

I-94 EAST /WEST FULL FREEWAY CLOSURE JULY 18-21, 2014

As part of the Zoo Interchange project, a full freeway closure will take place from Friday evening, **July 18 at 11:00 pm**, through Monday morning, **July 21 at 5:30 am**. During this 54-hour full freeway closure, I-94 East and I-94 West, at WIS 100, will be closed to traffic as crews work to install a new railroad bridge. The map below shows local alternate routes for motorists to utilize during the closure.

Traffic is expected to be heavy and backups will occur. If your travel plans include I-94 East-West we ask you to please plan ahead, allow for extra travel time, and drive safety. Your patience is appreciated.

All closures are weather dependent. Should inclement weather occur, this closure will take place the weekend of July 25 through July 28.
