ALERT: Inmate Back in Custody Sheriff's Office Apprehension Unit Arrest

Milwaukee, WI – The Milwaukee County Sheriff's Office Apprehension Unit captured the inmate who cut off his GPS bracelet and escaped from custody late last night. Demond Thomas is back in custody and the Sheriff's Office will seek a felony charge of Escape. If convicted of this Class H felony charge, Thomas faces up to six years in prison.

"Don't count on him being held accountable by the Milwaukee County judiciary for violating the terms of his "second chance." Obviously, this was a misunderstanding on his part," Sheriff Clarke said sarcastically. "I base this on my experience with people cutting their electronic bracelets and fleeing."
