## ***NEWS RELEASE***

FOR IMMEDIATE RELEASE  
May 9, 2011

### **Inmate Road Crews Handling Spring Freeway Cleanup**

Milwaukee, WI – Sheriff David A. Clarke Jr. sent out the inmate road crew to begin the spring cleanup of trash along Milwaukee county freeways. A crew of 6 – 10 inmates with Huber work-release status and supervised by a deputy sheriff will work weekdays from 9:00 a.m. to 3:00 p.m.

“Using inmate labor as a community service benefits both the inmate and the taxpayer,” said Sheriff Clarke. “These inmates qualify for the work-release program and can earn time off their sentences in exchange for doing the job.”

The program is a partnership with the Milwaukee County Department of Transportation and Public Works (DTPW). Inmates leave bags with trash they have collected alongside the freeway, and DTPW trucks handle pickup and disposal of the bags.
