### **Milwaukee County Gypsy Moth Spray Notification**

Milwaukee, WI – The Milwaukee County Sheriff's Office Emergency Management Division received notification that DNR Gypsy Moth Suppression Program spraying will take place in Milwaukee County beginning as early as dawn on Friday, May 27.

The planes fly low over treatment areas and are loud. Areas in Milwaukee County, including the zoo, are scheduled to be sprayed. Spraying is weather dependant and plans may change. You can also listen for updates by calling the Gypsy Moth Information Line at 1-800-642-6684 and dialing menu option # 1.

To sign up for or unsubscribe from automatic email updates or view detailed maps of the spray areas, visit the Wisconsin Cooperative Gypsy Moth website at <http://gypsymoth.wi.gov>.
