MILWAUKEE COUNTY GOVERNMENT AT A GLANCE

Milwaukee County Government

Milwaukee County government creates and enforces laws, manages public service programs and operates public facilities, all of which contribute to the quality of life for County residents. Through its many responsibilities, functions and programs, Milwaukee County government touches the lives of thousands of people every single day.

Milwaukee County is an administrative arm of state government. State Statutes require Milwaukee County to provide and fund essential services for the public good such as courts, juvenile detention and incarceration facilities like the House of Correction and the County jail.

Milwaukee County government has three branches:

- **Executive Branch**

The Executive branch manages the administration of County affairs. This branch consists of the County Executive and cabinet. County residents elect a County Executive every four years. The cabinet includes the Directors of Administrative Services, Public Works, Health and Human Services, and Parks.

- **Legislative Branch**

The Legislative branch includes eighteen County Supervisors. Supervisors are elected by district to four-year terms on a non-partisan ballot to represent their various constituents. The County Board of Supervisors establishes policy, services and laws for the County, amends and adopts the annual budget, confirms County Executive appointments and monitors County operations through the Department of Audit.

- **Judicial Branch**

The Judicial branch serves as the court system. Forty-seven judges preside over 160,000 criminal, civil, probate, family and children's court cases every year. All judges are employed by the State of Wisconsin and are elected to six-year terms on a non-partisan, countywide basis. There are three divisions to support the courts: Clerk of Circuit Court, Register in Probate and Family Court Commissioner.

For more explanation, please consult your Human Resources Manager/Coordinator.

DEFERRED COMPENSATION

Plan Features

“Deferred Compensation” is an Internal Revenue Service (IRS) term. It refers to the employee’s ability to save money through regular payroll deductions on a pre-tax basis. “Pre-tax” means that neither the money saved nor the earnings on the invested funds is subject to federal or state income taxes until withdrawn. Because of this tax break, dollars set aside under this program provide greater benefits than dollars saved under ordinary savings plans. Keep in mind that this program is designed to enable you to supplement your retirement income. For that reason there are very stringent rules regarding when and under what circumstances you can withdraw your money before retirement. This program should not be thought of as a passbook savings vehicle. Deferred Compensation is primarily designed for retirement savings.

Eligibility Requirements

All current benefit-eligible County employees are eligible to participate in the Deferred Compensation Plan. Enrollments in the plan can occur at anytime throughout the year. The plan representative will explain the plan, provide the necessary paperwork, and help you to complete the appropriate forms.

Contribution Opportunities

The amount you are allowed to contribute to your 457 plan is based on your taxable compensations as defined in the Internal Revenue Code (IRC). For the year 2011, the maximum amount you may defer from your salary is 100% of your includible compensation as defined by the Internal Revenue Code or \$16,500, whichever is less. Those participants who are age 50 and older may contribute an additional \$5,500 to the Plan for 2011. This means that participants age 50 and older can contribute a maximum contribution of \$22,000 or 100% of includible compensation, whichever is less, for the 2011 calendar year. For a contribution calculation, please contact your registered representative.

Investment Options

A wide array of core investment options is available through your Plan. Each option is explained in further detail in your Plan’s fund data sheets. Investment option information is also available through the website, www.milwaukeecounty457.com.

Distribution of Funds

Qualifying distribution events are as follows: Retirement (including retirement due to permanent disability), Unforeseeable Emergency (as defined by the Internal Revenue Code and your Plan’s provisions), Severance of Employment (as defined by applicable Internal Revenue Code provisions), Attainment of age 70 ½, and Death (your beneficiary received your benefits).

Contact Information

For more information, please contact a Great West representative at the Milwaukee county Deferred Compensation Office at the Milwaukee County Courthouse, 901 N. 9th St, Room 212C or call (414)223-1921.

RETIREMENT

The Employee's Retirement System (ERS) is a single-employer plan that was created to encourage qualified personnel to enter and remain in the service of the County of Milwaukee (the "County") by providing a system of retirement, disability and death benefits to or on behalf of its employees. In 1937, the County was mandated to create the Retirement System as a separate legal entity. The County did so by passing Section 201.24 of the General Ordinances of Milwaukee County.

The authority to manage and administer the Retirement System is vested in the Pension Board (the "Board"). The Pension Board consists of 9 members – 3 members appointed by the County Executive (subject to confirmation by the County Board of Supervisors), 3 employee members elected by the active employee members, 2 members appointed by the County Board chairperson (subject to confirmation of the County Board and County Executive) and 1 retiree elected by retirees.

The Board created 2 committees to assist in the administration of the Board's duties. The Investment Committee reviews the investment portfolio on a monthly basis, endorses strategies and submits investment recommendations to the full Board. The Audit Committee reviews legal issues, Ordinance adherence and submits recommendations to the full Board regarding the annual audit and the Annual Report of the Pension Board.

Contributions

Historically, the Retirement System has been substantially noncontributory. As of January 1, 2011, non-represented employees and elected officials eligible for pension benefits (regardless of vesting status) were required to contribute 2% of their pre-tax earnable compensation, after appropriate FICA deductions, to the Retirement System. The contribution increased to 3% of salary beginning June 12, 2011 for non-represented employees excluding elected officials. It should be noted that implementation of the 2011 State Budget Repair Bill will result in Ordinance changes affecting contributions during the year. The contributions will be used to help pay the annual cost of providing pension benefits to retirees.

Contributions due from the County to the Retirement System consists of amounts sufficient to fund the annual normal cost and interest on and amortization of the unfunded or overfunded actuarial accrued liability. A substantial portion of the current year's contribution is paid to the Retirement System in the following year.

Benefits

The normal retirement benefit is a monthly pension for the life of the member beginning at normal retirement age. The pension amount is determined by the following formula: Multiplier x Creditable Service x Final Average Salary. Optional forms of payment that are the actuarial equivalent of the member's benefit may be elected upon retirement.

For most members, the normal retirement age is either 60 or 64 depending on ERS enrollment date and collective bargaining agreement. A few labor agreements also require a minimum of 5 years creditable service in addition to the age requirement. For deputy sheriff members, the

normal retirement age is 57 or age 55 with 15 years of creditable service. Depending on enrollment date and collective bargaining agreement, some active members are eligible to retire when their age added to their years of creditable service equals 75 (the “Rule of 75”). The multiplier is determined by Ordinance, collective bargaining agreement and ERS enrollment date. At this time, the multiplier percentage can be 1.5%, 1.6%, 2% or 2.5%. A member’s 3 or 5 consecutive years of highest earnings are used to calculate their final average salary as defined by Ordinance and labor agreement.

Annually after retirement the monthly benefit is increased by 2% of the benefit paid for the first full month of retirement. By Ordinance, the maximum benefit (excluding post-retirement increases) payable to a member cannot exceed the sum of 80% of the member’s final average monthly salary.

An ERS member who meets the requirements for an accidental or ordinary disability retirement benefit is entitled to an amount computed in the same manner as a normal pension but not less than 60% of the member’s final average salary for accidental disability. A total of 15 years of creditable service is required to apply for ordinary disability.

A member who is 55 years of age and has 15 years of credited service may elect to receive early reduced retirement benefits. The member would be entitled to a benefit computed in the same manner as a normal pension with a lifetime reduction of 5% for each year prior to the normal retirement date.

Vesting is defined as the right to a pension benefit. The current vesting requirement is 5 years of credited service for most employees and 10 years of service for Deputy Sheriffs. Members who terminate Milwaukee County employment after becoming vested but before they are eligible to receive a benefit are known as deferred vested. Deferred vested members can receive pension benefits beginning the month following attainment of normal retirement age.

Military Service Credit

ERS members may qualify for additional pension service credit for time served in the United States Armed Forces between January 1, 1938 and December 31, 1974. The maximum military credit (or fractions thereof) is four (4) based on total County pension service credit upon retirement as follows:

Years of County Service	Years of Military Credit
5	Up to 1
10	Up to 2
15	Up to 3
20	Up to 4 (maximum)

Military service credit cannot be used toward determining pension service credit required for vesting or retirement.

To request for military service credit, you will need to complete an application form and provide a copy of your Form DD214 (military discharge). Application forms are available from the ERS office.

Other retirement questions can be directed to the ERS office at 278-4207 or emailed to: ers@milwcnty.com. You can also consult the Division of Human Resources website at www.mcdhr.org for further updates

BENEFITS

Introduction

Employee benefits are a significant part of your total compensation from Milwaukee County and offer critical financial protection for you, your spouse and eligible dependent children. You have 30 days from your hire date to enroll in benefits. Medical and dental benefits are effective the first of the month following 30 days of employment.

The Milwaukee County Benefits Division sponsors an annual **open enrollment** period. During Open Enrollment, employees can change insurance providers or sign up for other employee benefits. The Benefits Division also sponsors a number of **Benefits Information Sessions** during Open Enrollment, where representatives of the medical, dental and other benefit administrators are available to answer employee questions. The sessions are held at a variety of times and locations throughout the County.

For details about these employee benefits, please consult the Milwaukee County Benefits Booklet, available from your departmental Payroll Clerk or contact the Benefits Division at 278-4198.

Medical Benefits

County employees may choose one of the medical insurance plans listed below:

1. **Milwaukee County Choice Plus (PPO Comparable)**
2. **Milwaukee County Choice (HMO Comparable)**

The medical plans are administered by UnitedHealthCare, and Medco administers our prescription drug plan.

Eligible employees can choose to waive medical coverage through Milwaukee County if they have group coverage through a spouse or other employment. To waive group coverage, log on to the Ceridian Benefits System at www.benefitenroll.com and begin the on-line benefit selection process.

Dental Insurance

County employees may choose one of two dental insurance plans listed below:

1. **Milwaukee County Conventional Plan (Humana Dental)**
2. **Care-Plus Prepaid (DMO)**

Life Insurance

Milwaukee County offers a number of term life insurance plan options to its employees. You are eligible to participate in life insurance plans the first of the month six months after your date of hire. MetLife is the current administrator for Milwaukee County's life insurance plans.

Basic Life Insurance

Employees are eligible for up to one times their annual salary, rounded to the next highest \$1,000, in basic life insurance coverage. Milwaukee County provides the first \$25,000 (\$20,000 for select bargaining units) of that coverage. If basic life is elected, employees are responsible for the remainder of coverage over the first \$20,000 or \$25,000.

Note: A benefit reduction schedule begins at age 65 for basic life coverage.

Optional Life Insurance

The “optional” life insurance program offers additional life insurance coverage in amounts from \$10,000 to \$200,000 at group rates. The amount you select will be in addition to your “basic” (annual salary) coverage. If you are approved by MetLife for additional coverage, you will pay premiums through bi-weekly payroll deductions.

Voluntary dependent and spouse life insurance coverage is only available for Non-represented employees.

Important Considerations

Both Basic and Optional life insurance plans are “Term” insurance. You may not borrow against it and no cash value accrues. Acceptance for optional life is not guaranteed. If accepted for coverage, employees pay the full monthly premium based on age and coverage amount. Premiums will be deducted from the first two paychecks of each month. Optional coverage can be increased during the annual open enrollment period.

The beneficiaries designated for your Basic life coverage are the beneficiaries of your Optional life coverage as well.

Optional coverage is available to you by electing Basic coverage.

Flexible Spending Accounts (FSA)

Flexible spending accounts (FSA) allow you to use pre-tax dollars to pay for healthcare expenses not covered by your insurance plan and dependent care expenses incurred while you work. Once you determine the amount you need (up to the \$5,000 maximum for each account), that amount will be deducted in equal increments from the first two paychecks each month. Because of the pre-tax component, you save money. Elections for this benefit are made through the Ceridian Benefit System.

- **Health Care Account**

Within 30 days of hire or during the annual open enrollment period, you need to determine and elect the annual dollar amount you will need to pay for eligible out-of-pocket medical expenses (\$5,000 maximum). You are allowed to include eligible out-of-pocket expenses for you, your spouse, and anyone claimed as a dependent for tax purposes. .

- **Dependent Care Account**

As with the Health Care FSA, you need to decide how much money you want to place in your account based on your estimated dependent care (daycare) expenses for the plan year. The IRS limits this amount to \$5,000.

REMEMBER: “USE IT OR LOSE IT” -- Planning is important. The IRS requires that any unused money in your FSA accounts at the end of the year will be forfeited.

For customer service issues, please contact Ceridian Customer Service at 1-866-845-6271.

Disability Insurance

Milwaukee County offers employees disability insurance on a voluntary, employee-paid basis through Colonial Supplemental Insurance. Short-term disability insurance protects you in case of illness (on or off the job) or accident (off the job) with an income to help cover everyday living expenses while you are unable to work. You can elect to protect up to 66 2/3% of your monthly income (\$400 minimum up to \$5,000 maximum in increments of \$100) subject to income requirements.

Once purchased, premiums never increase with age and are guaranteed renewable to age 70. The coverage is also portable, which means you can keep the coverage if you change jobs.

New hires will be sent information by a Colonial representative. Any changes or terminations to your policy may only be done during the annual open enrollment period.

If you would like more information to tailor a plan specific to your needs, please contact the Colonial Supplemental Insurance Account Representative, Harold Gee, at 414-463-6252.

Employee Assistance Program (EAP)

The Employee Assistance Program (EAP) is designed to help employees and their families deal with difficult situations that cause stress and can result in challenges to a person's mental health and well-being. It is a service intended to help manage life's challenges. Everyone needs a helping hand once in a while, and the EAP can provide it. If assistance is needed beyond the services provided by EAP, options will be offered that may be covered under individual health insurance plans.

United HealthCare is the administrator for Milwaukee County's EAP. Use of the EAP is confidential; no one will know you are using it unless you choose to tell someone. Their phone number is (800) 622-7276.

The following services, paid for by Milwaukee County, are available:

- **Clinical Counseling**
The EAP can provide an assessment, assistance and referral to additional services when needed. Both face-to-face and telephonic consultants are available. Eligible members are entitled to up to three counseling sessions per incident per calendar year, for a wide range of emotional health issues.

Fair Labor Standards Act (FLSA)

State and Local governments covered since 1986.

Purpose

1. Minimum wage (to prevent exploitation of workers)
 2. Spread existing work around by requiring overtime pay (encourages employers to hire more workers rather than work the existing workforce harder)
- No person may be employed for such a period of time as is dangerous or prejudicial to the person's life, health, safety or welfare.
 - Employees who are covered and are not exempt from the provisions of the FLSA are entitled to be paid the minimum wage of \$7.25/hr and overtime (1 ½ times their regular rate of pay) for hours worked in excess of 40 hours in a workweek (Sunday through Saturday).
 - To determine whether employees are exempt from the provisions of the FLSA, there are two tests: a duties test and a salary test. If employees are exempt from the FLSA, they need not be paid the minimum wage or overtime.
 - Employees are entitled to equal pay regardless of sex. (Equal Pay Act – amendment to the FLSA in 1963). Exceptions: bona fide seniority system, a merit system, a system which measures earnings by the quantity or quality of production, or any other factor other than sex.
 - FLSA also contains provisions regulating child labor including minimum wages and maximum hours to be worked. Lower minimum wages for workers are permitted in certain occupations. Hours of work and permitted types of employment for minors aged 14 to 16 and minors aged 16 to 18 are included (14-16 – no power driven machinery or motor vehicles, 16-18 – no motor vehicles). Employees under the age of 18 must be provided with a 30-minute meal period when the employee works six consecutive hours of work or more.

Fingerprinting and Photo Identification

Below are the steps new employees must follow in order to have fingerprints and photo identification taken:

1. Employee is hired.
2. Employee receives a 3-part authorization form from the Human Resources Manager/Coordinator of the department/appointing authority. The form must be completed by the Human Resources representative and the employee, including the fingerprint number if the person is a current employee. If the appointing authority does not have the fingerprint number, they can get the number by:
 - a. contacting central Human Resources
 - b. accessing Ceridian, the number appears in the employee history screen
3. Employee takes completed form and a valid photo ID to the Sheriff's Office, Criminal Justice Facility (CJF), Room G-1, where fingerprints and employee photo will be taken for the Milwaukee County ID. The hours of operation for this process are Tuesday through Friday, 10:00 a.m. – 2:00 p.m.
4. The Sheriff's Office takes the photo and prints and issues the Milwaukee County ID. If the employee does not have a fingerprint number, the assigned number is stamped on the top copy of the form and written on the next two copies.
5. The Sheriff's Office fills out the verification part of the form and disburses the form as follows:
 - a. top copy will be sent to the Department of Administrative Services, Division of Human Resources, Courthouse, Room 210, for input into the employee's record
 - b. second copy is given to the employee to take back to the department
 - c. third copy is for the employee's record
6. The copy forwarded to the Division of Human Resources will be filed in the employee's confidential file after the fingerprint identification number is entered into the employee's record.
