### **Milwaukee Makes Top Ten Most Dangerous Cities List**

Milwaukee, WI – Earlier this year, Sheriff Clarke anticipated the storm clouds on the horizon and said that Milwaukee residents needed to do something to protect themselves against the rise in crime and violence that was descending on the city. He put out a personal safety message using radio to reach as many law abiding citizens as possible so residents wouldn't be sitting ducks.

Tom Barrett, Chris Abele, Ed Flynn, Ernie Franzen and the Sentinel Journal editorial board, and every anti-2nd Amendment, gun-hating leftie nationwide in unison called Clarke "irresponsible" for advising people on how they could prepare to defend themselves. Barrett and Flynn continued to mask the issue by manipulating crime statistics.

Clarke has been *vindicated* by none other than Forbes magazine, which last week released their top ten most dangerous cities in America as it relates to crime and violence. It included the city of Milwaukee. (<http://fox6now.com/2013/11/07/milwaukee-10-on-forbes-most-dangerous-cities-list/>)

Barrett, Abele, Flynn and Franzen owe law-abiding Milwaukee residents an apology. While they are at it, they might want to commend Sheriff Clarke for his ability to anticipate. Don't hold your breathe on that one, however!

This comes at a time when County Executive Chris Abele wants to unlawfully pile on even more responsibility to an agency already dealing with furloughs, vacancies and delayed response times by having MPD officers patrol Milwaukee County Parks.
