

# MILWAUKEE COUNTY ETHICS BOARD

## Corporate Compliance & Ethics Week

May 1–7, 2011

Make Excellence a Habit

### GOALS OF THE ETHICS BOARD

An important goal of the Milwaukee County Ethics Board is to ensure that all County Elected and Appointed Officials, Employees and Vendors voluntarily comply with the Ethics Code, Chapter 33, M.C.G.O.

The Ethics Board promotes ethical behavior by using newsletters, brochures, tutorials, and various other items to provide training and education about ethics and ethical decision making.

During the week of May 1–7, 2011, the Ethics Board will commemorate Corporate Compliance Week with games and activities designed to draw the attention of County employees and officials to the County's Ethics Code. The Board will also use this opportunity to recognize County employees and officials who have exhibited strong ethical values in their day-to-day activities.

The Milwaukee County Ethics Board is dedicated to excellence and invites everyone to stop in for a visit when in the Courthouse.
