Man Wanted on U.S. Marshals Bank Robber Warrant Arrested by Deputies

Milwaukee, WI – A Milwaukee County Sheriff's deputy initiated a traffic stop Saturday morning at 12:05 a.m. northbound on I-43 near the county line on a speeding vehicle that did not have its headlights on. A query of the passenger, William E. Jenious, age 22, revealed an outstanding U.S. Marshals Service arrest warrant for Bank Robbery-Armed and Dangerous.

Additional squads from MCSO and the Bayside Police Department responded for the high risk felony stop. One deputy aimed his firearm at the car's occupants, who were detained without additional force. The driver was released from the scene. Jenious was conveyed to the County Correctional Facility – Central on the arrest warrant.
