## **Reptile Day at Wehr Nature Center** *Slither in and get a hands-on learning experience*

(Franklin, WI) – The Wehr Nature Center, 9701 W. College Ave., in Franklin invites children, their families and friends to Reptile Day on Sunday, May 6<sup>th</sup> from 1pm to 4pm.

Attendees will be up close and personal with a variety of reptiles and amphibians from Wisconsin and around the world such as; snakes, turtles and lizards. Attitudes toward reptiles have “warmed” in recent years, yet a lot of misinformation about these cold-blooded creatures still prevails. For example, you cannot get warts from a toad. There will be crafts for the kids to enjoy and refreshments available for sale.

General admission is \$2 per person, \$1 per Friends of Wehr member payable at the door. Regular parking fee of \$3 per car in effect. For more information go to [countyparks.com](http://countyparks.com) or call the Wehr Nature Center at (414) 425-8550.
