Wahl Park Concert to Feature Smooth Jazz, R&B

Milwaukee, WI (July 22, 2013) – Smooth jazz and R&B will fill the air at Wahl Park when Another Level takes the stage, Sat., July 27, 2-5 p.m. The free concert is part of the Milwaukee County Parks “Summer’s Best” parks concert series. The concert stage will be set up near the pavilion in the park, at 4750 N. 48 St.

“We are blessed to have Milwaukee’s hottest, new, smooth-jazz band performing here,” said Khalif Rainey, Milwaukee County 2nd District Supervisor. “Their music feeds the mind, body, and soul, as it feeds the spirit of the community.”

Saxophone, guitar, bass, keyboards, and drums make up the five-piece ensemble. “We believe listening to music should be soothing, calming, rejuvenating, and uplifting,” said the band’s leader and bassist, Darryl Terry. The band has been together since 2009.
