

DEMOLITION OF I-94 BRIDGE OVER UNDERWOOD CREEK

As part of the Zoo Interchange project, demolition of the I-94 Westbound bridge, over Underwood Creek, is scheduled to begin the week of February 20. During the demolition of this bridge, the Oak Leaf Trail and Deer Creek Trail will both be closed simultaneously from 6am February 23 through 6am March 3. Trail users should follow the temporary detour route to get around the closures.
