

Emergency Support Function (ESF) # 7

Resource Support

Preface

Emergencies have the potential to disrupt the availability of resources needed to effectively respond. The County may find it necessary to use its personnel and equipment in extraordinary ways, to call upon private citizens and organizations for assistance, and even to request help from neighboring jurisdictions and state and federal agencies to aid in the County's emergency operations.

Emergency Support Function (ESF) # 7

Resource Support

PURPOSE.

1. Provide resources and logistical support for emergency response and recovery efforts.
2. Provide for the effective procurement, utilization, prioritization, and conservation of available local resources (equipment and supplies) during emergencies.
3. Provide for acquisition of resources from the state or federal government when local resources are depleted.

POLICIES.

1. Resources will be inventoried, prioritized or will be utilized in the most efficient manner possible, and will be applied to functions and areas of greatest need.
2. Additional resources will be requested from State Emergency Operations Center (EOC) after all available Milwaukee County resources have been utilized.
3. The Milwaukee County EOC is responsible for securing resources from outside the County. Departments that obtain resources from the public or private sector by any other means may not be reimbursed for their expenses
4. The County Executive and County Board of Supervisors may invoke temporary controls on local resources and establish priorities for use.
5. Each Milwaukee County Department is responsible for arranging the movement of Department assets to points where they are needed during emergencies and disasters. If the department does not have suitable transportation capabilities, it may request assistance through the EOC.
6. Milwaukee County Office of Emergency Management is responsible for securing state and federal resources.
7. The County Purchasing Ordinance may be suspended by the Chief Elected Official during declared emergencies.
8. The Chief Executive, in extraordinary circumstances, may convene advisory groups of public and private sector representatives to coordinate and manage the emergency use of community resources.

9. The EOC will coordinate dissemination of information concerning any emergency measures, and voluntary controls or rationing.
10. Citizens are advised to prepare their own emergency kit to meet family needs so they are self-sufficient for a minimum of 72 hours.
11. Milwaukee County will coordinate with the State EOC to establish an emergency distribution system if an emergency disrupts the normal distribution process.
