Sheriff Clarke Comes to Aid of Disoriented Motorist

Milwaukee, WI – Sheriff David A. Clarke Jr. came to the aid of a motorist this afternoon at 2:00 p.m. who had jumped a curb, almost hitting a light pole, and then went into reverse on W. Watertown Plank Road eastbound near US 45. He approached the driver, a 63-year old Milwaukee woman, noted that she was disoriented, and had her turn off the car.

Sheriff deputies and the Wauwatosa Fire Department responded to the scene. The fire department personnel determined that the driver was a diabetic and her blood sugar was abnormally low. Deputies moved her vehicle to a nearby lot and turned the keys over to the Wauwatosa Fire Department. She remained in the ambulance until her blood sugar level increased to acceptable levels.

“It was fortunate that during her medical crisis that she only hit a curb and did not injure herself or hit another vehicle,” said Sheriff Clarke. “I’m glad I was there to help until medical personnel could treat her.”
