You're Milwaukee County Parks and the Kosciuszko Community Center, aided with the financial backing of the Kozy Advisory Board, has put together one of the best summer learning programs in the area. Kozy Kids' Camp will provide a variety of activities for children including learning to play lots of sports, reading, playing in the game room with an ample number of games, signing songs, and making snacks. In addition, there is an arts & crafts program that will involve painting, coloring, and many other hands-on activities. Every week, the kids will go swimming at Pelican Cove outdoor swimming pool, take a trip to the Library for Story Time, and also go on a field trip to fun and educational places like Discovery World. Breakfast, lunch and snacks are provided for free every day.

"The Kosciuszko Community Center Advisory Board and its volunteers have raised funds all year to make this program affordable and enriching. We are thrilled to help send these kids on field trips to places that give them cultural experiences they might not otherwise experience," said Supervisor Peggy A. Romo West, whose district includes the Kosciuszko Community Center. "It's exciting that we can organize so many fun activities for young people at Kosciuszko Park. The Kozy Kids' Camp is a great asset for my neighbors in the south side and all of Milwaukee County."

Kozy Kids' Camp is operated by the Milwaukee County Parks at the Kosciuszko Community Center. For more information on how to sign up, contact the Kosciuszko Community Center at 414-645-3624.
