The Milwaukee County Medical Examiner's Office would like to officially invite you to the

**24th Annual John R. Teggatz Forensic Science Seminar**

This year's seminar features an in-depth overview of the Columbia Space Shuttle tragedy, as well as exploring the challenges of investigating underwater deaths. The second day of the seminar is devoted to all things blood-related, from bloodstain analysis, to deaths involving diseases of the blood, complications of blood-thinning drugs, and the analysis of blood alcohol levels in death investigations. Please join us for an informative program that promises to enhance the scientific field of death investigation.
