Sheriff's Office Operation Safe Summer Parks Resources

Milwaukee, WI – The Milwaukee County Sheriff's Office will have all of the Targeted Enforcement Unit (TEU) Parks Patrol resources at the lakefront tomorrow, Tuesday, April 30, from 10AM to 10PM. Media is invited to stop at the north side of the North Point parking lot to get video of the equipment and speak to the incident commander about the equipment on display.

The Patrol Division closely monitors crowd size and weather conditions and adjusts staffing levels as necessary throughout the late spring and summer months. Among the resources that will be deployed are the Command Post, mobile jail, ATVs, Jet Skis, patrol boat, Segways, motorcycle and mounted units, bicycle patrols, squads, and digital sign boards.

The anticipated warm weather forecast for tomorrow is expected to bring large numbers of people to enjoy one of Milwaukee's most treasured recreation spaces. The public expects this area to be kept free of anti-social behavior that decreases the quality of life for them, and we will meet that expectation.

DATE: Tuesday, April 30

TIME: 10AM to 10PM (depending on weather conditions)

LOCATION: North Point parking lot
2272 N. Lincoln Memorial Drive
