

Vested Pension Rights

What is vesting?

Vesting is the concept used to determine whether you are entitled to a pension benefit

You become vested in ERS by either:

- Working a certain number of years, or
- Reaching age 60 (age 57 for Deputy Sheriffs) while employed for the County, or
- If you begin employment after normal retirement age

An employee with vested rights is entitled to pension benefits:

- You may continue to work until, and after, you are eligible to retire, or
- You may terminate employment and be eligible for pension benefits when you reach age 60 (age 57 for Deputy Sheriffs)
