

ATTACHMENT A

DISADVANTAGED BUSINESS ENTERPRISE (DBE) REQUIREMENTS

1. The successful contractor/service provider shall comply with CFR 49 Part 23 and 26 and Chapter 42 of the Milwaukee County Ordinances, which requires Good Faith Efforts (GFE) to achieve participation of certified Disadvantaged Business Enterprise (DBE*) firms on all USDOT and Milwaukee County funded service contracts. In accordance with this Milwaukee County policy and US DOT requirements, the contractor/service provider shall ensure that DBEs have an opportunity to participate in this contract.
2. The Community Business Development Partners (CBDP) Office of Milwaukee County is authorized to make the determination that contractor/service provider has made a good faith effort (GFE) to achieve the required DBE participation by doing either of the following:
 - a. Shows evidence that it has met the DBE participation by submitting a complete Commitment to Subcontract to DBE Firms (**DBD-014 form**); or
 - b. Documents that it made good faith efforts to meet the DBE participation goal, even though it did not succeed in achieving it. In this case, the contractor/service provider must submit the Certificate of Good Faith Efforts (DBD-001 form) and all relevant documentation with their proposal.
3. The efforts employed by the contractor/service provider should be those that one could reasonably expect a contractor/service provider to take if the contractor/service provider were actively and aggressively trying to obtain DBE participation sufficient to meet the DBE contract goal. Mere pro forma efforts are not good faith efforts to meet the DBE contract requirements. (49 CFR §26.53 and Appendix A to 49 CFR Part 26 which provides guidance regarding GFE). (Refer to Milwaukee County DBE Provisions governing GFE attached to this document.)
4. In the event the CBDP Office determines that the contractor/service provider has failed to meet the GFE requirements, the contractor/service provider is entitled to appeal this determination. The provisions of 49 CFR §26.53(d) apply to such an appeal. A request for administrative reconsideration must be sent within three (3) calendar days of receiving written notice from the CBDP office of the failure to meet the GFE requirement. The request should be sent to:

CBDP Office
City Campus, Room 830
2711 West Wells Street
Milwaukee, WI 53208

* The term "DBE" means small business concerns known as Disadvantaged Business Enterprise (DBE) firms owned at least 51% by socially and economically disadvantaged individuals, and certified by Milwaukee County under CFR 49 Part 26.

5. Prime contractor/service provider must submit with its proposal, the Sub-consultant Information Sheet (**DBD-002 form**) a complete Commitment to Subcontract to DBE Firms (**DBD-014 form**); or if the contractor/service provider is not able to meet the DBE goal the contractor/service provider must submit a complete the Certificate of Good Faith Efforts (**DBD-001 form**) and all relevant documentation. The **Commitment to Subcontract to DBE Firms Form** must contain the following information (see form **DBD-014** for additional details):
 - a. Name(s) of DBE(s) firm(s) being considered for utilization.
 - b. Description of services that will be provided by the DBE(s).
 - c. Percentage of the work assigned to the DBE(s). Also, include dollar amount.
6. When evaluating a contractor's proposed DBE commitment (**DBD-014 form**), Milwaukee County reserves the right to request any documentation from both the prime contractor and the listed DBE subcontractors. If the information requested is not submitted by the contractor within the time specified for such submission, Milwaukee County may award the contract to the next lowest responsive, responsible proposer.
7. The contractor/service provider shall prepare and submit accurate and timely forms and reports on DBE utilization to the Community Business Development Partners (CBDP) Office after contract award. These shall include, but not be limited to DBE Utilization Reports, and other forms as directed. Failure to submit forms and reports as prescribed herein, will result in delay of payments, or other sanctions deemed appropriate by the County, including those listed under Section (8), below.
8. When evaluating the performance of this contract after contract execution, Milwaukee County reserves the right to conduct compliance reviews and request, both from the prime contractor/service provider and DBE sub-consultant(s), documentation that would indicate level of compliance. If the contractor/service provider is not in compliance with the specifications, the County will notify the contractor/service provider in writing of the corrective action that will bring the contractor/service provider into compliance. If the contractor/service provider fails or refuses to take corrective action as directed, Milwaukee County may take one or more of the actions listed below:
 - a. Terminate or cancel the contract, in whole or in part.
 - b. Remove the contractor/service provider from the list of qualified consultant/service providers and refuse to accept future proposals for a period not to exceed three (3) years.
 - c. Impose other appropriate sanctions, including withholding any retainage or other contract payments due which are sufficient to cover the unmet portion of the DBE goal, where the failure to meet the goal is the result of a finding by the CBDP Office of consultant/service provider's bad faith.
 - d. If the contractor/service provider has completed its contract, and the goal was not met due to an absence of good faith on the part of the contractor/service provider as determined under 49 CFR Part 26, the parties agree that the proper measure of damages for such non-compliance shall be the dollar amount of the unmet portion of the DBE goal. The County may in such case retain any unpaid contract amounts and retainage otherwise due the

contractor/service provider, up to the amount of the unmet goal. If insufficient funds remain in the contract account to compensate the County up to that amount, Milwaukee County may bring suit to recover damages up to the amount of unmet goal, including interest at the rate of 12% annually, plus the County's costs, expenses and actual attorney's fees incurred in the collection action.

9. **DBE Participation Goal:** Each prime consultant/service provider shall utilize DBE firms to a minimum of the specified DBE contract goal. DBE participation requirement relative to contract award shall be based upon the approved Milwaukee County Commitment to Subcontract to DBE Firms (DBD-014 form). Contractor/service providers receiving additional work on the contract in the form of addendum, etc. shall be expected to increase DBE participation proportionally.
10. Contractor/service providers should note that for the purpose of proposal evaluation, only DBEs certified at the time of proposal submission will be counted toward the goal. Only DBEs that have been certified by Milwaukee County's Community Business Development Partners (CBDP), Certification Section, prior to the proposal due date may be listed on the "Commitment to Subcontract with DBE Firms" form and counted towards the DBE requirements on this project. In order to identify any certified DBE firms, and prevent any delay or disqualification of your proposal, refer to the Directory issued by **CBDP. The directory can be viewed at www.milwaukeecounty.org, do a search for "vendor", scroll down and double click on "Certified Vendor List" then click on the State of Wisconsin UCP Directory of Certified DBE Firms for the statewide listing, which includes Milwaukee County certified DBE firms.** If you need additional assistance related to certified DBE firms, contact the CBDP Office at (414) 278-4747.
11. Prime contractor/service provider shall count towards the DBE requirement and be credited one hundred percent (100%) of expenditures to DBE firms, if all of the identified scope of work has a commercially useful function in the actual work of the contract and is performed directly by the listed certified DBE firm. The Director of the CBDP Office through the application of 49 CFR §26.55(c) will be responsible for the determination and evaluation of whether or not the firm is performing a commercially useful function on this project.
12. Prime contractor/service provider is required to notify the CBDP office if their DBE subcontractors will further subcontract out work on this project. Credit will be given based on actual participation by DBE firms.
13. Listing a DBE on the Commitment to Subcontract to DBE Firms Form shall constitute a written representation and commitment that the prime contractor/service provider has communicated and negotiated directly with the DBE firm(s) listed, and that it will use the listed firm(s). If awarded the contract, the prime contractor/service provider will enter into a subcontract agreement with the DBE firm(s) listed on the Commitment to Subcontract to DBE Firms form for the work and price set forth thereon. This agreement must be submitted to the CBDP Office within seven (7) days from the Notice to Proceed.

14. Prime contractor/service provider must maintain DBE participation and performance logs. If the DBE firm(s) cannot perform, or if the prime consultant/service provider has a problem in meeting the DBE goal, or any other problem relative to the DBE goal requirement, the prime contractor shall immediately contact the CBDP Office at (414) 278-5248. If needed, prime contractor must submit a written request for substitution, including the reason for the request and the log. Approval must be obtained prior to making substitutions. Any difference in the cost occasioned by such substitution shall be borne by the prime contractor.
15. DBE Utilization Reports/Payment Applications After Contract Award. DBE Utilization Reports (**DBD-016 form**) must be submitted with the Payment Applications by the successful proposer after contract award. These reports must cover the period from the start of the project to the end of the period covered by the payment application being submitted or the period since the last payment application. The reports must be submitted even if no DBE activity took place during the period being reported. The County Project Manager will reject payment applications that are not in compliance with this section.
16. Final Payment Verification. The successful prime consultant/service provider must submit the "DBE Subcontractor Payment Certification" form (**DBD-018 form**) and the final DBE Utilization Report along with their Final Payment Application. The County Project Manager will not process the Final Payment Application if these reports are not submitted.
17. County reserves the right to waive any of these specifications when it is in the best interest of the County and with the concurrence of the CBDP Office.

COMMITMENT TO SUBCONTRACT TO *DBE* FIRMS FORM
ADDITIONAL INSTRUCTIONS/REQUIREMENTS**

INSTRUCTIONS:

1. In accordance with the new DBE Regulations, 49CFR26, Milwaukee County is tracking Assigned (Race Conscious) Goals for DBEs and Voluntary Utilization (Race Neutral) of DBE firms. Information reported on this form will be used to periodically adjust Race Conscious and Race Neutral components of Milwaukee County's overall DBE goal.
2. For each DBE firm listed on this form, place an "X" in the appropriate column to indicate whether it will be used to meet Assigned [(A) Race Conscious Goal] and/or Voluntary [(V) Race Neutral Goal]. Any achievement above assigned goals should be reported as voluntary goal achievement. If you indicate that a DBE firm will be used to meet both Assigned (Race Conscious) and Voluntary (Race Neutral) goals, indicate the dollar amount attributable to assigned goals. DBE use to meet assigned goals is enforceable. It is important to report the use of DBEs on a voluntary basis since they count toward meeting the overall annual DBE goal. Failure to meet voluntary goals could result in an increase of assigned (Race Conscious) goals for future bids. Our objective is to capture all DBE achievement you generate.
3. If you have questions about filling out this form, please contact the CBDP Office at (414) 278-5248.

ADDITIONAL INFORMATION/REQUIREMENTS:

1. **ALLOWANCES (Construction Related):** During the course of this project you will be using portions of the Allowance, which was initially deducted from your contract when you figured out your DBE requirement. As the allowance is used on the project, it is to be added back into the total contract price. An exception would be if the allowance being used is such that the DBE(s) cannot handle any portion of the work, the total contract amount will remain the same. In this case, it is necessary for the prime contractor to contact CBDP office immediately by phone and provide the dollar amount involved and the reasoning for DBEs not being utilized. In addition, a follow-up letter documenting the information is required.
2. **CHANGE ORDERS:** Any prime contractor receiving additional work on the contract in the form of change orders, etc., will be expected and required to increase the amount of DBE participation proportionally. Any time you receive additional work of any type, the prime contractor is required to contact the CBDP office immediately.
3. **WRITTEN CONTRACTS WITH DBEs:** In order to avoid problems at a later date, CBDP requires that prime contractors enter into a contract (please send a copy to CBDP) with the DBE subcontractor(s), spelling out specifically the work to be accomplished and for the dollar amount specified in this form. Also included in the contract will be the method of retainage, which is to be based on the same percentage that will be retained by the County from the prime contractor's contract. When the County reduces the amount of retainage, a like reduction should be retained from the payment to the DBE. ***By executing the above affidavit, your company is certifying, under oath, that you have had contact with the named DBE firm(s), that the DBE firm(s) will be hired, and that the DBE firm(s) will participate to the extent indicated in performance of the contract. VIOLATION OF THE TERMS OF THE AFFIDAVIT WILL BE GROUNDS FOR TERMINATION OF YOUR CONTRACT.***
4. **DBE UTILIZATION REPORTS:** A DBE Utilization Report must be submitted with each payment application for the previous period's activity, even if no activity took place during the period being reported. CBDP may request that payments be withheld to the prime contractor who is not in compliance.
5. **SUBSTITUTIONS, DBEs SUBCONTRACTING THE WORK, TRUCKING FIRMS:** The prime contractor must submit a written request for substitution, specifying the reason for the request. Approval must be obtained prior to making substitutions. Requirement to notify and obtain approval from the CBDPOffice if DBE subcontractors will further subcontract out work on this project. In the case of DBE trucking firms, credit will be given for trucks leased from other DBE firms; however, if the DBE leases trucks from non-DBE firms, only the fee or commission will be counted for DBE crediting.
6. **PAYMENT APPLICATIONS:** DBE Utilization Reports (DBD-016PS form) must be submitted with each and every Payment Application including invoices. These reports must cover the period from the start of the project to the end of each period covered by payment applications being submitted, until the end of the contract when the last payment application is submitted. The department contract administrator will reject payment applications that are not in compliance with this section.

IF YOU HAVE ANY PROBLEMS OR CONCERNS, PLEASE CONTACT THE CBDP OFFICE AT (414) 278-5248

PROVISIONS GOVERNING GOOD FAITH EFFORTS

(Based upon 49 CFR Part 23 and 26, Appendix A, attached)

1. COMMITMENT TO SUBCONTRACT WITH DBE FIRMS FORM (DBE-014PS) AND GOOD-FAITH EFFORTS CERTIFICATE (DBD-001PS).

In the event you are the low bidder/successful proposer you will be so informed in writing promptly after bid/proposal opening/review. As indicated in the bid/RFP documents, within three (3) working days of being so notified, you must supply the Commitment to Subcontract with DBE Firms Form (DBD-014PS) which is included with the contract documents. This form is to establish that you have received from the listed DBE contractors signed commitments sufficient to satisfy the DBE goal for that project. If you indicate in this document that you have not met the DBE goal, your bid may be rejected as non-responsive. If you wish to ask for a waiver of the goal, you must submit the form entitled Certificate of Good-Faith Efforts, DBD-001PS at the time you submit the Commitment to Subcontract with DBE Firms Form.

2. GOOD-FAITH EFFORT PROCEDURE.

The DBD-001PS form constitutes your written request for a waiver from the goal, and is used by the contracting officer to determine whether you made a good-faith attempt to secure the services of DBE subcontractors. Review and complete it carefully. The contracting officer will review the completed form, and any attachments, and may contact companies listed as having been asked to submit bids and may take other steps to verify the information provided in the DBD-001 form. The contracting officer will give you a written response to your waiver request in writing, within three (3) working days of the date the DBD-001C form was submitted. If the waiver is denied, you have three (3) working days from the date you receive the denial in which to submit to the contracting officer a written request for an administrative hearing to challenge the denial. You will be notified promptly of the time and place of the hearing, which will occur within three (3) working days of the receipt of your request for such appeal. At the administrative hearing you may submit any information you have in support of your waiver application. You may be represented by counsel if you wish. The hearing officer will be a person who was not involved in evaluating your original bid. The hearing officer has discretion whether to consider any evidence, which was not previously submitted with, the DBD-001PS form for review by the contracting officer.

3. GUIDELINES FOR ENGAGING IN GOOD-FAITH EFFORTS.

Also included in this packet is Appendix A of 49 CFR 26 upon which form DBD-001PS is based. Review this carefully. This document sets forth the kind of activities that the county would reasonably expect of a contractor who was actively and aggressively seeking to engage DBE subcontractors. Both, the contracting officer and the administrative hearing officer(s) will be guided

in their decisions by Appendix A and the contents of the bidder/proposer's DBD-001PS. At the administrative hearing the contracting officer will present the rationale for denying the waiver, and you will have an opportunity to present your case and rebut any statements or evidence. The burden of proof is on the bidder/proposer to convince the hearing officer that a good-faith waiver is warranted by the evidence. The hearing officer will promptly issue a written decision setting forth the basis for his or her decision. This decision is final.

4. CONSEQUENCES OF YOUR FAILURE TO PRACTICE GOOD FAITH EFFORTS.

If the hearing officer(s) determine(s) that your DBE participation effort lacked good faith efforts, the contracting department may reject your proposal.

If you have any questions about the good-faith effort process, please contact the Milwaukee County Community Business Development Partners (CBDP) Office at 414-278-5248.

**APPENDIX “A” TO 49 CFR PART 26
GUIDANCE CONCERNING GOOD FAITH EFFORTS**

- I. When Milwaukee County establishes a DBE contract goal on a DOT-assisted contract a bidder/proposer must, in order to be responsible and/or responsive, make good faith efforts to meet the goal. The bidder/proposer can meet this requirement in either of two ways. First, the bidder/proposer can meet the goal, documenting commitments for participation by DBE firms sufficient for this purpose. Second, even if it doesn't meet the goal, the bidder/proposer can document adequate good faith efforts. This means that the bidder/proposer must show that it took all necessary and reasonable steps to achieve a DBE goal or other requirement of this part which, by their scope, intensity, and appropriateness to the objective, could reasonably be expected to obtain sufficient DBE participation, even if they were not fully successful.
- II. In any situation in which Milwaukee County has established a contract goal, part 26 requires you to use the good faith effort mechanism of this part. As a recipient, it is up to you to make a fair and reasonable judgment whether a bidder/proposer that did not meet the goal made adequate good faith efforts. It is important for you to consider the quality, quantity, and intensity of the different kinds of efforts that the bidder/proposer has made. The efforts employed by the bidder/proposer should be those that one could reasonably expect a bidder/proposer to take if the bidder/proposer were actively and aggressively trying to obtain DBE participation sufficient to meet the DBE contract goal. Mere pro forma efforts are not good faith efforts to meet the DBE contract requirements. We emphasize, however, that your determination concerning the sufficiency of the firm's good faith efforts is a judgment call: meeting quantitative formulas is not required.
- III. The Department also strongly cautions Milwaukee County against requiring that a bidder/proposer meet a contract goal (i. e., obtain a specified amount of DBE participation) in order to be awarded a contract, even though the bidder/proposer makes an adequate good faith efforts showing. This rule specifically prohibits you from ignoring bona fide good faith efforts.
- IV. The following is a list of types of actions, which Milwaukee County should consider as part of the bidder/proposer's good faith efforts to obtain DBE participation. It is not intended to be a mandatory checklist, nor is it intended to be exclusive or exhaustive. Other factors or types of efforts may be relevant in appropriate cases:
 - A. Soliciting through all reasonable and available means (e. g. attendance at pre-bid meetings, advertising and/or written notices) the interest of all certified DBEs who have the capability to perform the work of the contract. The bidder/proposer must solicit this interest within sufficient time to allow the DBEs to respond to the solicitation. The bidder/proposer must determine with certainty if the DBEs are interested by taking appropriate steps to follow up initial solicitations.
 - B. Selecting portions of the work to be performed by DBEs in order to increase the likelihood that the DBE goals will be achieved. This includes, where appropriate, breaking out contract work items into economically feasible units to facilitate DBE participation,

even when the prime contractor might otherwise prefer to perform these work items with its own forces.

- C. Soliciting through all reasonable and available means (e. g. attendance at pre-bid meetings, advertising and/or written notices) the interest of all certified DBEs who have the capability to perform the work of the contract. The bidder/proposer must solicit this interest within sufficient time to allow the DBEs to respond to the solicitation. The bidder/proposer must determine with certainty if the DBEs are interested by taking appropriate steps to follow up initial solicitations.
- D. Selecting portions of the work to be performed by DBEs in order to increase the likelihood that the DBE goals will be achieved. This includes, where appropriate, breaking out contract work items into economically feasible units to facilitate DBE participation, even when the prime contractor might otherwise prefer to perform these work items with its own forces.
- E. Providing interested DBEs with adequate information about the plans, specifications, and requirements of the contract in a timely manner to assist them in responding to a solicitation.
- F. Negotiating in good faith with interested DBEs.
 - (1) It is the consultant/service provider's responsibility to make a portion of the work available to DBE subcontractors and to select those portions of the work consistent with the available DBE subcontractors, so as to facilitate DBE participation. Evidence of such negotiation includes the names, addresses, and telephone numbers of DBEs that were considered; a description of the information provided regarding the plans and specifications for the work selected for subcontracting; and evidence as to why additional agreements could not be reached for DBEs to perform the work.
 - (2) A consultant/service provider using good business judgment would consider a number of factors in negotiating with subcontractors, including DBE subcontractors, and would take a firm's price and capabilities as well as contract goals into consideration. However, the fact that there may be some additional costs involved in finding and using DBEs is not in itself sufficient reason for a bidder/proposer's failure to meet the contract DBE goal, as long as reasonable. Also, the ability or desire of a consultant/service provider to do the work of a contract with its own organization does not relieve it of the responsibility to make good faith efforts. Prime consultants/service providers contractors are not, however, required to accept higher quotes from DBEs if the price difference is excessive or unreasonable.
- G. Not rejecting DBEs as being unqualified without sound reasons based on a thorough investigation of their capabilities. The contractor's standing within its industry, membership in specific groups, organizations, or associations and political or social affiliations (for example union vs. non-union employee status) are not legitimate causes for the rejection or non-solicitation of bids in the contractor's efforts to meet the project goal.
- H. Making efforts to assist interested DBEs in obtaining lines of credit or insurance as required by the recipient or contractor.
- I. Making efforts to assist interested DBEs in obtaining necessary resources or related assistance or services.
- J. Effectively using the services of available minority/women community organizations; minority/women contractors' groups; local, state, and Federal minority/women business

assistance offices; and other organizations as allowed on a case-by-case basis to provide assistance in the recruitment and placement of DBEs.

- V. In determining whether a consultant/service provider has made good faith efforts, Milwaukee County may take into account the performance of other bidders/proposers in meeting the contract. For example, when the apparent successful consultant/service provider fails to meet the contract goal, but others meet it, Milwaukee County may reasonably raise the question of whether, with additional reasonable efforts, the apparent successful consultant/service provider could have met the goal. If the apparent successful bidder/proposer fails to meet the goal, but meets or exceeds the average DBE participation obtained by other consultants/service providers, Milwaukee County may view this, in conjunction with other factors, as evidence of the apparent successful bidder/proposer having made good faith efforts.

**GOOD-FAITH EFFORTS WAIVER DENIAL
REQUEST FOR ADMINISTRATIVE HEARING**

Your request for a good faith efforts' waiver has been denied, and you are entitled to request an administrative hearing to appeal that denial. If you wish to have such a hearing, please sign this form on the bottom and return to the Community Business Development Partners (CBDP) Office no later than 5:00 PM on _____. A faxed request may be sent to (414) 223-1958.

At the administrative review, a hearing officer will hear your argument why the waiver should be granted. The evidence he or she reviews will be the entire DBE participation file you submitted to the contracting officer. The hearing officer, in his or her discretion, may receive additional evidence, but any such evidence not previously submitted with your bid and Commitment to Subcontract with DBE Firms forms, must be submitted to the CBDP at the same time you file your request for hearing. No further evidence will be received or considered which was not submitted with this hearing request. You need not submit anything already submitted in connection with the original good-faith waiver request.

Within three (3) working days following the receipt of your hearing request, a hearing will be held. You will be notified promptly of the time and place of the hearing and the identity of the hearing officer, who was not involved in the original good-faith waiver denial. Because of the need to promptly resolve this matter and proceed with the awarding of the contract, a portponement of the hearing will be granted only upon a showing of substantial cause. Your failure to appear at the hearing constitutes a withdrawal of your request.
