## **RULES GOVERNING MONTHLY PARKING PRIVILEGES**

1. Monthly Parking is a reduced rate privilege that does not guarantee the availability of space every day, although every effort will be made to accommodate parking. Parking shall be granted on a non-reserved basis. Customer shall have a revocable right to park his or her vehicle at the above location. County does not assume possession of the vehicle, therefore, no bailment is created.
2. This agreement is for the vehicle specified on this application or any other vehicle substituted by Customer with the County's prior approval. Customer shall immediately advise the County of any change in the status of the vehicle covered by this agreement, including any change in the description or license plate of the same. Please call O'Donnell Parking at (414) 277-0860.
3. The **\$110.00 Monthly Parking fee (subject to change at any time)** is due and payable before the twenty-fifth (25<sup>th</sup>) day of the prior month. Failure to make payment before the first (1<sup>st</sup>) of the month will result in your access card being invalidated. If your access card is invalidated, you must pay the daily-posted rate for each day used and a late fee of \$10.00 to have your service reinstated. A service charge of \$35.00 will be added to your account for any checks or electronic deposits returned for insufficient funds.

Please make checks payable to: **MILWAUKEE COUNTY TREASURER**

4. Monthly Parking fees are due for a full calendar month basis. A \$20.00 deposit is required for each access card when first issued. The deposit is refunded when the access card is returned in good condition within sixty (60) days of cancelling this Agreement. Lost access cards and cards damaged by the Customer must be replaced for an additional \$20.00 charge.
5. **Refund, whole or partial, will not be made at any time.**
6. Vehicles left unattended for seven (7) days will be towed at the owner's expense.
7. For Recurring-Month Plans, this agreement is automatically renewed at the end of each month unless either party gives the other written notice of intent to terminate. Customer must give the County at least ten (10) days notice before the end of the monthly rental period to terminate this Agreement.
8. Customer **MUST** present access card upon entering the facility; failure to do so will result in daily-posted rates having to be paid. The access card is not transferable to another party.
9. Customer assumes the risk of any loss or damage to the vehicle or personal property left therein including but not limited to damage caused by fire, theft, acts of god, acts of any third party or any other causes. If a vehicle is damaged while parked at the above location through the fault of the County, the County's liability shall not exceed the reasonable cost of repairing the vehicle. In no event will the County be liable for Customer's consequential damages, loss of profits or loss of use of the vehicle.

10. WARNING: Vehicles should be locked and the contents thereof, especially cell phone, radar detectors, GPS units, etc., secured in the trunk or other out of sight storage area of the vehicle.
11. County will post any rate changes at the facility and on the County Parks website.
