Fatal Freeway Crash

Milwaukee, WI – Milwaukee County Sheriff’s deputies responded to a 9-1-1 call at about 2:15 a.m. today for a pick-up truck roll-over crash on I-94 westbound at 39th Street. A witness reported that the male driver hit the median wall, riding atop the wall for about 50 feet, and coming to a stop after striking the freeway sign bridge posts. The medical examiner pronounced the driver dead at the scene.

The westbound lanes were closed for about 3 ½ hours while the Milwaukee Fire Department extricated the body from the vehicle and detectives reconstructed the crash scene and cleared the wreckage. The crash remains under investigation.

The victim’s identity is not being released pending notification of relatives.
