Another County Bus Driver Assaulted Same bus vandalized in road rage incident several blocks later

Milwaukee, WI – Milwaukee County Sheriff's Office deputies responded to a radio alert on an assault against a bus driver yesterday shortly before 5:30 p.m. The driver, age 46, reported that a subject boarded the bus and attempted to ride without paying the fare, and struck him in the eye when he demanded payment. The driver pursued the suspect, who fled the scene. The driver notified dispatch after returning to the bus. Several passengers on the bus who witnessed the assault left before deputies arrived.

A road rage incident involving the same bus occurred twenty minutes later, when a driver cut the bus off, then got out and punched the window of the bus door, shattering the glass.
