c or 29d as applicable.

Outcomes and Quality Assurance will also be scored based on reviewers' prior experience with Proposer, if applicable relating to these criteria.

Delinquency and Court Services Division

INTRODUCTION AND INSTRUCTIONS

The mission of the Delinquency and Court Services Division (DCSD) is as follows:

To partner with the community to promote public safety by reducing juvenile crime, holding youth accountable, and improving competencies through individualized interventions and supportive services for the children and families under our supervision.

The Delinquency and Court Services Division (DCSD) provides statutorily required screening, assessment, and supervision of youth referred for delinquency and juveniles in need of protection and services (JIPS). The Division administers a variety of services and programs to enhance public safety through policies and practices that support fair and respectful treatment of stakeholders; clients and staff; and, in cooperation with the courts, community, and system partners, reduce the risk of re-offense.

Administration and Support functions provide policy direction, programmatic and fiscal management, research and analysis of data, budget development, procurement of services, and development of collaborative alliances with outside agencies.

The **Secure Detention Center** provides secure custodial care of detained youth including education and short-term mental health and physical health services.

Probation Services provide statutorily required screening, assessment, and supervision of youth referred for delinquency and juveniles in need of protection and service matters. These functions coordinate the provision of direct services, monitor and respond to court compliance, and provide other services for the court as directed.

Purchased Services oversees and contracts for a variety of direct and support services through various contracts and agreements. Target areas include prevention, diversion, support services, alternative education settings, out of home placement, targeted supervision, correctional alternative programs, and re-entry support.

DCSD purchases services to match the priorities of our service area and to manage with efficiency and efficacy the available resources. Substantial effort has gone into applying for grants that supplement state and county funding. In 2012, as a result of a competitive grant process, DCSD was selected as one of three jurisdictions nationwide to serve as a demonstration program for the Juvenile Justice Reform and Reinvestment Initiative (JJRRI) funded by the federal Office of Juvenile Justice and Delinquency Prevention. This initiative is designed to implement a set of evidence-based and cost-measurement tools for assessing juvenile justice programs and to use the results to

improve services and inform decision-making and resource allocation with the ultimate goal of achieving better outcomes for youth.

DCSD attempts to utilize its funds to provide a broad continuum of services for juveniles. DCSD continues to strive to develop and support service models that are evidence-based, culturally competent, culturally diverse, and will meet the needs of our youth, families and community. DCSD is investing in expanding community alternatives to safely reduce reliance on secure confinement and out of home placements. This initiative is consistent with system reform efforts being undertaken as part of Milwaukee County's participation as one of three Wisconsin demonstration sites in the Annie E. Casey Foundation's Juvenile Detention Alternatives Initiative (JDAI). JDAI is a national juvenile detention reform effort that has been implemented in nearly 200 jurisdictions in 39 states and is specifically aimed at safely reducing reliance on confinement of youth by employing eight core strategies.

PROGRAM DESCRIPTIONS

Please note: Applicants should routinely check the Milwaukee County DHHS website for updates to the RFP throughout the application and prior to submitting a proposal.

Programs Open for Competitive Proposals for Contract Year 2014

DCSD is issuing a Request for Proposals for the following programs. These programs are open for competitive application (detailed program descriptions follow this introduction).

DCSD 017 Group Care – Transitional Living

DCSD 018 Evening Reporting Center

DCSD 019 Community Service and Restitution Coordination

Agencies seeking to contract for the provision of these programs are required to submit a **complete application** package that includes all of the documents and formats as defined in this document, the *Year 2014 Request For Proposal - Purchase of Service Guidelines*.

Applicants should include a separate and distinct action plan and time frame for program start-up as part of the Program section of the application. While consideration may be given for documented and justified additional transition costs, applicants are strongly encouraged to remain within the tentative funding levels.

PROGRAM PURPOSE

Group Homes provide 24 hour community based living for youth who are experiencing problems with their family living environment. These youth have been determined by the court to be in temporary need of an alternative living arrangement until reunification is deemed appropriate. The Group Home described in these program requirements must include a Transitional Living program to provide housing, employment programming and case management for up to four youth as they age out of a Group Home placement.

The Delinquency and Court Services Division (DCSD) will be accepting proposals in anticipation of awarding a contract for its exclusive usage of an eight-bed group home for male youth. The group home must include programs to identify and case manage youth with mental health issues, emotional disturbances and/or AODA problems.

Milwaukee County encourages Group Care providers to continue to develop their vision, mission, values, beliefs and principles. Within that framework, proposers are required to:

- Assist the youth to develop competencies and skills to live in the community.
- Help to integrate the youth into the community's social and economic life.
- Surround the youth with adults that are energized and passionate about their future.
- Promote family involvement in all aspects of services and the child's life.

Milwaukee County is requesting innovative proposals that include services targeted towards addressing criminogenic needs associated with increased probability of re-offense. Describe how your program will individualize services within a structured setting to meet the needs of youth. When describing your program, please reference specific evidence-based components of your program including supporting research.

Through the Juvenile Justice Reform and Reinvestment Initiative (JJRRI), the Milwaukee County DCSD has acquired the advanced resources to help its partners better understand how efficiently and effectively its services reduce the likelihood of re-offense.

The proposer must be able to accept the following youth:

- Adjudicated youth under Department supervision, including youth in the Milwaukee County Accountability Program
- Multi-system youth (Delinquency and CHIPS) in transition
- Wraparound Milwaukee youth
- Aftercare youth under Division of Juvenile Corrections Supervision
- Other youth as approved by DCSD

This contract will be awarded to a single vendor to provide the entire capacity of an eight-bed facility from April 1, 2014 through December 31, 2014. The DCSD will have the option of offering the awardee up to three, one-year contract renewals without an additional competitive RFP process.

REQUIRED PROGRAM INPUTS, PROCESSES, PROGRAM ACTIVITIES AND EXPECTED OUTPUTS

The Group Care program seeks to:

- Maintain a safe, caring, and stable living environment while maintaining accountability with court expectations.
- Achieve reunification with the natural family or other identified caregiver.
- Assist and develop an appropriate long-term permanency plan for youth for whom family reunification is not possible.

The program has ultimate responsibility for overseeing and providing supervision of their residents on a 24-hour basis. The resident is to be supervised directly by group home staff or by appropriate school or parental figures at all times.

Prior to March 1 2014, the Department of Children and Families must have issued to the provider a Group Home License pursuant to s. 48.625 of Wisconsin Statutes and Chapter DCF 57 of Wisconsin administrative code. The license must pertain to each proposed location and corresponding capacity for the location(s). If all necessary licenses have not been issued by the proposal due date, then proposers may submit their plans and documentation of their progress towards obtaining the necessary licensure in lieu of the license itself. In these cases, the license must be submitted no later than the final submission date listed in *Technical Requirements* section of this RFP. Proposal responsiveness and applicable scores will be assessed according to the feasibility of the plan and progress-to-date with regard to meeting the above requirements within the given timeframe.

More information on obtaining a Group Care license can be obtained at the following website:<http://dcf.wisconsin.gov/childrenresidential/obtaining.HTM>

REIMBURSEMENT

Reimbursement is based on actual program expenses and is paid monthly. Monthly reimbursement will be limited to a cumulative 1/12 of the yearly Milwaukee County approved contract allocation. Annual reimbursements may not exceed actual program expenses or the total contract allocation. A program specific Revenue and Expense Statement must be submitted following the end of each calendar month according to DHHS policy.

PROGRAM PURPOSE

The purpose of the Evening Report Center (ERC) is to provide a community-based alternative to detention for youth served by DCSD. The program will primarily serve youth pending court for alleged delinquency acts but may include youth that are the subject of a court order, Deferred Prosecution Agreement (DPA) or Consent Decree (CD). The evening report center is designed to be an alternative to youth being placed in the secure detention center pre-dispositional or for sanctions.

Youth that are eligible for this program include youth that are charged with a delinquent act that are awaiting a court hearing (disposition), youth that are the subject of a court order that would otherwise serve sanction days in detention due to failure to abide by the court order and youth that are apprehended on a warrant. The program is intended to provide a level of supervision sufficient to safely maintain appropriate youth in the community while awaiting disposition of their case or their court authorized release from the program.

The Evening Reporting Center should operate Monday through Friday from after school hours through the evening for 4-6 hours. While attending the program, youth are engaged in educational activities, recreational programming and life development workshops that address their criminogenic needs. Services shall be evidence based and flexible to the extent that they can be tailored to the specific risks and needs of the youth referred to the program. Snacks and dinner should be provided, along with other incentives and transportation. Proposals should address a plan to provide transportation to and from each session for the youth participating in the program, along with an incentive program. The provider makes onsite security provisions. The proposals should also address the plan to engage the parent/guardian and other important family members into programming. Each youth referred to the program should have an individual meeting/intake with the youth and their parent/guardian prior to starting the program and at this meeting the program requirements and expectations should be thoroughly discussed and all questions addressed at that time.

The goals of the program are to minimize risk taking and delinquent behaviors during and beyond program participation and to provide highly structured and well-supervised group activities during high-risk time periods for minors in pending or post delinquency matters. The program should also help to ensure that youth are attending their court hearings and reduce the likelihood of re-arrests while allowing the minor to continue attending school and remain at home.

REQUIRED PROGRAM INPUTS, PROCESSES, PROGRAM ACTIVITIES, AND EXPECTED OUTPUTS

When addressing this section of the Request for Proposals (RFP), refer to Item #30a, "Program Logic Model and Annual Evaluation Report" and Item #30b,

“Program Narrative”, both found in the *Technical Requirements* section of this RFP.

PROGRAM DESCRIPTION

The DCSD desires a program model that provides the required capacity, while allowing for cost efficiencies to be achieved during times of lower program utilization. The desired model would allow for more program resources to be redirected from funding idle capacity towards increasing the quality of services to youth. DCSD plans to enter into one contract for services to operate at one or more locations for up to 30 youth at one time. Each youth should be enrolled in the program for 4-6 weeks based on the needs of the youth. Youth may or may not be court ordered into the program. Youth may also be released into the program straight from detention after the initial detention hearing.

The Evening Reporting Center program keeps the youth involved in positive experiences while ensuring they are occupied during the times they are most likely to recidivate. The core services should include the following:

- Mentoring
- Tutoring and educational activities
- Group Discussions
- Evening meal and snacks
- On-site access to recreational activities
- Transportation
- Incentive program
- Independent living or life skills programming
- Decision making programming
- A family engagement/involvement component
- Referrals to community resources for youth and their families

Proposals should address what group activities and programming will be provided. Group activities may cover the following topics and could be supplemented by special events and other outings such as field trips to educational, cultural and recreational venues:

- Crime and delinquency
- Attitudes
- Conflict resolution
- Alcoholism and drug abuse
- Family problems
- Vandalism, violence and other problem behaviors
- Employment
- Life skills development (job readiness, how to get a job and keep a job)
- Learning problems, school failure and dropout
- Victim Impact Panels
- Art Therapy

- Violence Prevention

Special guests and other resource people who have expertise in the above topic areas could address the groups on an interim basis. Proposals should also discuss the availability of computers and recreational activities for the youth in the program.

The DCSD desires a plan to maintain an excellent working relationship between the evening report center provider and each youth's assigned school. ERC providers are required to have a plan to maintain a collaborative relationship with the schools. The plan must include seamless and reliable processes (e.g. communication of critical incidents, transfer of children between ERC staff and school, etc.). The provider will be responsible for supervision of the youth during programming. Proposals must include a plan to coordinate with each youth's assigned school.

While at the Evening Reporting Center, staff should monitor each youth from after school until they arrive home in the evening from the ERC. Providers are responsible for the safe transfer of youth between the ERC location and their schools and homes. All transportation shall be documented and kept on record by the provider. When applicable, all transportation shall deliver youth to their destinations in a timely manner as governed by the purpose of the transport (e.g. school start times, Court hearing times, etc.) All drivers transporting youth shall be approved by the DHHS prior to transporting youth.

It is the provider's responsibility to maintain a safe and healthy environment for the wide variety of youth referred to ERC. Providers should be prepared to serve youth presenting with a variety of behaviors and backgrounds, including but not limited to: AODA problems, mental health issues, gang affiliation, family instability, violent tendencies, impulsivity and histories of abuse or neglect. Proposals shall include a detailed plan to maintain a safe and healthy environment for all youth at all times. Providers shall have a plan to maintain an environment that is free of bullying for residents and staff. Program plans include innovative measures to maintain a safe and healthy environment for all residents and staff.

Programming

The proposal includes programming designed to positively engage youth in their development while at the ERC. The overall proposal places a strong focus on keeping youth engaged in activities and programming that is appropriate to youths' age, maturity, and developmental expectations. Programming and activities shall also be delivered in a manner that is sensitive to the needs of LGBT youth. Programming shall be delivered in a culturally competent manner. Programming shall include behavior incentives. The proposal includes a rich and diverse array of programming designed to positively engage youth in their development while at the ERC. The desire is to have staff members are trained to administer programming in a trauma-informed manner.

Quality Assurance

The proposal includes a quality management plan to ensure that the agency is in compliance with all applicable policies and procedures. The plan includes activities to prevent errors and non-compliances from occurring, identify errors and non-compliances after they have occurred, and includes measures to continually improve quality of services based on the findings. The quality system also has a mechanism in place to collect, analyze, and act on feedback from residents and/or their families. The proposal includes the capability of measuring and reporting quality or other program data on an as needed basis per DCSD's request. The proposal includes a plan to periodically report internal quality assurance findings to DCSD staff and other important stakeholders. The quality assurance plan is both comprehensive and adaptable to new findings and needs that may arise.

Working Capital

As of the expected contract begin date (May 1, 2014); the proposer is projected to have access to enough working capital to fund program operations for at least the first 2 months of the contract.

Please note: Interest or other financing costs associated with working capital loans or lines of credit are not allowable expenses for reimbursement under the contract.

Please also note: The DCSD may approve requests for interest free advance payments that equal up to 1/6 of the total 2014 contract allocation. However, there are a variety of factors outside of the DCSD and the DHHS's control which may cause approved advance payment requests to be disbursed after (approximately 2-3 months) the contract begin date.

ADDITIONAL PROGRAM REQUIREMENTS

The Delinquency and Court Services Division will recommend a single vendor for a contract to provide the Evening Report Center.

Program Operations

- The provider shall have responsibility to directly notify the Bureau of Milwaukee Child Welfare if any abuse is suspected either within or outside of the agency and shall be responsible for reporting missing/runaway youth to appropriate law enforcement.
- The provider shall maintain an accurate daily census of all active youth and discharges as requested by Division staff.

- The provider must report on a monthly basis any changes in staff providing direct care.
- The provider must communicate any threats to its ability to provide ERC services as planned to DCSD promptly and per contract requirements.

Staffing Pattern

Direct service staff must possess a bachelor's degree or equivalency, and have at least three years of experience working with juveniles. The provider must be able to document staff experience at the request of the Division. Exceptions to this standard may only be granted by DCSD in writing. The Evening Reporting Center supervisor or a designated staff member are the primary person to make sure there is a continuity of services and interface daily with the ERC.

The application should include a written description of the provider's orientation plan for new staff and ongoing staff development programs, as well as staff to youth ratio. The staffing pattern shall facilitate ongoing staff development. Such development shall include, but not be limited to, an ongoing staff training plan and pairing staff with lesser skills and/or experience with higher skilled and/or experienced staff.

REQUIRED DOCUMENTATION

The annual Program Evaluation Report must include the format and content specified in the *Technical Requirements* section of this document.

Documentation requirements will be determined by Milwaukee County and will include any requirements of the State of Wisconsin's regulatory guidelines.

The plan shall include the capability to respond to a variety of DCSD requests for data, including but not limited to those that arise as a result of DCSD's ongoing efforts to evaluate its programming.

EXPECTED OUTCOMES AND INDICATORS

Outcome 1: 90% of youth will successfully complete the program

Indicator: Number and percent of youth that complete the program

Outcome 2: 90% of active youth will attend scheduled court hearings

Indicator: Number and percent of active youth that attend scheduled court hearings

Indicator: Assigned school days actually attended by active youth / Number of school days assigned

Outcome 5: Youth will participate in at least 90 percent of assigned activities

Indicator: Activities actually attended per active youth / Number and percent of activities assigned

REIMBURSEMENT

Reimbursement is based on actual program expenses and paid monthly. Monthly reimbursement will be limited to a cumulative 1/12 of the yearly Milwaukee County approved contract allocation. Annual reimbursements may not exceed actual program expenses or the total contract allocation. A program specific Revenue and Expense Statement must be submitted following the end of each calendar month according to Milwaukee County DHHS policy.

PROGRAM PURPOSE

The purpose of the Community Service and Restitution Coordination service is to provide a community based alternative to detention for youth served by DCSD that allows youth to complete community service hours and the opportunity to pay back their court ordered restitution. The program will primarily serve post-dispositional youth that are the subject of a court order or Deferred Prosecution Agreement (DPA) that are court ordered to complete community service hours and/or restitution payments. One barrier to youth completing the conditions of their court order and DPA is the lack of availability and monitoring of community service opportunities and this program will address this need.

The goals of the program are to develop and monitor ongoing community service activities for which youth may be referred to fulfill their DPA or probation conditions, or as a sanction for violating the probation conditions. This program will also provide an opportunity for youth to contribute to their communities in a positive manner and be able to pay back their restitution to victims when court ordered to do so.

REQUIRED PROGRAM INPUTS, PROCESSES, PROGRAM ACTIVITIES, AND EXPECTED OUTPUTS

When addressing this section of the Request for Proposals (RFP), refer to Item #30a, “Program Logic Model and Annual Evaluation Report” and Item #30b, “Program Narrative”, both found in the *Technical Requirements* section of this RFP.

PROGRAM DESCRIPTION

The DCSD desires a program model that provides the required capacity, while allowing for cost efficiencies to be achieved during times of lower program utilization. The desired model would allow for more program resources to be redirected from funding idle capacity towards increasing the quality of services to youth. DCSD plans to enter into one contract for services to operate at one or more locations. The provider will be responsible for making structured and supervised community service opportunities available for up to 12 youth at one time and each youth should receive 16 hours of community service per week, ideally 4 times per week for up to 4 hours at a time. The proposal should include where the community service activities will take place, how they will be implemented, the number of hours and types of activities available. The agency could subcontract with other agencies/providers with DCSD approval or be an agency that employs youth themselves. The proposals should include a schedule of activities and the plan to engage the youth’s parent/guardian and other important family members. The program should also include a restitution payment component for those youth that have a court order for restitution. The provider should have a plan in which

the restitution payments would be made to the courts directly and not the youth themselves.

The program should be implemented within the context of a restorative justice framework that emphasizes accountability to the youth and his/her family, victim and the community. This could include but not limited to: a peer jury/teen court, physical activity or training programming that involves a conflict resolution component, mediation or other conflict resolution processes such as within the family, the community and small or large groups. The program could also include a youth accountability panel or Circles of Accountability component or a victim and offender conferencing component.

Community service activities could include but not limited to the following: an urban garden program, animal welfare organizations, shelters, city or municipal duties or other enriching activities that benefit the community.

The provider will be responsible for supervision of the youth during programming. Proposals must include a plan to coordinate with each youth's parent/guardian, assigned school, DCSD Human Service Worker and other relevant parties.

While at the program, staff should monitor each youth from their arrival until they leave their facility or program area. Providers are responsible for the safe transfer of youth between the locations. All transportation shall be documented and kept on record by the provider. When applicable, all transportation shall deliver youth to their destinations in a timely manner as governed by the purpose of the transport (e.g. school start times, Court hearing times, etc.) All drivers transporting youth shall be approved by the DHHS prior to transporting youth.

It is the provider's responsibility to maintain a safe and healthy environment for the wide variety of youth referred to the program. Providers should be prepared to serve youth presenting with a variety of behaviors and backgrounds, including but not limited to: AODA problems, mental health issues, gang affiliation, family instability, violent tendencies, impulsivity and histories of abuse or neglect. SECTION 6.2: ANNUAL AUDIT REQUIREMENTS

6.2.1. General Requirements

Annual audits of contract agencies receiving \$25,000 or more from Milwaukee County Department of Health and Human Services are required per Wisconsin Statutes, Section 46.036(4)(c). Those audits are to be performed in accordance with the requirements of the Wisconsin *Provider Agency Audit Guide (PAAG), 1999 revision issued by WI Department of Corrections and Workforce Development or Department of Health Service Audit guide DHSAG) latest revision* issued by Wisconsin Departments of Health Services.

The PAAG/DHSAG includes the following audit reports and schedules:

- Auditor's Opinion on Financial Statements and Supplementary Schedule of Expenditures of Federal and State Awards.
- Financial Statements of the Overall Agency.
- Schedule of Expenditures of Federal and State Awards.
- Incorporated Group Home/Child Caring Institution Supplemental Schedule.
- Reserve Supplemental Schedule.
- Report on Compliance and on Internal Control over Financial Reporting Based on an Audit of Financial Statements in Accordance with Governmental Auditing Standards and the Provider Agency Audit Guide.
- Schedule of Prior Year Findings.
- Schedule of Current Year Findings.
- Corrective Action Plan.
- Schedule of Findings and Questioned Costs.

6.2.2. Milwaukee County Department of Health and Human Services Requirements

The allowability of costs is determined by the Federal Allowable Cost Principles found in *O.M.B. Circular A-122* for non-profit agencies and the Code of Federal Regulations *48 CFR part 31* for for-profit entities, and State Allowable Cost Principles found in the *Allowable Cost Policy Manual* issued by the Wisconsin Department of Health and Family Services and *Allowable Cost Policy Manual* Issued by Department of Children and Families. Purchase of Service Contracts effective January 1, 2006 and later also limit the allowability of costs based on variance from the approved budget(s).

The annual audit report shall contain a budget variance and reimbursable cost calculation for each program contracted, as identified as a separate line item in Attachment I of the Purchase of Service Contract. Such report shall follow the prescribed format, and determine the budget variance for each line item within the approved budget. Costs allowable under State and Federal Allowable Cost guidelines that exceed the approved budget by the greater of (1) 10% of the specific budget line item or (2) 3% of the total budget amount are deemed unallowable and not reimbursable under this contract. In no event shall the reimbursable amount exceed the contract amount.

An annual audit report in which the Schedule of Program Revenues and Expenses omits information or presents line-item information utilizing classifications not in strict adherence to those found in Budget Form 3 will place the Contractor out of compliance with the contract.

In past years, many auditors have prepared audited financial statements and supplementary schedules with total disregard to the requirements in the contract. This has placed many Contractors in technical non-compliance. Effective with 2006 Purchase of Service Contracts, such deviations from the contract requirements may cause budget variances, resulting in fiscal recoveries owed DHHS that would not be owed if the auditor had complied with the requirements of the contract. **IT IS IMPORTANT THAT YOUR AUDITOR READ THE CONTRACT, THIS SUPPLEMENT, AND AGREE TO ABIDE BY THESE REQUIREMENTS.**

In order to implement these limitations on the allowability of costs, additional schedules are required in your annual audit. These schedules must conform specifically as laid out, and cannot combine individual line items. The line items **must** conform precisely to the line items found in the *Anticipated Program Expenses*, Budget Form 3 for each individual program. A separate schedule must be prepared for each program award. **MULTIPLE PROGRAMS MAY NOT BE COMBINED INTO A SINGLE SUPPLEMENTAL SCHEDULE.**

Audited financial statements and supplementary schedules are the representation of management, not the auditor. Although auditors often prepare the financial statements and schedules on behalf of management, the accuracy and compliance of the financial statements are still the responsibility of management. If auditor prepared supplementary schedules deviate from the required content and level of detail, it is quite possible the Contractor Agency will have unallowable costs and owe money back to Milwaukee County DHHS, simply because of the deficient reports. Please be sure your auditor is aware of the required schedules, their required content and the required level of detail. These schedules are your representation and responsibility; **you are the party responsible for their content and preparation, not your auditor.**

6.2.3. Examples of properly and improperly reported schedules.

Following are examples of properly and improperly prepared Supplementary Schedules of Program Revenue and Expense. These are all examples of reports based on the same underlying costs. The Contractor Agency in this example spent the contract amount; within allowable budget variance levels, on allowable expenditures, and when the Schedule of Program Revenue and Expense is properly prepared, owes no money back. All of the fiscal recoveries are the result of improperly prepared audit reports.

6.2.4. Audit Waiver

Wisconsin Statute 46.036 requires an audit from providers that receive more than \$25,000 from the Department of Health and Human Services or from a county. The statute allows the department to waive audits on a case-by-case basis. The waiver of the audit may be appropriate in certain circumstances, some of which are given below. The audit waiver criteria don't apply to Group Homes and Child Caring Institutions that provide out of home residential care for children. In addition, audits required under the Single Audit Act Amendment of 1996 cannot be waived (this refers to Single Audits under OMB Circular A-133 for agencies expending more than \$500,000 of federal funding).

If the provider does not need to have a federal audit, the audit may be waived when:

- Provider is identified as a low risk, (Sole Proprietor/ Single member LLC, or with funding around \$100,000, paid on a unit rate, alternative forms of financial reports are submitted, prior experiences, certain CBRF, AFH etc.)
- Provider agency agrees to increased or alternate form of reporting/monitoring efforts,
- Provider is funded solely with federal funds below the \$500,000 threshold,
- Department's funding is a very small part of provider's overall business,
- The audit will create a financial hardship on the provider, (e.g. audit fee more than 5% of funding).
- Audited information is not needed, due to alternate source(s) being available,
- The agency does not operate a Group Home or Child Caring Institution.

As stated earlier, the waiver will be allowed on case-by-case basis. A request for waiver may be submitted to Contract Administration, Department of Health and Human Services on the attached Audit Waiver Request form before the due date of the audit. The form is also available on the web at <http://county.milwaukee.gov/ContractMgt15483.htm>. The Audit Waiver Request form may be completed electronically and submitted as an email attachment to sumanish.kalia@milwcnty.com, or faxed to DHHS Contract Administration at (414) 289-8574.

SECTION 6.3: REQUIRED ANNUAL AUDIT SCHEDULES

6.3.1 Schedule of Program Revenue and Expense

Prepare a separate Program Revenue and Expense Schedule for each program contracted. Each program contracted is represented by a separate line item on Exhibit I of the Purchase of Service Contract, and had has a separate Budget Form 3 in the proposal submission. **DO NOT COMBINE MULTIPLE PROGRAMS INTO A SINGLE PROGRAM REVENUE AND EXPENSE SCHEDULE.**

Specific Instructions

Actual. In the column labeled “Actual”, report the actual costs incurred for the program during 2011 or the fiscal period ending in 2011. Do not include costs unallowable under the allowable costs principles contained in the *Allowable Cost Policy Manual, 1999 revision, O.M.B. Circular A-122 or Code of Federal Regulations 48 CFR part 31.*

Approved Budget. In the column labeled “Approved Budget”, report the latest approved budget for the program, as calculated on Budget Forms 3 and 4. If you need to combine information from more than one Form 3 and Form 4 in order to encompass the entire budget for this program, **STOP.** Two or more programs have been combined in the report. The total actual expenses reported in this schedule will be compared to one and only one program budget. **MONEY WILL BE OWED BACK TO MILWAUKEE COUNTY.** Prepare a separate Program Revenue and Expense Schedule for each individual program.

Variance from Budget. In the column labeled “Variance From Budget” report the difference between the actual expenses incurred and the approved budget. Actual expenses in excess of the approved budget will be reported as positive amounts; actual expenses less than the approved budget amount will be reported as negatives.

Revenues. Report program revenues for all services performed in 2012 identified by the line items indicated. **DO NO COMBINE LINE ITEMS.** These line items correspond to the budget forms submitted with the original proposal, were part of the basis used in determining the contract amount and/or rate, and are incorporated into your contract by reference.

Expenses. Report program expenditures for all services performed in 2012 identified by the line items indicated. **DO NO COMBINE LINE ITEMS.** These line items correspond to the budget forms submitted with the original proposal, were part of the basis used in determining the contract amount and/or rate, and are incorporated into your contract by reference. As indicated in the examples previously presented, combination of line items may result in un-allowability of otherwise allowable costs.

Milwaukee County DHHS Funded Programs. Report the total funding from Milwaukee County DHHS funded programs by Division – Disabilities Services Division (DSD), Delinquency & Court Services Division (DCSD), Management Services Division (MSD), Behavioral Health Division (BHD), and Wraparound Milwaukee and other Fee for Service Networks (e.g. CCSN, Wiser Choice, etc.). It is not necessary to report each individual program separately; however, it is necessary to report programs funded by each of the Divisions separately. If a program is partially funded by Milwaukee County DHHS and partially funded by another source, it must be included here.

Other Programs. Report other programs, contracts and functions of the Agency that are not funded by Milwaukee County DHHS. These would include Contracts with and Programs funded by Municipalities, Other Counties, the State of Wisconsin, and other Agencies. Total Agency. Sum all the reported revenues and expenses from the previous columns and place the total in the final column. The amounts in the final column should agree with the Agency-wide Statement of Operations or Income Statement.

Revenues and Expenses. Please do not alter the line items identified in this Schedule. These line items correspond to the line items in the approved budget upon which the Contract amount and/or rate were based.

Allocated Costs. Report the indirect costs allocated to each program or contract in each respective columns. Report the total costs allocated to all the programs as a negative figure in the “Indirect Costs” column. When this row is summed across, the total for this line reported in the “Total Agency” column should be zero.
