### **Sheriff Asking that County Civil Service Commission be Held in Contempt**

Milwaukee, WI – Milwaukee County Sheriff David A. Clarke Jr. filed a motion to find the Milwaukee County Civil Service Commission in contempt of court.

In a case involving the layoff of agency captains, the Civil Service Commission was required to file its record with the court on or before April 16. Notice was also to be provided by the commission to the sheriff's attorney.

The Civil Service Commission has not complied with the order. Repeated contacts with the Commission's attorney did not result in compliance. The court order required a correct transcript of the commission's proceedings regarding its determination granting the captains an appeal regarding their layoffs. It also required all related records, files and papers so the court could act on the matter in accordance with the law.

The motion is scheduled to be heard on June 4, 2012.
