I. POLICY

To maintain the integrity of the Wraparound process and ensure quality community-based care to the children and families of Wraparound Milwaukee, it is the policy of Wraparound that all agencies providing care coordination for our network adhere to the following guidelines and procedures.

II. PROCEDURE

A. Qualifications.

1. Care Coordinators must possess a [bachelor's degree in a relevant area of education or human services and a minimum of one year of continued experience providing mental health services](#).
2. Lead Care Coordinators must meet the above standard and have at least one year of Care Coordination experience with Wraparound Milwaukee.
3. It is the Agency's responsibility to complete a background check on all potential employees in adherence to the [Wraparound Milwaukee Caregiver Background Check Policy #057](#), the County Board's Resolution regarding background checks and the Wisconsin Caregiver Law.
4. It is the Agency's responsibility to maintain the employee's file, which includes the Care Coordinator's resume, proof of qualifications, [all background check information](#), a copy of a valid [driver's license as verified through completion of a Driver's Abstract](#) and proof of current auto insurance. Wraparound Milwaukee maintains the right to periodically audit Agencies to assure adherence.
5. [Before the Care Coordinator begins to provide services, the Care Coordination Agency will need to complete and submit the ADD NEW CARE COORDINATOR form \(see Attachment 1\) to the Wraparound Milwaukee Provider Network. A completed 3-part background check and the Care Coordinator's credentials are to be submitted with the ADD NEW CARE COORDINATOR form. The Care Coordinator's name is added to Synthesis \(Wraparound Milwaukee's Information Management System\) as a Provider of Care Coordination services after their credentials/qualifications have been verified by Wraparound Milwaukee. Agencies will be notified in writing \(via letter or email\) if an individual is ineligible to be a Care Coordinator. Agencies should allow 2 to 3 business days for Wraparound Milwaukee to complete the credential review process. Once the Care Coordinator begins employment, they must complete and submit a SYNTHESIS ID REQUEST form \(see Attachment 2\) in order to receive a Synthesis Login I.D. The completed \(signed and dated\) Synthesis ID Request form can be faxed to the Wraparound Milwaukee Administrative Office - Synthesis Help Desk.](#)

B. Training.

1. All Care Coordinators must become certified to provide care coordination for Wraparound Milwaukee by completing [54 hours of mandatory training](#) in Wraparound philosophy and policies, as well as attend a Family Orientation within 6 months of their hire date. The certification training will be held at least twice a year. Once a Care Coordinator has been hired, it is the Agency's responsibility to have the employee complete the required training [in its entirety within the first six \(6\) months of hire](#) to continue to receive families from Wraparound Milwaukee.
2. To honor our commitment to providing quality care to families, as well as meet the needs of the Care Coordinators, Wraparound will offer ongoing trainings/Care Coordinator meetings on a variety of topics as needed, most of which will be mandatory.

Note: *It is important to sign the “Sign-In and Sign-Out” attendance sheets when participating in all offered trainings to ensure Wraparound’s accuracy in monitoring compliance.*

C. Duties and Responsibilities.

1. In Wraparound Milwaukee:

The Care Coordinator maintains a caseload of 8-9 families with a minimum of 14 hours of service contact per month per family to include weekly face-to-face contacts with the youth and family. For those youth in out-of county placements (more than one hour outside of Milwaukee County), Care Coordinators are expected to have monthly face-to-face contact and weekly phone contact with these youth. This is in addition to the weekly face-to-face contacts that are occurring with the family who resides in Milwaukee County.

In the REACH Program:

2. The Care Coordinator maintains a caseload of 12–14 families with a minimum of 8 hours of service contact per month/per family to include bi-weekly face-to-face contacts with the youth and family.
2. The Care Coordinator must assemble a Child & Family Team within two (2) weeks of enrollment by interviewing the family, identifying family members/natural supports/agency representatives and other significant persons. The Care Coordinator begins to uncover the youth’s/family’s strengths and needs, provides assistance with any immediate needs, as well as completes the initial Crisis Plan. The initial Crisis Plan must be entered into Synthesis within one (1) business day of the meeting.
3. Within the first 30 days, the Care Coordinator coordinates the meeting of the Child & Family Team and develops the initial individualized Plan of Care (POC) based on the identified strengths and needs, including a comprehensive 24-hour Crisis Plan. The Plan should reflect the best possible fit with the culture, values and beliefs of the family.
4. The Care Coordinator submits a Plan of Care (POC) and Service Authorization Request (SAR) to Wraparound Milwaukee. Services should be community-based and culturally relevant. The initial plan is required within the first 30 days. Subsequent Plans must be done at least every 60 days after the initial.
5. The Care Coordinator must monitor the provision and quality of services provided to the family through the Child & Family Team and is the liaison when new services/resources need to be sought or developed. The Care Coordinator seeks community resources first with the assistance of the Team and modifies the SAR whenever services or resources need to be added and/or deleted.
6. The Care Coordinator provides or arranges for transportation for his/her clients to appointments, crisis/respite services, etc., if needed. Driver’s license and auto insurance with adequate coverage must be kept up to date.
7. The Care Coordinator provides or secures support and crisis/emergency services for the youth/family. This may be done through face-to-face contact, phone contact or availability by beeper or an on-call system. All time spent on crisis assessment and planning, crisis linkage and follow-up, and stabilization must be documented as crisis hours.
8. The Care Coordinator completes all the necessary paperwork in a strength-based manner per Wraparound Milwaukee/Agency requirements,(i.e., court letters, change of placement forms, SAR’s, Referrals, POC’s, Progress Notes, evaluation instruments, consent forms, etc.). The Care Coordinator maintains accurate information on-line, ensuring that family demographic information is up-to-date, as well.
9. The Care Coordinator collaborates with other necessary individuals the youth and family may have contact with, such as Bureau Case Managers, Probation Officers, Judges, District Attorneys, Attorneys, Teachers, Physicians, etc. This means that the Care Coordinator contacts these key people by telephone frequently, invites them with adequate notice to Child & Family Team and Plan of Care meetings, and provides them with copies of the Plan of Care within one week of completion.
10. The Care Coordinator assists families in getting to and participating in all family events. He/she also promotes and assists youth in attending and participating in the Youth Council.
