

Anglers and Paddlers! Protect Your Rivers...

Project **RED**

Riverine Early Detector

Do your part to help detect invasive plants and animals
in Wisconsin's rivers, streams, and lakes.

Free Training Session

Thursday, August 20th

10:00 am—2:00 pm

Hosted by the Milwaukee County Parks

At the Kletzsch Park Pavilion

6560 N Milwaukee River Pkwy, Glendale, WI 53209

Learn how to be a **Riverine Early Detector!**

The Ozaukee Washington Land Trust, with help from the River Alliance of Wisconsin, will teach you to identify invasive species in your river during this fun, interactive workshop.

The protocols are fun and get you outdoors for a real field experience, including a canoe paddle!

To RSVP, please contact Becky at bwadleigh@owlt.org or call at 262-338-1794
